Fourth Sealed Bid Mail Auction

CLOSING DATE: APRIL 20, 1978

TERMS OF SALE

To give all bidders an equal opportunity, bids will not be opened until the closing date of the sale. In other words, we will not know ourselves, and therefore cannot reveal, where the high bid is until the sale is over. To help us segregate bids from our regular mail, we are providing envelopes for use only for the mail bid sale. Please mark any other envelope you may use on the outside so we can know it is a bid. Skeptics are invited to inspect the unopened bids up to the closing date.

Bids must be in writing and postmarked no later than April 17, 1978. We will be pleased to discuss and further describe any of the notes by phone, but we must insist that telephone bids be confirmed in writing before the deadline. Bids will be opened April 20, 1978.

1. Each lot will be sold to the highest bidder unreserved at a slight advance over the next highest bid. In the event of identical mail bids, the earliest postmarked will receive the lot.
2. As in all legitimate auctions, the second highest bidder will set the price. Up to the \$1,000.00 level, advances will be 10% with \$50.00 maximum. At \$1,000.00 and over, advances will be 5%. This method will permit a bidder to make a liberal bid with the assurance that his bid will be reduced to the indicated amount above the next highest bid.
3. All lots are guaranteed genuine and as described. Please be sure you are bidding the correct amount on the proper lot.
4. All successful bidders must remit payment immediately upon receipt of the invoice and/or lots. The cost of postage and insurance will be added to the invoices of successful mail bidders. Lots delivered in Iowa are subject to State Sales Tax of 3% unless a resale number is given. Terms are available, see your bid sheet.
5. Only signed, written bids are acceptable.
6. All photographs are of the actual lots being sold.
7. Prices or estimates given reflect the opinion of the cataloger as to what the lots should bring. Higher rather than lower valuations are expected to prevail.
8. Alternate bids are acceptable.

Lots will be available for viewing in Iowa City, Iowa, by contacting Dean Oakes, (319) 338-1144 or by writing c/o of Box 1456, Iowa City, Iowa 52240, until the day before the sale closes.

A FEW WORDS ABOUT THE ESTIMATES

Cataloging these great notes has been a real pleasure. We must confess, however, that estimating the value has been difficult. In the end, your own judgment is the primary consideration. Bid what the note is worth to you. If you bid all you want to pay, whether you are successful, or unsuccessful in getting the note, you will feel better. You won't feel badly seeing the note offered for more later if you've already made your best offer. If you are successful, you will know that your appreciation of the note translated into more dollars than anyone else's. Good luck.

INTRODUCTION

Welcome to our fourth sealed bid mail auction. We are very encouraged by the wide support we have received from both buyers and sellers. We have received many compliments on the fairness of this method of handling Nationals. One prominent dealer who consigned his best notes to us remarked that: "I wish I were doing what you are doing."

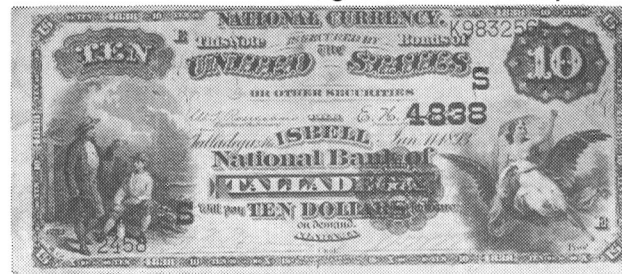

For this sale we have well over a dozen consigners and notes from every state. The highlight of this sale will surely be a \$5. 1875 Montana Territorial, never previously offered for sale, that is a truly spectacular specimen. This note has to be seen to be believed. Absolutely vivid and sharp and worth whatever it costs.

We feel that this sale has something for every taste and price. A nice selection of circulated third charter and 1929 notes are listed throughout the catalog as well as some fancy titles and towns.

Make your selection, bid all that you want to pay, and be assured that you will be treated fairly and that you are contributing to the true value of these notes whether you are successful or not. Happy Hunting.
