CLOSE OF FILE WITHOUT CERTIFICATION DUE TO DEFICIENCIES

MR MARIO CONTINI
FILLMORE UNIFIED SCHOOL DISTRICT
627 SESPE AVENUE
FILLMORE CA 93016

Project: FILLMORE HIGH SCHOOL
Scope: RECONSTRUCTION OF CAFETERIA BLDG. (FIRE DAMAGE – A 19942)
Application #: 03-108039
File Id #: 56-H1

Dear Mr. Contini:

The Department of General Services' records indicate that construction of the referenced project has been substantially completed in accordance with design documents approved by the Department. However, Verified Report documents and/or affidavits required to complete the file have not been received from the responsible entities, and the Division of the State Architect field engineer's final recommendations indicate potential deficiencies which are listed below:

1. **DSA – 6A/E**
2. **DSA – 6 (Contractor)**
3. **DSA – 6 (Project Inspector)**
4. **DSA – 102 (Contract Information)**
5. **Notice of Completion**
6. **Change Orders if Any.**
7. **DEFICIENCIES:** 1. This project was completed without the inspection of a DSA certified inspector.
2. The P.I. employed after the completion of this project, still has no DSA approved drawings.

As these deficiencies remain uncorrected, the Department of General Services cannot certify this project. No further action by our office is anticipated on this project, and regrettably the file is being closed without issuance of the Department's certification of construction.

To reopen the project file, a submittal of outstanding documents along with **a warrant for \$150 is required** to recover our costs. If the listed documents cannot be obtained, an explanation regarding the attempts to secure them may be considered.

Sincerely,

David F. Thorman, AIA
State Architect
