

## Annual Work Day at the Farm

Help out at the Farm!

In an effort to clean up and assist in repair jobs around the Praxis Retreat and Learning Center we will once again be hosting our annual work day. **Please email Sally Roberts at [ssroberts1@verizon.net](mailto:ssroberts1@verizon.net)** if you can come help for all or part of the weekend. We will also be providing our own food so food sign up will be sent out once the sign up for the weekend is done.
