We welcome all our campers and Staff to our 15th camp at Singing Hills Christian Camp and Conference Center. ★

Tempus fugit: Welcome to our 15th annual family camp.

It is hard to believe that we are holding our 15th annual family camp. Our first camp, held in 2009 at the Toah-Nipi Retreat Center in Rindge, NH, drew about sixty people. Since then, we have more than doubled our annual attendance. Throughout the rest of the year we now hold a weekend family retreat, a lady's retreat, host dozens of speaking engagements, and are invited to speak to groups from Florida to Maine.

In 2010, we started a publishing arm. In 2015, thanks to the efforts of Mr. Affleck and our webmaster Eric Conover, we created the Sam Blumenfeld Archives, the works of our late instructor and a modern pioneer in the home school movement. Hundreds of thousands of people from around the U.S. and the world download the vital works of Mr. Blumenfeld. We recently learned that a school in Zimbabwe will be named in his honor. In 2016, we started a radio show which is now on over a dozen platforms including Amazon and Spotify. In 2020, we became trustees of a house in Lexington, MA-a few blocks from the site of the Battle of Lexington. From this library and learning center we host monthly events. It has become the home of our beloved Chaplain Rev Steve Craft, and Mrs. Edith Craft, our Junior Camp Director.

Last year, we were handed a 9-0 U.S. Supreme Court victory "Shurtleff v Boston" which gained national and international attention. It was a victory for free speech and religious liberty. When a reporter asked me what was next for Camp Constitution after the Supreme Court victory, I said "As the Lord leads".

Thank you all from the bottom of my heart for your dedication and support. You make Camp Constitution possible. Welcome to all our first time attendees. I hope that this week will be a blessing to you and a memorable experience. ★

Mrs. Paulie Heath

Mrs. Paulie Heath writes and sings inspirational, contemporary Christian songs from the heart. Her soothing voice and pointed lyrics are simply an outgrowth of what is in her heart. She studied music in college and performs throughout the Northeast United States, and beyond. She has traveled to Canada, Great Britain, East Africa and Central America, sharing the Hope within her.

Paulie began singing with her family at the age of ten and has been singing ever since. By age 17, she was performing in a contemporary Christian band. After marrying Michael Heath, Paulie continued her education in music at Roberts Wesleyan College in Rochester, New York, while Michael pursued a degree in religion and philosophy.

Returning to Maine after college, Paulie's music turned to lullabies after giving birth to their sons, Dustin, Sean and Jared, over the next four years. At the time, she and Michael lived and worked at a non-profit Christian therapeutic community, assisting people who were struggling with substance abuse and/or mental illness. It was during that life-changing experience that Paulie began cutting her song-writing teeth.

Paulie has produced six recording projects. Her first full-length album, entitled "Hymns," was released in 1997. Signing a record contract in 1999, Heath released "Under the Shadow," a collection of contemporary songs she wrote.

Her third release is called "Light of Your Love," original worship songs.

Her Christmas project, "Let Us Adore Him", is a mix of familiar holiday carols, plus two original songs.

"Mostly What I Need Is You" includes hymns and songs she wrote. Paulie's sampler CD, "Innocent Eyes," has 15 songs, including many re-mastered songs from previous recordings.

Now that the boys are grown and left home, Paulie travels wherever doors open; performing and speaking at women's conferences and other concert venues. Camp Constitution is happy to welcome **Mrs. Paulie Heath**, our Campfire Director for the coming camp. ★

Meet Our Counselors

The back bone of any successful camp are the volunteer counselors. They room with the campers and provided guidance. They coordinate directly with the head counselor and the Camp director. In addition, they keep the campers on schedule and smooth out any rough spots along the way. This year's counselors include: **Miss Rebecca Krutov, Mrs. Gracie Westrick, Mr. Nathaniel Shurtleff, Mr. Max Westrick, and Mr. Caleb.** Perhaps a testimony to the success of the Camp Constitution program, several of our counselors are previous campers. Many thanks for your dedication to the program. ★

CABIN ★ INSPECTIONS

Did I read that right?

Yes there are daily cabin inspections. Obviously, the inspectors are looking for clean and tidy quarters, however, the returning campers will show you how to really rack up the points. Traditionally, the campers who most creatively capture the spirit of our camp through theme based decorations, tasteful humor, and patriotism score **big** in the contest. Make it fun! **Hint:** The inspectors are not above the occasional bribery attempt. ☺ Points from 0-10 are awarded each day for your participation in this contest. At the end of the week the cabin with the most points will get **"FREE PIZZA"** during the pizza party.

Newspaper Participation

The newspaper is looking for lecture reviews, free-time fun stories, campfire tidbits, lake-front occurrences etc. Who, what, where, how, why and when are the concepts to keep in mind as you write your stories. The newspaper always needs details on the following recurring events: Flag participants including Scripture reading and grace before meals. Also, don't forget polar bear and morning run as well as campfire participants. We also want to see direct quotes from our speakers.

Your cabin will earn 0-2.5 points each day for your submissions during the week. Your participation will require submissions from multiple campers on multiple topics. Quality, quantity, number of submitters and diversity of topics are the four criterion on which your bonus will be awarded each day. If multiple cabins cover the same topics, the Editor of the newspaper may combine the stories and weave the details but credit will be awarded whether the story is used or not. The bonus is 20% of your total points. Make sure all newspaper submissions have your name and cabin number on them so your team gets credit for the contribution. The bonus will be a running total updated daily and disclosed at the end of the week.

The newspaper bonus is often a difference maker.

Visit the news office for a list of story options or create your own. ★
