3. Pass through all four beads again to reinforce. Continue through the next two beads and exit the bottom 8/0 bead.

4. String one BB, one 8/0, and one BB. Cross back through the bottom 8/0 from the first section to form a second loop.

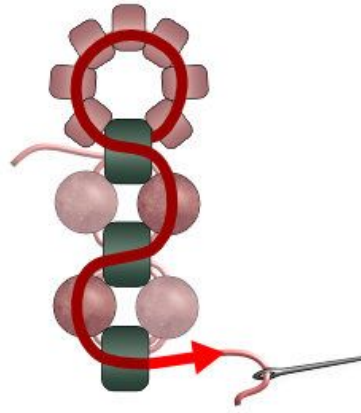

5. Pull tight to secure, the beads should now resemble a figure 8.

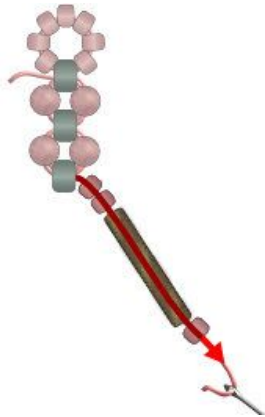

6. Moving clockwise, pass up through the next two beads exiting the top 8/0.

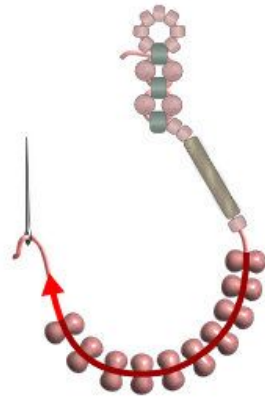

7. String seven Miyuki size 11 seed beads (11/0). Cross back through the 8/0 to form a loop.

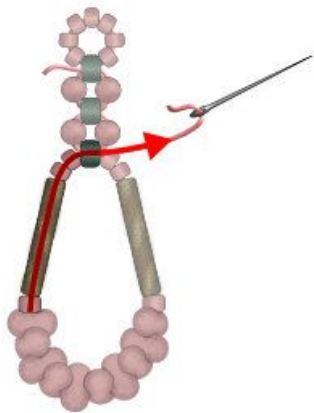

8. Pass through the 11/0 beads again to reinforce. Follow the existing thread path and travel down the length of the earring, exiting the bottom 8/0 bead.
