Bill #	Title	Link to Full Text	Official Summary	House Sponsors	Senate Sponsors	Position	Status
HB20-1008	Concerning protections for consumers who participate in health care cost-sharing arrangements.	HB20-1008	The bill requires health care sharing ministries to: Report specified information to the commissioner of insurance (commissioner) regarding its operations, financial statements, membership, and medical bills submitted, paid, and denied; Provide certain disclosures on its website, in marketing materials, and to potential members; and Respond to requests for payment of medical expenses from health care providers within a period specified by the commissioner by rule.	Rep. S. Lontine	Sen. R. Fields	Monitor	01/08/2020 - Introduced In House - Assigned to Health & Insurance
SB 005	Concerning a restructuring of the payment of cost-sharing amounts owed by certain covered persons.	SB20-005	The bill prohibits carriers from inducing, incentivizing, or otherwise requiring: A health care provider to collect any coinsurance, copayment, or deductible directly from a covered person or the covered person's responsible party; or A covered person to pay any coinsurance, copayment, or deductible directly to a health care provider. The carrier is required to collect any cost-sharing amounts owed by a covered person directly from the covered person in one consolidated bill.	Rep. J. McCluskie	Sen. K. Priola, Sen. F. Winter	Monitor	01/08/2020 - Introduced In Senate - Assigned to Health & Human Services
SB20-043	Out-of-network Provider Reimbursement Rate	SB20-043	This bill is correcting a previous statutes reimbursement rate. HB 19-1174 went into effect on January 1, 2020. It stated the payment schedule incorrectly. This current bill indicated that that reimbursement rate for an out of network provider who is providing covered or emergency services, in an in-network facility. The greater of 110% of the carrier's median in network rate or in the sixtieth percentile of an in-network rate for the same service in that geographic area during the prior year. The correction is the percentage going from 105% to 110% and median into the 60th percentile. If passed this will go into effect immediately.	Rep. D. Valdez	Sen J. Tate	Monitor	01/08/2020- Introduced in Senate- Assigned to Health & Human Services
HB20-1160	Drug Price Transparency Insurance Premium Reductions	HB20-1160	Concerning measures to reduce health care costs related to prescription drug prices, and, in connection therewith, creating the "Colorado Prescription Drug Price Transparency Act of 2020" to require health insurers, prescription drug manufacturers, pharmacy benefit management firms, and nonprofit organizations to report specified information about the costs of prescription drugs to the commissioner of insurance and to direct the commissioner to analyze the information and submit a report regarding the effects of prescription drug costs on health insurance premiums; and requiring health insurers to reduce insurance premiums to adjust for rebates the insurers receive for prescription drugs.	Rep. D. Jackson, Rep D. Roberts	Sen K. Donovan, Sen J. Ginal.	Monitor	01/21/2020 - Introduced In House - Assigned to Health & Insurance + Appropriations
