

Our next concert - The Glenbard West Winter Music Festival - will involve all the music groups at Glenbard West. This night is split into two concerts...each about 45-50 minutes in length. Below is the group concert order at the following concert times:

The 6pm Concert will involve:

All Choirs
Concert Band
Audience Sing-along

The 8pm Concert will involve:

All Orchestras
Intermediate Band
Symphonic Band
Audience Sing-along

Because this concert involves all music groups, we do use reserved ticket seating for both concerts (see link below). This allows our audience to have an assigned seat for the concert (not sit wherever you wish), and allows us to track and maintain social distancing for our audience. As with everything in our Covid time, we are mindful of safety mitigations throughout the concert. This will include masking and social distancing for both performers and the audience. We will maintain audience social distancing by holding an empty seat on each end of a family group. With this in mind, please use the Reserved Ticket Order Form link below to purchase tickets ahead of time. Seating is filled on a first-come, first-served basis through completing the ticket order form. Balcony seats will be available, as well.

Due to social distancing, the ability to quickly purchase tickets at the door on the night of the concert will be limited because we need to ensure the extra seat on either side of a family group, and this process, as with everything, takes more time. We will also not allow any choice of seating when purchasing at the door. You will be able to purchase tickets, but we will seat you where we can quickly do so without regard to location in the auditorium. We strongly encourage you to purchase your seats in advance.

We do know that some families, about 10 out of our 250 families, will need to attend both concerts because they have students in groups that perform in both concerts. For those who have to attend both concerts, you will buy tickets for the 6pm concert and receive tickets for both the 6pm and 8pm concerts...in essence buy one concert, the second one is "free" and the seats will remain the same for both concerts.

Once the form is completed, you will receive an email confirmation of your order. The last day to pre-order tickets, and pay for them will be Wednesday, December 1st (Wednesday AFTER Thanksgiving).

Please send payment with your student's name included on the check, or through the online link that is in the order form.

Tickets will be sent home with students on Monday, December 6th (preferred method of delivery) or they can be held at Will Call depending on your child's ability to deliver in a timely manner.
