We welcome all our campers and Staff to our 16th camp at Singing Hills Christian Camp and Conference Center. ★

Welcome to our 16th Annual Family Camp and thank you for being here.

Thanks to Professor Soon's appearance on the Tucker Carlson Show, we have a number of new attendees some coming from as far as Germany, and Sweden. We also have a couple from South Africa visiting the United States for the first time, and a pastor from Uganda. We know that our veteran campers and staff will make them all feel welcomed.

In our 16 years of existence, we have been blessed with an incredible staff and instructors and this year is no exception. Returning instructors include our camp chaplain Rev. Steve Craft, Pastor David Whitney of the Institute on the Constitution, Mrs. Catherine White of the Constitution Decoded, Professor Willie Soon, and Dr. Felecia Nace who attended our 2020 camp. Our featured guest instructor, who we hope will become a regular, is Mrs. Julie Wilkinson who played the abortion nurse in the movie "UnPlanned: The Abby Johnson Story."

Mrs. Edith Craft, Roberta Stewart and Mrs. Jessica Whitworth return to teach the junior campers. Mr. Hanson returns to conduct the optional marksmanship training, and first time instructor Mr. George Dewhurst will offer an optional class in self-defense. We also have optional classes taught by first-time instructors Mr. Richard and Mrs. Olive Thomas from Cape Town, South Africa, and Mrs. Kimberly Boobyer of Florida. Mr. Kalis wears two hats, that of head counselor and recreation director. He has an excellent week planned. Our optional field trip heads out to the Precision Museum in nearby Windsor, VT. My talented wife will host a craft making class for the ladies only on Thursday afternoon.

We have a full schedule from the optional morning swim and/or run to the evening campfire. We encourage all to participate in as many events as you can. Please take plenty of pictures and make them available to Mr. Affleck, our camp newspaper editor. Blessings. ★

Julie Wilkinson

Julie Wilkinson, age 64 married 35 years to Bill, parents of three married daughters and grandparents to four. Graduated as an R.N. in 1981. Raised in an intact but quite liberal home. In 1983 after breaking up with a boyfriend, moved to Boulder, CO where a nursing school classmate and friend lived. Accepted a position as abortion assistant at a late term abortion clinic, run by Warren Hern MD. Left after about 2 years there. Experienced a heart change by the grace of God, and partly due to employment in an NICU in Denver. Married in 1987 and moved to Cheyenne. Did not share with friends my dark secret of working in the abortion industry for many years. Moved to Oklahoma in 1996. Eventually made contact with a woman who had herself managed an abortion clinic, but left the business and went on to create outreach for abortion clinic workers. Her name is Abby Johnson. I gained courage to share my sad story, in the hope it might help women rethink their plans to end their children's lives. Today I try to share my story with anyone that is interested. Had a small role in the movie "UNPLANNED" (which was filmed in Oklahoma). It is Abby Johnson's story of redemption.

My prayer is that my story may convince others that ending innocent children's lives is never the answer. ★

Mrs. Paulie Heath studied music in college and performs throughout the Northeast United States, and beyond. She has traveled to Canada, Great Britain, East Africa and Central America, sharing the Hope within her.

Paulie began singing with her family at the age of ten and has been singing ever since. By age 17, she was performing in a contemporary Christian band. After marrying Michael Heath, Paulie continued her education in music at Roberts Wesleyan College in Rochester, New York, while Michael pursued a degree in religion and philosophy.

Returning to Maine after college, Paulie's music turned to lullabies after giving birth to their sons, Dustin, Sean and Jared, over the next four years. At the time, she and Michael lived and worked at a non-profit Christian therapeutic community, assisting people who were struggling with substance abuse and/or mental illness. It was during that life-changing experience that Paulie began cutting her song-writing teeth.

Paulie has produced six recording projects. Her first full-length album, entitled "**Hymns**," was released in 1997. Signing a record contract in 1999, Heath released "**Under the Shadow**," a collection of contemporary songs she wrote. Her third release is called "**Light of Your Love**," original worship songs. Her Christmas project, "**Let Us Adore Him**," is a mix of familiar holiday carols, plus two original songs. "**Mostly What I Need Is You**" includes hymns and songs she wrote.

Paulie's sampler CD, "**Innocent Eyes**," has 15 songs, including many re-mastered songs from previous recordings. Now that the boys are grown and left home, Paulie travels wherever doors open; performing and speaking at women's conferences and other concert venues. Camp Constitution is happy to welcome **Mrs. Paulie Heath** as, our Campfire Director. ★ <https://www.paulieheath.com/>

Meet Our Counselors

CABIN ★ INSPECTIONS

Did I read that right?

Yes there are daily cabin inspections. Obviously, the inspectors are looking for clean and tidy quarters, however, the returning campers will show you how to really rack up the points. Traditionally, the campers who most creatively capture the spirit of our camp through theme based decorations, tasteful humor, and patriotism score **big** in the contest. Make it fun! **Hint:** The inspectors are not above the occasional bribery attempt. ☺ Points from 0-10 are awarded each day for your participation in this contest. At the end of the week the cabin with the most points will get **"FREE PIZZA"** during the pizza party.

Newspaper Participation

The newspaper is looking for lecture reviews, free-time fun stories, campfire tidbits, lake-front occurrences etc. Who, what, where, how, why and when are the concepts to keep in mind as you write your stories. The newspaper always needs details on the following recurring events: Flag participants including Scripture reading and grace before meals. Also, don't forget polar bear, morning run, and campfire participants. We also want to see direct quotes from our speakers. Your team should have **at least** one per day.

Your cabin will earn 0-2.5 points each day for your submissions during the week. Your participation will require submissions from multiple campers on multiple topics. Quality, quantity, number of submitters and diversity of topics are the four criterion on which your bonus will be awarded each day. If multiple cabins cover the same topics, the Editor of the newspaper may combine the stories and weave the details but credit will be awarded whether the story is used or not. The bonus is 20% of your total points. Make sure all newspaper submissions have your name and cabin number on them so your team gets credit for the contribution. The bonus will be a running total updated daily and disclosed at the end of the week.

The newspaper bonus is often a difference maker.

Visit the news office for a list of story options or create your own. ★
