*Camp Constitution
Singing Hills Campground
July 14, 2025*

Welcome to our 18th Annual Family Camp.

We expect another great camp with an excellent lineup of instructors and events. We are pleased to welcome a number of first-time campers and families to our camp. We ask our veteran campers to welcome them. In addition to our regular instructors, whose bios are in this issue, we are pleased to welcome back Mrs. Julie Wilkinson from Oklahoma who attended our 2023 camp.

We will be missing our longtime head counselor and recreational director, Mr. Chris Kalis. Earlier this year he announced his retirement from his camp duties. Mr. Kalis has been with us since 2010. He has been an important part of the success of our camp program and will be missed. He will, however, remain as a member of the camp's board of directors.

Mr. Elton Stahl will be the head counselor this year. He and his family attended our camp for the first time last year and he will be part of a camp program in Utah next year. My son-in-law Mr. Ryan Dickinson plans to become the head counselor for the years to come and will be at camp Wednesday with my daughter Kristina. Mrs. Sapphire Gimenez will take over as recreation director with Mrs. Kathy Lynch helping out as her assistant. Please give them your full cooperation.

Thank you for attending, May you all have a Blessed week as we celebrate our nation's 250th birthday. ★

Julie Wilkinson, has been married for over 35 years to her husband, Bill. They are the parents of three married daughters and have four grandchildren. Julie was raised in an intact but quite liberal home. She graduated as an R.N. in 1981. In 1983 after breaking up with a boyfriend, she moved to Boulder, CO where a nursing school classmate and friend lived. She then accepted a position as abortion assistant at a late term abortion clinic, run by Warren Hern MD. After about 2 years there she left the clinic. Partly due to new employment at a NICU in Denver, she was touched by the grace of God and experienced a change of heart.

She married in 1987 and moved to Cheyenne where she privately held her dark secret of working in the abortion industry for many years. She moved to Oklahoma in 1996 and eventually made contact with a woman who had managed an abortion clinic, but left the business and went on to create an outreach for abortion clinic workers. Her name is Abby Johnson. Julie gained the courage to share her sad story, in the hope it might help women rethink their plans to end their children's lives. Today she tries to share her story with anyone that is interested. The movie "UNPLANNED" (which was filmed in Oklahoma). Is Abby Johnson's story of redemption and Mrs Wilkinson plays a small role in the movie..

Her prayer is that her story may convince others that ending innocent children's lives is never the answer. ★

He left the active-duty Air Force in 1976 and joined the Air Force Reserves in 1977 and retired in 1990 at the rank of lieutenant colonel. His primary duties were as a navigator, but he also served as Missile Launch Officer and as an Aircraft Maintenance Officer.

In civilian life, he became a computer professional. He started as a programmer and worked his way up to becoming a systems analyst and a database administrator. He occasionally taught computer science courses as an adjunct faculty member. In that capacity, he led his systems-analysis students in a study of a computerized voting booth in 1985 and 1986. He presented his findings at a symposium in Boston on August 14, 1986, where he recommended that computerized voting equipment should have a voter-verified paper trail to ensure the computer did as the voter instructed. In October 2000, he co-wrote an article for The New American similarly warning of the dangers of Internet voting.

CABIN ★ INSPECTIONS

Did I read that right?

Yes there are daily cabin inspections. Obviously, the inspectors are looking for clean and tidy quarters, however, the returning campers will show you how to really rack up the points. Traditionally, the campers who most creatively capture the spirit of our camp through theme based decorations, tasteful humor, and patriotism score **big** in the contest. Make it fun! **Hint:** The inspectors are not above the occasional bribery attempt. ☺ Points from 0-10 are awarded each day for your participation in this contest. At the end of the week the cabin with the most points will get **"FREE PIZZA"** during the pizza party.

Newspaper Participation

The newspaper is looking for lecture reviews, free-time fun stories, campfire tidbits, lake-front occurrences etc. Who, what, where, how, why and when are the concepts to keep in mind as you write your stories. The newspaper always needs details on the following recurring events: Flag participants including Scripture reading and grace before meals. Also, don't forget polar bear, morning run, and campfire participants. We also want to see direct quotes from our speakers. Your team should have **at least** one per day.

Your cabin will earn 0-2.5 points each day for your submissions during the week. Your participation will require submissions from multiple campers on multiple topics. Quality, quantity, number of submitters and diversity of topics are the four criterion on which your bonus will be awarded each day. If multiple cabins cover the same topics, the Editor of the newspaper may combine the stories and weave the details but credit will be awarded whether the story is used or not. The bonus is 20% of your total points. Make sure all newspaper submissions have your name and cabin number on them so your team gets credit for the contribution. The bonus will be a running total updated daily and disclosed at the end of the week.

The newspaper bonus is often a difference maker.

Visit the news office for a list of story options or create your own. ★
