

## [PATIENT OUTREACH SOLUTION] Seamlessly Outsource Your Outbound Patient Communication and Recare Efforts

**All too often, dental practices are faced with overwhelming inbound call volume and limited staff bandwidth that prevent managers from dedicating the necessary resources to patient outreach.** To help bridge this gap, Call Box provides a comprehensive patient outreach solution for healthcare practices that need expert assistance in managing outbound calling efforts. Discover how Call Box can support your efforts to recapture patients with outstanding treatment plans, missed appointments, waitlisted patients, or other custom outreach projects!
