by HICKMAN-OAKES

**HICKMAN-OAKES**  
**10th Mail Bid Auction**  
CLOSING DATE: APRIL 10, 1980

## CURRENCY SALE

## INTRODUCTION

Welcome to our tenth sealed bid auction. This sale includes the remainder of the 'oat bin' notes, as well as a fine assortment of better notes from most areas of the country. The highlight lot is the superlative Wisconsin black charter note, sure to create considerable interest.

Our Memphis sale was such a great success that we are convinced that no better opportunity for offering paper money is presently available than the International Paper Money Convention coming up again in June. Since NASCA has the auction this year, we have made special arrangements to make available to our clientele the same auction terms so well publicized in many publications. We will catalog the notes and make full settlement on any lots consigned to us for this sale. We must adhere to an average valuation of \$200 for this sale, however, and ask that this figure be kept in mind. We must also request that you act immediately, since time is running short and the lots must be in our hands during March. We consider this the best opportunity we can offer to realize the genuine market for paper money.

Many of the notes herein are seldom available, and we wish you all - Happy Hunting!

Dean and John

## TERMS OF SALE

To give all bidders an equal opportunity, bids will not be opened until the closing date of the sale. In other words, we will not know ourselves, and therefore cannot reveal, where the high bid is until the sale is over. To help us segregate bids from our regular mail, we are providing envelopes for use only for the mail bid sale. Please mark any other envelope you may use on the outside so we can know it is a bid. Skeptics are invited to inspect the unopened bids up to the closing date.

Bids must be in writing and postmarked no later than April 7, 1980. We will be pleased to discuss and further describe any of the notes by 'phone, but we must insist that telephone bids be confirmed in writing before the deadline. Bids will be opened April 10, 1980.

1. Each lot will be sold to the highest bidder unreserved at a slight advance over the next highest bid. In the event of identical mail bids, the earliest postmarked will receive the lot.
2. As in all legitimate auctions, the second highest bidder will set the price. Up to the \$1000 level, advances will be 10% with \$50.00 maximum. At \$1000.00 and over, advances will be 5%. This method will

permit a bidder to make a liberal bid with the assurance that his bid will be reduced to the indicated amount above the next highest bid.

3. All lots are guaranteed genuine and as described. Please be sure you are bidding the correct amount on the proper lot. Only signed, written bids are acceptable.
4. All successful bidders must remit payment immediately upon receipt of the invoice and/or lots. The cost of postage and insurance will be added to the invoices of successful mail bidders. Lots delivered in Iowa are subject to State Sales Tax of 3% unless a resale number is given. Terms are available; see your bid sheet.
5. All photographs are of the actual lots being sold.
6. Prices or estimates given reflect the opinion of the cataloger as to what the lots should bring. Higher rather than lower valuations are expected to prevail.
7. Alternate bids are acceptable.
8. GRADING--The standard grades are used as outlined below. An overall grade is given to take into consideration the note's appearance. A grade of F/VG means that the reverse of a note is not as nice as the face of the note. A grade of VG-F is a grade for the complete note. Such defects as margin tears, pin holes, stains, abrasions, or other appearance are not mentioned in grades of Fine and below, unless, in the cataloger's opinion, it affects the value of the note enough to make mentioning necessary. In other words, a very valuable note will have a more complete and detailed description than a note, say, not even worth double face. In notes grading VF and above, we will try to mention, within reason, all unusual defects such as named above. As a condition to your bids you may wish to say that you do not wish any lots that might contain a pin hole or whatever.
9. If you receive a note by mail that you feel you should return for any reason, you may do so, if within 3 days of receipt and you state your reason for dissatisfaction. If it is a grading problem, please state the grading guide that you are using (if you are) to support your position. We are firm believers in 'Satisfaction Guaranteed', and we intend that you be satisfied. If we make an error, we want to know about it.
10. We reserve the right to reject any bid of 50% of estimate or less, or any bid of less than 15% over face.

Lots will be available for viewing in Iowa City, Iowa, by contacting Dean Oakes, (319)338-1144 or by writing c/o Box 1456, Iowa City, Iowa 52240, until the day before the sale closes.

- 375 \$5 1875 The Kellogg National Bank of Green Bay 2132 AU  
Fr.-403. Black charter number. A spectacular note for both rarity and condition and the highlight of this sale. the finest of only two known specimens from Wisconsin, where the Kellogg was the only issuing bank of this type. All notes of this type are rare, the most common being the Central City, Colorado Territory. This beauty is greatly enhanced by vivid black signatures of H.B. Baker and W.J. Fisk V. and virtually flawless condition. From the great Donlon collection sale of May, 1971, where it was described as 'About New, minor fold visible on back. Est: \$1500.' We hesitate to estimate how much this great note will realize on today's market, but in view of other realizations currently, five times the 1971 estimate, or \$1700, would not be unrealistic.

We are extremely pleased with the number of you that received catalogs that honored us with a bid . It is also significant that over one third of the 300 plus bidders received at least one lot.

A new record price for a Black Charter number National was achieved with the winning bid of \$10,000.00 for lot 375. The note went back to its home state.

If you are a subscriber of ours you will receive as part of your subscription a copy of the N.A.S.C.A. sale catalog for the Memphis Paper Money sale. It will be mailed from New York.

Again , our thanks to you for allowing us another great sale. Next one is planned for early fall and we need lots at the Memphis show so we can show them at the A.N.A.

Thank You - John & Dean
