

# Assumption Questions

## June 2008, Prep Test 54, Sec II

- 2 (Necessary): correct answer is E.
- 6 (Necessary): correct answer is C.
- 9 (Necessary): correct answer is A. The negation of A:  
“ALL of the museum’s employees are paid significantly more than the minimum wage.”
- 13 (Sufficient):
- $\sim\text{OPC} \rightarrow \text{EGB}$

---

$\sim\text{BQ} + \sim\text{LP} \rightarrow \text{EGB}$

Correct answer is  $\sim\text{BQ} + \sim\text{LP} \rightarrow \sim\text{OPC}$ , or answer choice B.

# Assumption Questions

June 2008, Prep Test 54, Sec II

- 26 (Sufficient):
- GOB → PDO leads us to the correct answer, D.

# Assumption Questions

## June 2008, Prep Test 54, Sec III

- 3 (Necessary, and not covered in video): The conclusion has a strong word (“any”), so the “any” in the correct answer, A, is justified.
- 7: (Necessary): The correct answer is D.
- 18: (Necessary): The evidence is all about the “mass audiences” and the correct answer, C, is the only one that connects “mass audiences” to “maximizing profits.” E is incorrect because the argument is not about what a studio’s goal should be. The conclusion of the argument is “If a studio’s goal is to maximize profits....”
- 22: (Sufficient): Answer is B.
- 24 : (Necessary). If answer choice E were not true, and almost 60, or more than 60, new buildings were built, the argument falls apart.
