

Data from Definitive Healthcare Based on Medicare Data from Centers for Medicare and Medicaid Services (CMS)

ICD-10 Code	Code Description	# Claims	Default Clinical Category
Z5189	Encounter for other specified aftercare	222,500	Return to Provider
M6281	Muscle weakness (generalized)	171,034	Return to Provider
J189	Pneumonia, unspecified	153,005	Pulmonary
N390	Urinary tract infection, site not specified	148,513	Acute Infection
Z471	Aftercare following joint replacement	112,734	Major Joint Replacement or Spinal Surgery
I509	Heart failure, unspecified	95,559	Cardiovascular and Coagulations
I10	Essential (primary) hypertension	83,903	Return to Provider
A419	Sepsis, unspecified organism	69,745	Acute Infection
R531	Weakness	60,218	Return to Provider
I639	Cerebral infarction, unspecified	58,327	Acute Neurologic
Z4789	Encounter for other orthopedic aftercare	57,416	Orthopedic Surgery (Except Major Joint Replacement or Spinal Surgery)
J449	Chronic obstructive pulmonary disease, unspecified	82,459	Pulmonary
J441	Chronic obstructive pulmonary disease with (acute) exacerbation	65,257	Pulmonary
R4182	Altered mental status, unspecified	50,331	Return to Provider
I4891	Unspecified atrial fibrillation	47,979	Cardiovascular and Coagulations
S72001D	Fracture of unspecified part of neck of right femur, subsequent encounter for closed fracture with routine healing	32,819	Orthopedic Surgery (Except Major Joint Replacement or Spinal Surgery)
R262	Difficulty in walking	38,503	Return to Provider
S72002D	Fracture of unspecified part of left femur, subsequent encounter for closed fracture with routine healing	32,087	Orthopedic Surgery (Except Major Joint Replacement or Spinal Surgery)
N179	Acute kidney failure, unspecified	39,654	Medical Management
R55	Syncope and collapse	36,153	Medical Management
K922	Gastrointestinal hemorrhage, unspecified	40,595	Return to Provider
N186	End stage renal disease	37,705	Medical Management
Z9181	History of falling	29,321	Return to Provider
Z4889	Encounter for other specified surgical aftercare	27,886	Return to Provider
G20	Parkinson's disease	37,883	Acute Neurologic
L03115	Cellulitis of right lower limb	25,300	Acute Infection

Data from Definitive Healthcare Based on Medicare Data from Centers for Medicare and Medicaid Services (CMS)

F0390	Unspecified dementia without behavioral disturbance	62,973	Medical Management
S72142D	Displaced intertrochanteric fracture of left femur, subsequent encounter	20,541	Orthopedic Surgery (Except Major Joint Replacement or Spinal Surgery)
I214	Non-ST elevation myocardial infarction (NSTEMI)	26,844	Cardiovascular and Coagulations
L03116	Cellulitis of left lower limb	22,838	Acute Infection
R5381	Other malaise	23,712	Return to Provider
Z48812	Encounter for surgical aftercare after circulatory surgery	24,659	Medical Management
J690	Pneumonitis due to inhalation of food and vomit	25,102	Pulmonary
Z48815	Encounter for surgical aftercare after digestive surgery	24,603	Medical Management
G9340	Encephalopathy, unspecified	25,585	Acute Neurologic
S72141D	Displaced intertrochanteric fracture of right femur, subsequent encounter	19,585	Acute Neurologic
I2510	Atherosclerotic heart disease of native coronary artery without angina pectoris	29,353	Cardiovascular and Coagulations
A0471	Enterocolitis due to Clostridium difficile, recurrent	22,946	Acute Infection
J9601	Acute respiratory failure with hypoxia	22,379	Pulmonary
R296	Repeated falls	20,844	Return to Provider
J9600	Acute respiratory failure, unspecified	18,556	Pulmonary
G9341	Metabolic encephalopathy	19,755	Acute Neurologic
E119	Type 2 diabetes mellitus w/o comp.	31,280	Medical Management
I5033	Acute on chronic diastolic (congestive) heart failure	18,893	Cardiovascular and Coagulations
I69354	Hemiplegia and hemiparesis following cerebral infarction, left side	15,368	Acute Neurologic
I69351	Hemiplegia and hemiparesis following cerebral infarction, right side	14,702	Acute neurologic
G309	Alzheimer's disease, unspecified	45,285	Medical Management
R627	Adult failure to thrive	17,333	Return to Provider
D649	Anemia, unspecified	17,446	Medical Management
G459	Transient cerebral ischemic attack, unspecified	15,500	Medical Management
