## Pizza Party Tonight

**Tonight**, after campfire the annual pizza party will be held in the cafeteria. The evening break will be extended to 11PM. After 11pm all students must be in their respective cabins. This is the winning Entry of the American Values Essay Contest by Colette Chu.

## MONEY HAS A STORY

Here are three things that American coins say and what they mean to me:

**LIBERTY:** Our founding fathers fought a war by fighting and with words. George Washington led Patriot soldiers to victory. Thomas Jefferson fought the British with words. (by writing the Declaration of Independence). James Madison is called the father of the Constitution because of all the notes he took (they helped to create the Constitution) and many more people helped us gain liberty. Without them, America would be a fairy tale. We should appreciate their efforts that made us who we are today – a free country of Liberty!

**IN GOD WE TRUST:** The founding fathers used biblical truths to make this country a thing. With all the havoc going on today, we need to Trust God. In God We Trust.

**E. PLURIBUS UNUM:** I believe this is Latin. It means “Out of many, one.” This is what we are. Out of all the countries in the world, we are set apart because we have liberty – kids, when you grow up, you can get any job you want, write anything you want and more. I hope we can stay E. Pluribus Unum forever. Until Jesus returns, at least.

# Junior Patriots On Parade.

**Junior Campers, Heads Up!!!** You and I have been so blessed during this Camp Constitution 2021! Special guests, many volunteers, many treats and gifts added to a full, fun and memorable Junior Camp 2021.

To name a few, Mrs. Bonnie Wilder comes from either Florida or Maine with much expertise in music, American Sign Language, and plenty of American History to share. "Spunky" comes to us from Maine to share his talents in juggling, riding the unicycle and much clowning! He even treated us to popcorn and cotton candy!

About half of the junior campers spent time on the firing range – a new treat. They are preparing to use their rights protected under the second amendment.

Patriot Tom Moor visited the Junior Campers 4-8 years old to share plenty of the history of Paul Revere. All the boys who wanted to wore tri-corn hats.

Volunteers, you were especially helpful to us all throughout the week. Many of you spent hours each day assisting the instructors and students in whatever way you could.

The culminating activity for the Junior Patriots was to parade our patriotism and celebration of our great nation – America. We wore period clothes, waved many flags, sounded our instruments and enjoyed being Americans! ★ -- Mrs. Edith Craft

## CAMP COMMENTS (CONTINUED):

Elizabeth Krutov – "My week at camp was good. I learned that freedom is not free."

Mrs. Catherine White is 2021 winner of the Hal Shurtleff Award for Staff Member Excellence. Congratulations, Catherine!

## Agenda 21 For An 11 Year Old

God created the earth and man in his image. The liar came and told man he could be like God. Man was taught by God to worship him and obey his words.

Powerful people today, following Satan, choose to be their own gods and rule over others. They worship the creation, earth, and expect men to obey them.

To control mankind these rulers, having power, create fear forcing people to obey them. They say the earth will end being a

Place to live if we keep damaging it with our machinery and productive works. They say we must stop our machinery and productivity or the earth will die. They say the earth will get hot or cold because of us. They say these things to create fear. People obey them because of fear.

The powerful men want us all to live in smaller spaces like big boxes in buildings stacked atop and around each other in crowded cities. They want most of the country closed off and only for them although they say it is to preserve the earth. They want people to have no cars. They want people to have no cars. **see page 7**

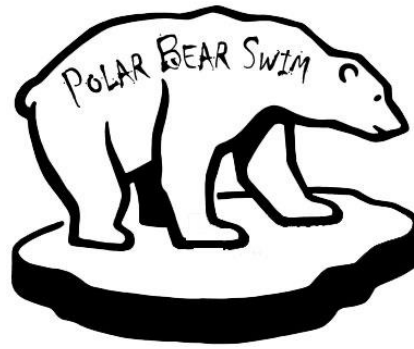

**Annual Wiffle Ball Tournament** - Expectations were high for the annual Wiffle ball game. The stars pushed a run across with two outs in the first. Sarah Daniels hit a double for the A's but was stranded on base and so the first inning ended one nothing in favor of the stars. An error in the top of second with the bases loaded gave the stars a 2-0 lead. The Stars generated 3 more runs in the top of the third inning. The first two points for the A's were scored in the bottom of the fourth. In the top of the fifth the Stars padded their lead with three more runs. Jesse King drilled a triple to plate three A's runs and Benjamin Soon followed with a base clearing home run to add two more runs, completing an improbable come-back and knotting the game at 8 a piece. Prof. Soon says "It's all mental".

In the top of the sixth, Shurtleff's team took a 2 run lead. In the top of the seventh Mr. Affleck took the mound and after David hit a double to move Hal to 3rd, he did his best Rollie Fingers impersonation and retired the sides without allowing a run. The last chance for the A's in the bottom of the 7th, Joshua roped a one out single, Natalie singled and Maddie Daniels popped out and Joshua was tagged out on the base paths running. Final: 10-8 in favor of the Shurtleff Allstars.

Thank You Miss Bacigalupi for bringing the bonfire colors. They are a beautiful affect.

Amongst our favorites from last night's campfire were: "Grand Old Flag", "My Bonnie", "Home on the Range", and "Battle of New Orleans". Jokes were told by Tytus Valentine. The submarine skit was a big hit again Thank you Cabin B. Hannah Daniels et al. performed the bubble gum skit. Christina Carter et al. donned thouse outrageous sumo wrestling suits and were hilarious again. Sarah Krutov led the I don't have a skit, skit. Rebekah Krutov brought the crowd to a standstill with her beautiful rendition of "Be Thou My Vision" Tom Moor and Meagan Rockiki performed the Preamble with sign language. Charlotte Wood and Marlee Newman joined Spunky the Clown in the Charlee Circus, complete with spinning plates and unicycle. Last but not least, Bonnie Wilder led the Junior Campers in a performance of the Flag Song. Laura Andrews read scripture and Taps closed the evening. ★

This is the Runner-Up Entry of the American Values Essay Contest by Sage Griffin.

## WHAT AMERICAN VALUES MEAN TO ME

### "Liberty"

Liberty to me is freedom. Freedom to fight for what I believe in - freedom to protect our God-given rights.

### "In God We Trust"

To me, this value is very important because, without it, without trusting in God, without faith in God, America would be built on nothing. Where does liberty, morality, and freedom come from? God.

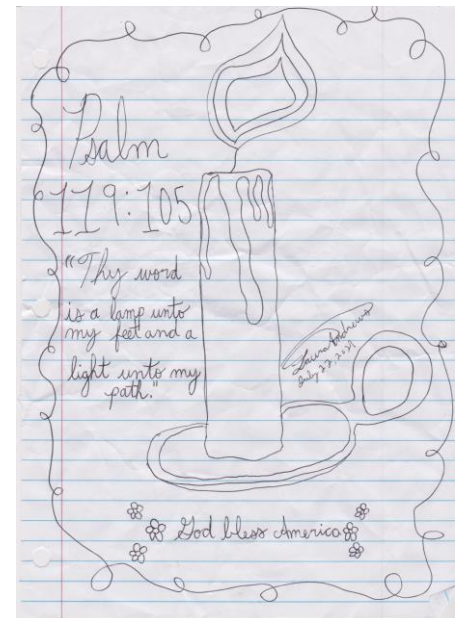

"E. Pluribus Unum" ("Out of many one") I believe stands for the original thirteen colonies coming together as one nation. Although the colonies disagreed for many things, they were fighting for the same cause, and knew that cause is always more important no matter what difficulties they will face.

What Tremendously delicious meals are prepared and served at Singing Hills Christian Camp by Chef Alex Hill and his staff. A prominent scripture displayed near the fruit area for all to see is Colossians 3:17 – doing everything as doing it for the Lord. Another scripture seen entering the seating area is Joshua 1:9 God is with this staff. With scripture as their measuring rod, it is no wonder the meals are so delicious and attractively presented. Thank You Singing Hills and Chef Alex! We are always blessed visiting and eating here. On behalf of Camp Constitution, Mrs. Edith Craft

We are very appreciative of the hard work and dedication of Manager Phil Lee and all his dedicated service. Camp Constitution is very blessed! Thank you Phil and staff!

## Boys Dorm A

It's official! Dorm A never bothered to name their cabin. Do you even read this column? We don't take cash for ballots. That was a democrat move. Imagine 30 bucks? The pizza probably costs as about as much as the bribe. The cash bribe was an insult to our integrity. Elections aren't fixed quite so easily. Our integrity has to be worth at least 40 bucks! The bathroom was a bit trashed. Definitely in need of some TLC. Overall, a good effort. The effort was obvious. Nice try. You're all allowed back. Points for creativity. ★

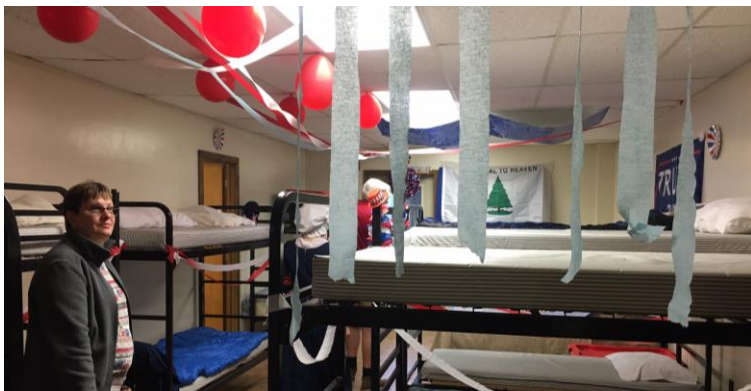

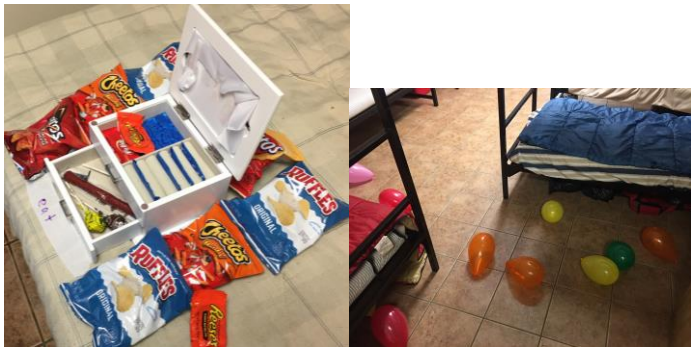

Score: 8.50

## Rev Craft 2024

The jewelry box with the Christian flag was a nice edition. New streamers (although we suspect they were sourced from the former Christian Flag) and decorations but the color scheme was a bit off. Quite honestly we expected a bigger push on the final day. The beef sticks were enjoyed but we ran short. Perhaps a condiment, like ketchup packets would have been nice. Good Job. ★

Score: 7.5

## Hobby Lobby

Consistently, all week long, this was the neatest and cleanest room. If it wasn't for the mannequin incident this contest would have been a landslide victory. Strangely enough, we did not recognize the use of the Christian flag despite our favorable feedback. We were in no way tempted to partake of the sock candy. By and large, this cabin just rolled out wave after wave of decorum and they sure no how to make a final push. There just too much stuff on which to comment. ★

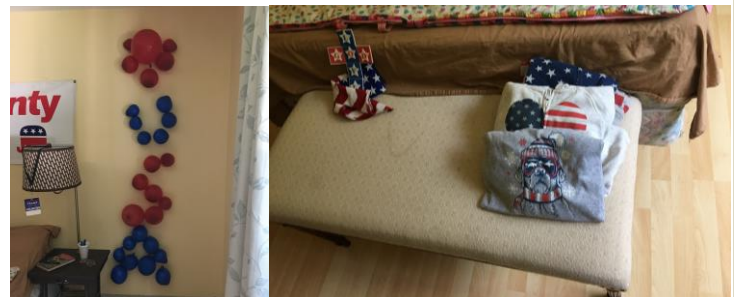

Score: 9.5

## Room 4

Neat and clean! We love the USA balloon display. It was really creative. We love your enthusiasm. Considering the fact that you started a day late you really made a nice show. ★

## Junior Patriot Camp Song Lyrics

### Constitution Song - Lyrics By Bonnie G. Wilder

Can you name the highest law  
in all the U.S. nation?  
CON-STI-TU-TION  
Hey there, Hi there, Ho there,  
it's supreme for you and me.  
CON-STI-TU-TION  
Constitution...Constitution...  
"We the People" hold your honor  
high, high, high, HIGH!!  
Oldest one in all the world.  
Let's have a celebration!  
CON-STI-TU-TION!

### There Are Many Flags In Many Lands - Composer Unknown

There Are Many Flags In Many Lands.  
There are flags of ev'ry hue.  
But there is no flag however grand,  
Like our own red, white and blue.

(Refrain)

Then hurrah for the flag,  
Our country's flag!  
Its stripes and white stars, too!  
For there is no flag however grand,  
Like our own red, white and blue.

I will always love this flag of ours,  
And to her I will be true.  
For there is no flag however grand,  
Like our own red, white and blue.

(To Refrain)

©2019 by Bonnie G. Wilder (The Constitution Lady)

### High Five Song

#### Intro: (speaking voices)

1- 2- 34 5! 1- 2- 34 5!

(Refrain: singing voice, raise the 5 hand on 5 - 3X)

Ya got 5! Ya got 5! Ya got 5 First Amendment Freedoms! FIVE!

(repeat both lines 2X)

(3rd time pop up fingers to below)

And I can name them all! HIGH 5! (Fine)

(Much slower)

The first one is freedom of RELIGION!

The second one is freedom of SPEECH!

The third in line is freedom of the PRESS!

The fourth is the right to peaceably ASSEMBLE!

And the fifth gives us the right to PETITION a government  
grievance to REDRESS! HIGH 5!

(Return to top)

Agenda 21 Continued from page 1

They want people to live where they say they want them to live. They want people to own a little bit and nothing else; they want only a few children and less families. They want to control children from their birth or that there be no children at all. They say we will all be happy if we obey them and follow their rules. God says to obey him and have goodness and peace. They promise something they can't give. God promises something he does give us. ★
