SIGNIFICANCE This property is significant under National Register criterion A, for its association with early Euroamerican settlement in the Pacific Northwest and the Donation Land Claim Laws, in the period between 1850 and 1870. This property is also significant under National Register criterion A, for its association with agricultural land use patterns first established during the period of early settlement in the 1850s. It retains integrity of location, setting, materials, design, workmanship, feeling and association.

Cook. Personal Interview. September 1983.

CONTINUED: and the North Coast Development Co. who use it as rental property. The current renter and local roofer, Barry Burton, states that investigation of interior building materials indicates a c. 1900 addition to the SW corner of the original structure, and a pre-1930 U-shaped addition on the NW corner.
