

Vision Statement

Recently we asked all employees of the organization to think about the work they do for the organization and in no more than one to two sentences, describe how their work directly affects Coloradans.

The responses we received, thoughtful and enlightening, were compiled and organized, through them we created the themes listed below.

Education for People

Financial Importance

Advocacy Voice

Result of Our Operations

What Our Operations Are

What Kind of Coverage

Culture of Commitment

Value of Time

Where Our Customers Are

We Value/Create Success

What Kind of Navigation

What Coverage Means
