- Place the remaining cards face down in a pile all players can reach.

**LET'S PLAY:**
The youngest player goes first.
Play moves to the left.
1. Player 1, roll both dice.
2. The colored die indicates the color card you must choose.
3. The numbered die indicates which type of question you must answer.
4. If you roll "WIL," or if there are no cards face up of the color you rolled, then you may choose any color.
5. Place the card image you will use to guess and name the object, person or symbol shown.
6. The description under the image provides a hint.
7. The player to the right of Player 1 looks on the other side of the card to confirm if your answer is correct or not.
8. If your guess is wrong, your turn ends. Put the card aside and draw a new one from the pile to replace it on the "gid.

**TO WIN:**
Be the first to collect 5 cards by identifying images and correctly answering questions about them.

**ALTERNATE PLAY:**
Playing with young players, rather than using the dice, allow them to select an image from the grid and a row of 3 cards. Turn face up and answer any one of the 3 questions on the back.
