## CLOSE OF FILE WITHOUT CERTIFICATION DUE TO DEFICIENCIES

MRS. SANDRA THORSTENSON  
WHITTIER UNION HIGH SCHOOL DISTRICT  
9401 SOUTH PAINTER  
WHITTIER CA 90605-2798

**Project:** Sierra Education Center  
**Scope:** Construction of 6 - Field Lighting Poles  
**Application #:** 03-105906  
**File #:** 19-H26

Dear MRS. THORSTENSON :

The Department of General Services' records indicate that construction of the referenced project has been substantially completed in accordance with design documents approved by the Department. However, Verified Report documents and/or affidavits required to complete the file have not been received from the responsible entities, and the Division of the State Architect field engineer's final recommendations indicate potential deficiencies which are listed below:

1. **LABORATORY AFFIDAVIT, SHOP WELDING, GROUNDING TEST**
2. **NOTICE OF COMPLETION (SCHOOL DISTRICT)**
3. **RECORD SET**
4. **DEFICIENCIES: SEE ATTACHMENT**
5. **CHANGE ORDER 1**

As these deficiencies remain uncorrected, the Department of General Services cannot certify this project. No further action by our office is anticipated on this project, and regrettably the file is being closed without issuance of the Department's certification of construction.

To reopen the project file, a submittal of outstanding documents along with **a warrant for \$150 is required** to recover our costs. If the listed documents cannot be obtained, an explanation regarding the attempts to secure them may be considered.

Sincerely,

David F. Thorman, AIA  
State Architect
