

MANCALA

INSTRUCTIONS

CONTENTS: Gameboard, 48 Glass Game Pieces, Instructions

OBJECT: Be the first player to clear all of the pieces from your side of the gameboard into your mancala.

SETUP:

- Each player take all 24 game pieces of one color
- Place the gameboard between you both, with the long sides facing each of you.
- The 6 cups nearest you are yours, and your scoring cup is the large cup on your right, your mancala.
- Each player places four playing pieces in each of their six (6) cups.

LET'S PLAY: Youngest player goes first. Play then alternates.

- On your turn, pick up all of the playing pieces from one cup on your side of the gameboard.
- In a clockwise direction, counting your mancala BUT not your opponent's, drop one of the playing pieces into each of the next 4 cups.
- If the last playing piece is placed into an empty cup on your own side, you may then take all of the playing pieces from your opponent's cup directly opposite that cup. Put them into your own mancala.
- During your turn, if your last piece is placed in your own mancala, you may take another turn.

TO WIN: Be the first player to clear all of the pieces from your side of the gameboard into your mancala.
