

# Private String Teachers

*Updated 09-06-2016*

The following are names of private string teachers who teach in the Glen Ellyn area. Names are listed alphabetically. Glenbard West does not take responsibility for teacher quality. If you are looking for a new teacher, get recommendations from your orchestra director or friends who study privately. Try one or two lessons with a new teacher; continue if you feel compatible with this teacher. An area code other than 630 does not necessarily reflect the location of the teacher's studio.
