1. Begin with approximately four feet of Miyuki nylon beading thread. String one Miyuki 8/0 seed bead, one Miyuki Cut 8/0 Delica Bead (DBLC), and one 8/0. String 27 Miyuki 11/0 seed beads.

2. Pass through all the beads again to form a loop, exiting the second 8/0 bead.

3. Move the needle to the shorter tail of thread. Continue around the loop another one and a half times to secure. Trim excess thread.

4. Return the needle to the first thread and string one 11/0. Moving counter clockwise, skip over one 11/0 and pass through the next. This begins Peyote Stitch.
5. String one 11/0 and, moving counter clockwise, skip over one 11/0 and pass through the next.

6. Continue in this way around the loop, adding 11/0 beads, and forming the 3rd row of Peyote Stitch.

7. After adding the final 11/0 bead (14 in total) pass through the 8/0, DBLC, and 8/0 from the original loop, then exit the first 11/0 in the third row.

8. String one 8/0 and, moving counter clockwise, pass through the next slightly raised 11/0.
