**THE SCOREPAD:**

**THE FACE OFF ROUNDS:**

1. **FACE OFF ROUND 1**
   - The player with the lowest score answers five questions, and depending on how many answers they've missed, they lose points.
   - The first player gives the answer. If the answer is correct, the player receives an advantage. If the answer is incorrect, the player loses points. The correct answer appears on the screen and is confirmed.
   - After answering, the player may choose to pass the turn to the other player. If the player passes, they lose points.

2. **FACE OFF ROUND 2**
   - The player with the lowest score answers five questions, and depending on how many answers they've missed, they lose points.
   - The first player gives the answer. If the answer is correct, the player receives an advantage. If the answer is incorrect, the player loses points. The correct answer appears on the screen and is confirmed.
   - After answering, the player may choose to pass the turn to the other player. If the player passes, they lose points.

3. **FACE OFF ROUND 3**
   - The player with the lowest score answers five questions, and depending on how many answers they've missed, they lose points.
   - The first player gives the answer. If the answer is correct, the player receives an advantage. If the answer is incorrect, the player loses points. The correct answer appears on the screen and is confirmed.
   - After answering, the player may choose to pass the turn to the other player. If the player passes, they lose points.

4. **FACE OFF ROUND 4**
   - The player with the lowest score answers five questions, and depending on how many answers they've missed, they lose points.
   - The first player gives the answer. If the answer is correct, the player receives an advantage. If the answer is incorrect, the player loses points. The correct answer appears on the screen and is confirmed.
   - After answering, the player may choose to pass the turn to the other player. If the player passes, they lose points.

5. **FACE OFF ROUND 5**
   - The player with the lowest score answers five questions, and depending on how many answers they've missed, they lose points.
   - The first player gives the answer. If the answer is correct, the player receives an advantage. If the answer is incorrect, the player loses points. The correct answer appears on the screen and is confirmed.
   - After answering, the player may choose to pass the turn to the other player. If the player passes, they lose points.

**THE FAST MONEY BONUS ROUND:**

6. **FAST MONEY BONUS ROUND**
   - The player with the lowest score answers three questions, and depending on how many answers they've missed, they lose points.
   - The first player gives the answer. If the answer is correct, the player receives an advantage. If the answer is incorrect, the player loses points. The correct answer appears on the screen and is confirmed.
   - After answering, the player may choose to pass the turn to the other player. If the player passes, they lose points.

7. **FAST MONEY BONUS ROUND**
   - The player with the lowest score answers three questions, and depending on how many answers they've missed, they lose points.
   - The first player gives the answer. If the answer is correct, the player receives an advantage. If the answer is incorrect, the player loses points. The correct answer appears on the screen and is confirmed.
   - After answering, the player may choose to pass the turn to the other player. If the player passes, they lose points.

**RULES:**

- The game consists of different rounds, each with its own rules.
- Each player answers questions, and depending on the correctness of their answers, they earn or lose points.
- The player with the lowest score at the end of the game wins.

**END OF GAME:**

- The player with the lowest score wins the game and receives a prize.
- The game ends when all rounds are completed, and the winner is determined.
