## Patient Zero: “An offer he couldn't refuse”

by Zachary Kotiadis

The facts surrounding the brutal death of Patient X a.k.a. Patient Zero is extremely misunderstood and a multitude of rumors are predicated upon a massive web of lies. The facts of the case are simple and as follows: On Wednesday the 22<sup>nd</sup> day of July in the year of our Lord 2020, a singular COVID - 19 case was cited in MRC division (A), within Camp Constitution. Due to close quarters, the symptomless disease quickly “spread”. Based upon absolutely no scientific or logical evidence, all patients immediately tested positive, showing however, Zero symptoms; thus the nickname “Patient Zero”. The infected area was immediately quarantined, and ALL CAMPERS were subjected to unconstitutional regulatory mandates. These mandates included: use of hazmat suits, double mask wearing, constant changing of gloves, sanitization via pesticides, and a daily dosage of 5 milliliters of pure hand sanitizer.

Immediately following the outbreak CNN (the Clinton News Network) and ABC (the Anarchist Broadcasting Channel), arrived on the scene. Reporters and deep state collaborators Murphy K. Martin, Chris Cuomo, and Rachael Maddow “got to work” on this “so called reporting” and generated their fake news propaganda. Relying on their yellow journalistic preliminary report the National Guard and Federal Bureau of Investigation were called into service, citing the 8th article of the Constitution, and The Communist Manifesto, as reasons for these mandates. At the ignorance of Congress, the National Guard was deployed and the F.B.I began a series of investigations. The extreme mandates lead to the reporters being divested of their rights as well. Cloaked in this wildly and truly unnecessary “garbage bag bear suit” the Feds were unable to delineate between camper and reporter which led to the investigation of all persons on site. The results of this investigation, and the repercussions are monumental and the case is being described as a modern day Watergate.

According to anonymous CNN sources, the Network planned the

incident several months in advance. Led by a singular agent -- code name Bob, the plan began July 14. The man's real identity is believed to be Jim Virginia Rider. This undercover agent was later discovered to be an employee of the deep state, working for Russia, and funded by none other than George Soros. His sole purpose, according to a manifesto recovered at the scene of the crime, was and I quote “To bring the Corona thing to the U.S. and to instill fear so as to stunt the awakening process taking place.”

On the scene Mr. Martin was allowed close access to Patient Zero before the patient's untimely death. “On his deathbed” Martin recalls, “He just lied there like he was unfazed. He just repeated the same words over and over again, “He made me an offer I couldn't refuse”. Over and Over he would only repeat the same phrase. He later made accusations of his employers and revealed specifics of his mission to an un-named third party source.

Immediately following, Mr. Martin, the last one to see Patient Zero alive, took these words and began to write his report. Not more than one hour later, Patient Zero was found dead in his incubator. The F.B.I. still has been unable to solve this mystery despite their help from Scotland Yard. This was cited to be an affordable right of newsmen through the help of the brilliant Articles of Confederation.

As this report comes to a close I urge you to remember this is not the only story, this is not the only side to this telling, I find it pertinent to point to the facts, the fact that one man, an agent of the deep state attempted to infiltrate and distract from the learning of the U. S. Constitution.

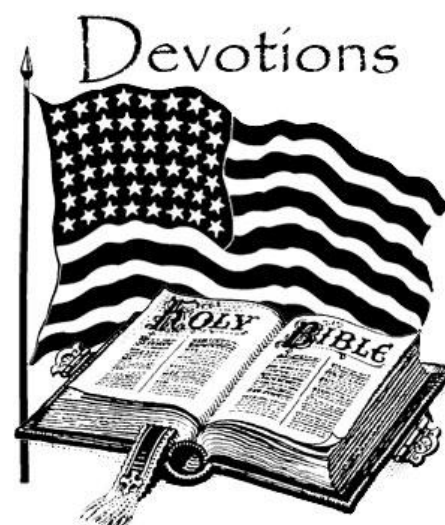

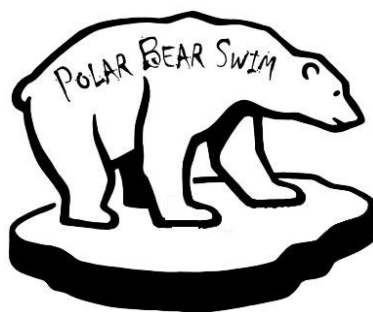

The facts of this case are simple and as follows: Patient Zero A.K.A. Jim Virginia Rider A.K.A. Patient X A.K.A. Bob did not die of CoronaVirus, rather he was bludgeoned to death in his sleep by the 12 patriots of the dwelling known as MRC A. Their names are unknown, they're legacies perhaps forgotten, but this story of the 12 shall live on forever.

But it kinda makes you wonder, must have been some offer... ★

## Wacky World of Tytus Valentine

(See more on Page 6)

Amongst our favorites from last night's campfire were: "America" and "Edelweiss". Jokes were told by Maddie Daniels, Marlee Newman, and David Krutov. The submarine skit was a big hit again. There was a special rendition of the Prius song and Joshua Vileniskis on the violin. We had a new song introduced by Mrs. White, "Matthew, Mark Luke and John" sung in the round. Additional live performances by Lawrence Godfrey and Earl Wallace (Where Do I Go?) were enjoyed. Joseph Godfrey graced us with John 1: 1-7 recited in song. Although the rain forced campfire indoors, it went well. The digital fireplace was only occasionally interrupted by Youtube ads. ★

### The Three-Time Reigning Champ De-Throned

In shocking fashion Stephen Mauder won the GaGa championship. The game came down to a three way competition between John Paul Godfrey, Stephen Mauder and three time champion Gus Kalis. Stephen eliminated Gus with a ball strike that rebounded off the sidewall and struck Gus in the leg. A fortuitous bounce for sure. In the end, Stephen eliminated JP and as he left the pit was quoted as saying: "It's official, I'm never playing this game again. I'll never top this."

#### GA GA FINAL STANDINGS

1 Stephen Mauder	7 Caden Nooney
2 John Paul Godfrey	8 Joseph Hazelrigg
3 Gus Kalis	9 Sophia Daniels
4 Vincent Villuri	10 Gavin Nooney
5 Joseph Villuri	11 Leo Godfrey
6 Julia Daniels	12 Ryan Nooney

#### Mr. Hal Shutleff's Words of Wisdom:

If I were elected president, I'd outlaw flavored coffee and soccer. If you plot the relevant data on a graph it shows a steep decline in America in reverse proportion to the increase in popularity of soccer. It must be causal. ★

The bears were hybernating today. No swimmers. Rain may have played a part in that. Zachary Kotiadis was the only runner this morning. ★

Nicholas Affleck, one of our first-time shooters was excited to share his target with his father. He fired five .22 caliber rounds. He was surprised to learn that, although he thought he missed the target, that center most hole is a double hit. Moral of the story, don't get Nicholas Affleck on your bad side. Go ahead, make his day! ★

### JUNIOR PATRIOTS' CONTINUED

Joseph (8-½) - "I learned a song: "This Little Of Mine." And I learned the 5 First Amendment Rights: Freedom of Religion, Freedom of Speech, Freedom of the Press, Freedom to Assemble, and Freedom to Petition.

Well, there you have it folks, straight from the Jr. Patriots' mouths. This is only a sampling.

Most days there were 22 Jr. Patriots learning about the Constitution!!

## Acme Safe Company

Looks like Acme Safe Company closed up shop under governors orders (color of law) because the sign is gone. So, it's obvious at this point that each cabin member either a) cannot read or b) cannot take hint. The shorts were in the same place again!!!! Inspectors were on the edge of their seat in anticipation of the outcome of COVID man. To our amazement we found yet another patient. And to our further astonishment we stumbled upon a crime scene. Apparently the crime originated in the bathroom as a damaged toilet seat was discovered. Initial reports indicate that the victim died of a self-inflicted ax wound to the chest. Points for creativity. ★

Score: 10.0

## Corona Patriotic Edition

Same ole, same ole... Apparently another cabin of non-readers. You can't be in the room when the inspectors come a calling. ★

Score: 5.0

## Patriotic Bob's

All of Bob's cousins left. No bobbing Bobs in the tub, but a big bobbing blue Bob smiling up from the toilet. Bob was relaxing in the corner wearing a big patriotic hat and the animals were sporting American flags. Rumor has it, that there is connection between Bob and the COVID Man's mysterious death. That might explain the sudden exodus of the bobbing Bobbettes and perhaps the large smile. Was the hanging Bob symbolic? So that's a wrap. ★

Score: 9.5

## Kabin Kanye

We counted 39 flags and we don't want to hear any rebuttal. Amazing that you had more stuff to add to your cabin. You had streamers on the ceiling and more quotes. Candy bribes are great. The interactive flag challenge. ★

Score: 10

## Trumpettes

If you are going to bribe the inspectors with fruit, please make sure they are ripe. After testing the rock hard nectarines, your inspectors feared the apples might be poisoned. We liked the Don't Tread on Me sticker on the shirt. ★
