TENDER INFORMATION MEMORANDUM

Norsafe JYN-85 Enclosed Survival Craft & LH-140 Davit Systems
Offered as One Complete Tender Lot

Tender Closing Date: 5:00pm Friday 16 October 2026

Executive Summary

Thornton Auctions invites offers for the purchase of a unique marine asset package comprising two Norsafe JYN-85 enclosed survival craft and two associated LH-140 davit launch systems. The assets are offered as one complete lot only and will not be sold separately. Included in the sale are two Norsafe JYN-85 enclosed survival craft, two Norsafe LH-140 davit systems and two supporting cradles currently housing the craft.

Asset Overview

The JYN-85 is a substantial enclosed survival craft measuring approximately 8.5 metres long, 3.15 metres wide and 3.3 metres high. Constructed from heavy-duty marine-grade GRP, the vessels feature enclosed weatherproof cabins, diesel propulsion systems and self-righting design characteristics. The assets are sold strictly on an As-Is, Where-Is basis.

Potential Applications

Marine Applications: maritime training, marine engineering projects, commercial marine operations, emergency response training, offshore support applications and specialist vessel projects. Conversion Opportunities: boutique accommodation, Airbnb or short-stay accommodation, glamping developments, tourism attractions, event installations, hospitality projects, film and television productions and display applications.

Inspection

Inspection is strongly encouraged and strictly by appointment through Thornton Auctions. Prospective purchasers should satisfy themselves as to condition, completeness, operational status, certification requirements, transportation requirements and suitability for intended use.

Sale Conditions

The assets are offered AS IS, WHERE IS. No warranty or representation is made regarding mechanical condition, operational condition, certification status, compliance status, seaworthiness, fitness for purpose or future performance.

Tender Process

Tender submissions should include full name, company name (if applicable), address, email address, contact phone number and tender amount.

Vendor Rights

The Vendor reserves the right to accept or reject any tender, negotiate with any party, extend the tender period, withdraw the assets from sale or request further information. The highest or any tender will not necessarily be accepted.
