## INTRODUCTION

Welcome to our fifteenth mail auction. Once again, we are pleased to offer our clientele a varied selection of scarce, common and rare notes from most areas of the country. Most of you may know that we have been awarded the auction for the Memphis International Paper Money Convention next June. This event is now well established as the paper money highlight of the year. It is not too soon to start planning for this great event.

We are pleased to announce that we will make this commitment to whoever comes forward with a major collection for this sale. We will protect the material assigned to us in this way: We will not accept identical or similar material from others that will directly compete with the material consigned to us by the first major consignor who commits his material to this auction. As in the past, we have always wished for a major 'name' collection to build our auction around, so we say very plainly, if we can obtain a commitment for a major collection of United States paper money, we honestly cannot imagine a better opportunity to realize the top of the actual market than through the auction we plan for next June. We also plan a spring auction, so we can, if necessary, offer any similar portions of the collection at that time. We urge you to give this opportunity serious consideration. Let us hear from you.

We also wish to thank those of you who have provided data for our book project. Your help has been very valuable and is deeply appreciated.

We hope you will all find notes herein that will bring you closer to your present objective and enhance your collection.

As always, we wish you all - Happy Hunting!

Dean and John

To help us segregate bids from our regular mail, we are providing envelopes for use only for the mail bid sale. Please mark any other envelope you may use on the outside so we can know it is a bid. ## LARGE SIZE U.S. TYPE NOTES

Following are a few select pieces of Unc. type notes, plus attractive serial numbers. Also offered are a good selection of type notes in circulated grades.

### U.S. NOTES

- 461 F16 Series 1862 \$1. A clear About VF note, the obverse has good margins with light folds noticeable; the reverse has a couple of noticeable fold marks with about average centering. A couple of margin nicks are noted. A pleasing note for collection. Est: \$75
- 462 F18 \$1 Series 1869. Green and red color is quite vivid on this scarcer note that has had some light stain in left central part of note. Looks like it was in papers that became damp and ink from old papers went onto note. A couple of obverse tears at top margin, one a 1/2" on this otherwise Fine note. Est: \$90
- 463 F20 \$1 Series 1875, scarce and \$1 1917 F36 in Fine +, 2 pcs. Est: \$60
- 464 F28 \$1 Series 1880 Large Brown Seal. Even circulation on this VG-F note. Est: \$35
- 465 F30 \$1 Series 1880 Large Brown Seal. Light teller handling on right end noted on this otherwise Uncirculated note. Est: \$250
- 466 F37 \$1 1917 2 pc, one VF, one VF+, pressed, looks better. 2 pcs. Est: \$60

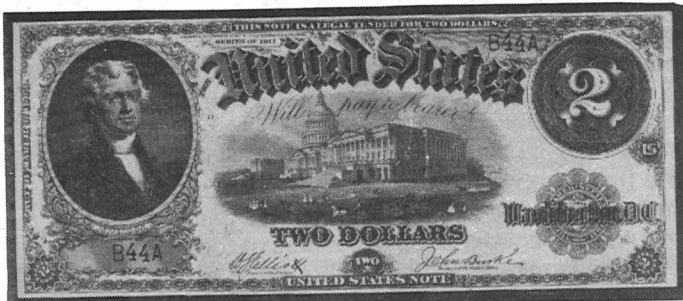

- 467 F37 \$1 1917 Crisp Unc. The note that has it all: serial #, margins and condition. Choice. Est: \$350
- 468 F36 VF-XF, F37 VF heavy folds, F38 three light folds XF. All 3 pcs are natural notes with natural crispness. A buy at \$100
- 469 F39 \$1 1917 last of issue. Crisp Unc. Hard to beat, slightly off center but original Unc with a lot of + + +. Est: \$165
- 470 F36 \$1 1917 VF and \$2 F60 Fine, 2 pcs. Est: \$40

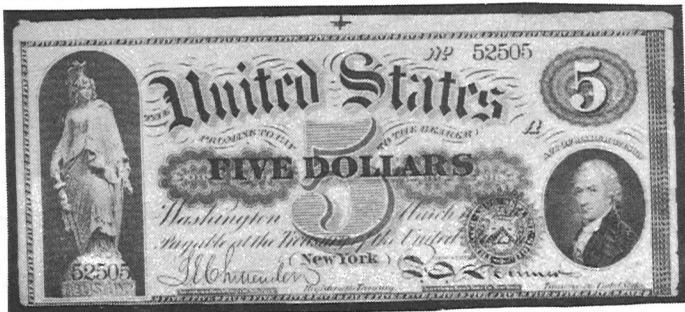

## TWO DOLLAR LEGAL TENDER NOTES

- 471 F41 \$2 1862. A full, honest VG, a couple of tears at bottom margin, the other three margins full with square corners. Est: over catalog at \$85
- 472 F42 \$2 1869. A small unnoticeable 1/4" tear into top margin detracts from this otherwise evenly circulated VG note. Est: \$100

- 473 F58 \$2 1917 Crisp Unc. A choice note with low serial #44, exceptional condition, color and centering on both sides. Est: \$350
- 474 F58 \$2 1917 Uncirculated, square corners. A light stain in top left corner detracts from value and overall bold appearance. Est: \$175
- 475 F60 \$2 1917 VF + . Two way fold hardly shows either side. Est: \$40
- 476 F57 \$2 1917 VF. Light stain in portrait area. Est: \$30
- 477 F60 \$2 1917 XF A couple of faint folds; looks Unc. Est: \$60
- 478 F60 \$2 1917 AU-UNC. Light rounded fold in middle keeps out of Unc. class. Very sharp appearing. A couple of slightly rounded corners. Est: \$100
- 479 F60 \$2 1917. One VG Star, plate 626/206, scarce; and one regular F-VF. Est: \$50
- 480 F60 \$2 1917 AU, tight bottom margin. Est: \$75

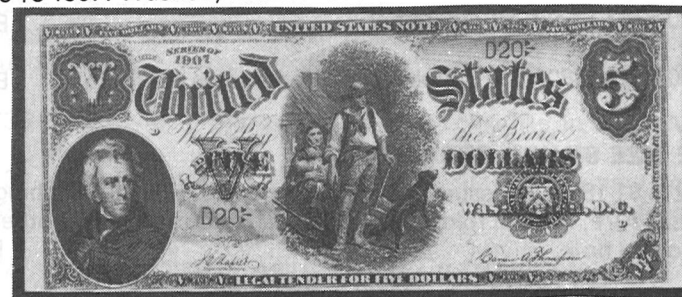

## \$5, \$10, \$20 LEGAL TENDER NOTES

- 481 F63a \$5 1863. A keepsake note with added top margin, large top right corner fold with a little split in margin, rounded corners and lower margin shows handling. Three sets of pinholes in center of note. No folds or evidence of normal circulation. Full crispness and brightness of Unc note, but can't call it over AU. Est: \$350-\$400

- 482 F73 \$5 1880. Blue serial numbers, large Red Seal, very striking. Crisp Unc note. Tips of corners show some rounding. Note illustrated in Donlon's large size book as X 105-8 to 105-15 design. Est: \$500-\$600
- 483 F84 \$5 1907. Fine with good body. Est: \$30
- 484 F85 \$5 1907. Washed, faded F-VF. Est: \$40

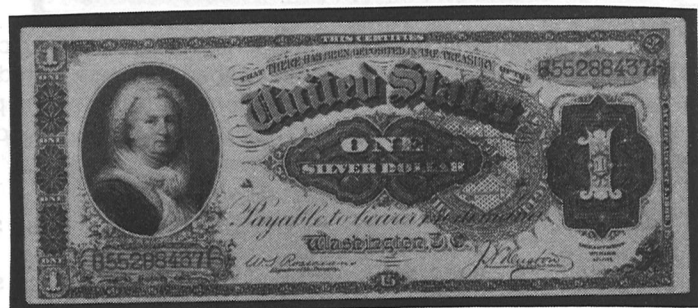

- 485 F86 \$5 1907. An exceptional note with low serial #20 in Crisp Unc condition. Ex-Donlon, average centering. Tiny paper clip mark noted on reverse top margin. Very scarce in all conditions. A prize for the person collecting all the signatures of 1907 series or as an exceptional type note. Friedberg catalogs it at \$1500.
- 486 F87 \$5 1907. Bright AVF. Est: \$45
- 487 F91 \$5 1907. 2 pcs. Fine and VF/XF. Est: \$75
- 488 \$10 F95a XF. Like the F63, a keepsake note and looks as though it was pinned to the five. This note has better centering, but has had more handling and counting shows at both ends. Although it has only one fold through the note, it has corner folds and small tears in top margin. Paper aging probably accounts for the light tint of paper. Original crispness still evident. Hard to estimate. \$400

- 489 \$10 F111 1880 VG. Honest, even wear. Est: \$50
- 490 \$10 F113 1880 VG, washed to remove dirt; looks better than above note. Value to you?
- 491 \$10 F113 1880 VF. A couple of pinholes, good edges. Est: \$125
- 492 \$10 F115 1901 Bison note, Fine. Est: \$75
- 493 \$10 F122 1901 Bison note, About Fine. Est: \$65
- 494 \$20 F147 1880 Fine, washed. Popular type. Est: \$50
- 495 \$20 F147 1880 F-VF. In demand. Est: \$100
- 496 \$20 F147 1880 VF + . Looks AU, but the folds are there! Est: \$200

### LARGE SIZE SILVER CERTIFICATES

- 497 F215 \$1 1886. 1st issue of Silver Certificates. Martha Washington portrait. AVF, several folds and faded seal detract from this otherwise XF looking note. Est: \$100

- 498 F219 \$1 1886 Large Brown Seal. Crisp Unc. Slight rounding of corners and counting smudge at right end detract slightly. The reverse has a blue tint to green area above and below large 1. Unusual; must have occurred after note was printed as the rest of the reverse is vivid green. Est: \$500

- 499 F224 \$1 Educational VF. Three heavy vertical folds show on reverse; front looks Unc. Est: \$150

- 500 F224 \$1 pair of Educational notes. Consecutive notes, this lot and the next. VF/XF downgraded for 5 little rust spots that show on obv. Est: \$175

- 501 F224 \$1 XF. D note off the same sheet as above note. Large bottom margin. Three light, unnoticeable folds. Est: \$225

- 502 \$1 F-VF. Edges show some handling and corners are rounded, but a very collectable note. Est: \$100

- 503 F229 \$1 Eagle note. Crisp Unc. with solid 9's in the serial #. Vivid and bright. Slight natural wave of paper and numerals are bold to the touch. An untouched original note. Est: \$300

- 504 F236 \$1 Eagle. XF + with good crispness. Looks like an Unc. Worth \$75

- 505 F237 \$1 Washington. A couple of folds, otherwise a new note. Very crisp XF. Est: \$25-\$30

- 506 F237 \$1 Washington. A well centered, Crisp Unc note. Est: \$50-\$60

- 507 F237 \$1 Cut sheet of 4 Washington notes. Centering runs a little close at top left on these E, F, G, & H plate notes. These notes are right out of an old pack, as they are so fresh and new; no handling noted. Notes of this quality in cut sheets usually bring \$300-\$400

- 508 F237 \$1 Star, XF. Always a nice addition to any collection, and especially this note. Fresh, folded Unc. Really vivid. Est: \$80 +

- 509 F238 \$1 VF + . Woods-White sigs. Est: \$20-\$25

- 510 F237 \$1 XF and F238 VF, both attractive. 237 has been wet, but no detractors. 2 pcs. Est: \$50

- 511 F241 \$2 1886 VG. No detractors, just good even circulation. Rather scarce. Est: \$100

- 512 F246 \$2 1891 VF. The scarce 'Windom' note, and as hard as any \$2 Silver Certificate type to locate. Est: \$250

- 513 F247 \$2 1896 Educational, Unc. A note I can find little fault with, except one pin hole at right bottom margin and a partial bend in paper above it, maybe from being folded with several other papers, and maybe stapled to papers, but only the one hole caught the note. Crisp, well centered and bright. Est: \$2000 +

- 514 F249 \$2 1889. 1st issue of this \$2 series and a bright above average Unc. note. Probably was once part of a reconstructed cut sheet, as this 'A' plate note has ripples along the bottom margin, not detracting from overall sharp attractiveness of note. Est: \$350

- 515 F263 \$5 1886 XF Large Brown Seal, Silver Dollar note. Reverse has been washed and pressed without apparently detracting from the overall appearance. It lacks the brightness and freshness of a natural note, but would display like an AU. Worth to you \$750-\$900?

- 516 F267 \$5 1891 XF, pressed, with a center fold barely visible. The plain reverse. Obverse same as above Grant note. Est: \$275

- 517 F268 \$5 1896 XF + /VF. This note has good body, yet someone years ago chose to wash the back especially hard, detracting from the vividness of the green ink. A fold line shows on the reverse about 3/4" in from left end. The right serial number is lighter than it should be; otherwise the black obverse and red seal are bright. A hard note to estimate, very nice obverse. Should sell for over \$500

- 518 F269 \$5 1896 Unc. Trimmed at top margin into design and top design line trimmed away most of the way across top. Other margins are okay. Certainly a cheaper version of the \$6000 CU Educational. Again, the buyer sets the price. You're getting 98% of a CU at less than 50% of the price, maybe 40% or \$2500

- 519 F271 \$5 1899 Indian note, VG + . Good margins. Est: \$60

- 520 F274 \$5 1899 Indian Chief note, Fine with blue ink on l.r. corner tip. Est: \$75

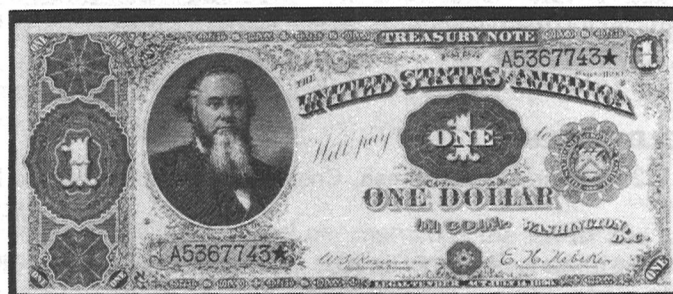

- 521 F282 \$5 Lincoln VF-F, 1923 one year issue. A very popular note. Reverse has a couple of little skinned spots near top middle, hardly noticeable. Probably will exceed \$150

- 522 F288 \$10 1880. A very pleasing note. Full XF-AU, downgraded for 3 or 4 light brown spots that hardly detract from overall appearance. Nice even borders. No really noticeable folds except at corners. Notes like this were selling at \$2000. Now, I'd guess you can own it for half that amount.

- 523 F298 \$10 1891 VG. Good honest wear, no bad edges or tears. Est: \$70-\$80

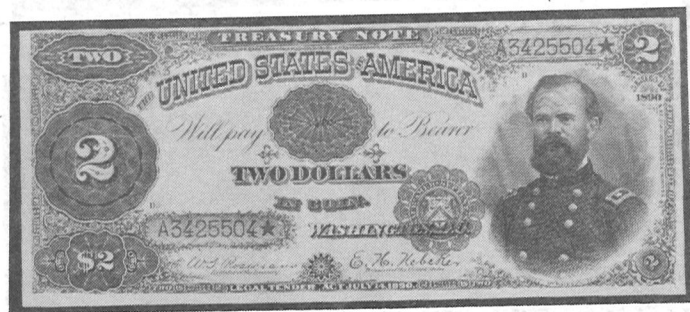

- 524 F299 \$10 1891 VG-F. Better color than above note, but same type. Est: \$100

#### \$1 and \$2 COIN NOTES

- 525 F349 \$1 1890, AU. Good margins and color, just a faint center fold from Unc. Very elaborate engraving on reverse of this series. Est: \$950

- 526 F353 \$2 1890. AU-Unc, but light counting marks at right end and top left corner fold keep it from any better grade. Good margins and crispness: Est: \$1500-\$1750

### FEDERAL RESERVE NOTES

- 527 F710 \$1 Boston, XF. Three folds noted on rev.; obv. looks Unc. Est: \$60
- 528 F713 \$1 New York, VF. Three heavy folds on rev.; obv. better. Est: \$45
- 529 F737 \$1 Kansas City, Fine/VG. Est: \$25
- 530 F855 \$5 Philadelphia Blue Seals. VF-XF nice bright crisp notes. 2 pcs. Est: \$50

- 532 F882 \$5 Kansas City F-VF. 1 pc. Est: \$25

- 535 F1005 \$20 Dallas, AU. One fold noticeable on rev. center. Est: \$75

### U.S. GOLD NOTES

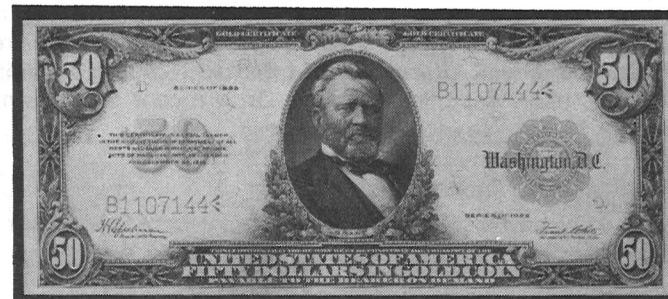

- 536 F1172 \$10 Series 1907. Fresh, Crisp XF. A note that has to be worth about \$100
- 537 F1173 \$10 Series 1922. Crisp AU. Light horizontal fold, faintly, across note. Est: \$150
- 538 F1173 \$10 Series 1922, Star. VG. Scarce. Est: \$50

- 539 F1178 \$20 Series 1882, XF+. A couple of light folds and a corner fold noticeable on this otherwise Unc. looking note. Good red and gold color. Bust of James Garfield obv. Rev., eagle with 'Ocean Telegraph' in claws commemorating completion of the Atlantic cable. Could get near \$600

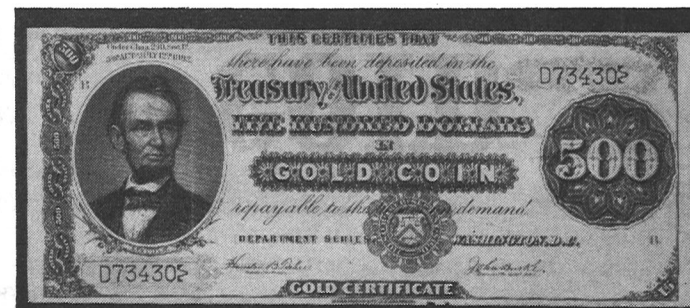

- 540 F1181 \$20 Series 1906, AVF. Est: \$75

- 541 F1187 \$20 1922 Series, VF-XF. Est: \$60

- 542 F1187 \$20 1922, AU. A little handling along top border keeps it from Unc., although it looks it. Est: \$150

- 543 F1200 \$50 Series 1922. An AU note with top left corner fold and middle fold showing on rev. Light handling noted, good color. Est: \$300-\$400

- 544 F1216A \$500 Series 1882, VF/F. Obverse hardly shows the folds that are worn on the reverse. A couple of ink spots at bottom edge, middle (note photo). Good margins and edges. A note undoubtedly carried for prestige by a previous owner. Scarce. Est: \$1250

### Uncut Pairs & Sheets

- 545 \$2 1928F Crisp Unc. Uncut vertical pair. Nice full margins, except top, which is a little uneven. Quite scarce, as very few uncut sheets have been so divided, which is the only way you can get a pair. Est: \$150
- 546 \$5 1928F Uncut vertical pair similar to above. Even margins, Crisp Unc. Excellent for framing. Est: \$150-\$175
- 547 \$5 1934D Silver Certificate sheet of 12. Small stamp hinge remains on top edge of sheet. Unframed, but matted, ready for framing. Bright blue inks really set this sheet off. On a recent sale, a similar sheet brought \$3750. We estimate this one at \$3500

#### FRACTIONAL SHIELD

- 615 Gray fractional currency shield in modern black frame. This shield has been cut across the border through the middle of the shield and again up the middle from the bottom to middle. The cutting was done skillfully, and in the black printed ribbon running in both directions on the shield. When tight in frame, cutting is not really noticeable. No notes are affected. There is a stain or heavy spot on the right of center 15° pair of specimens. Usual water stains are noticeable on the borders of the top of the shield. Still very attractive. Est: \$1250

Bids must be in writing and postmarked no later than November 20, 1981, or received no later than Nov. 24, 1981. We will be pleased to discuss and further describe any of the notes by 'phone, but we must insist that telephone bids be confirmed in writing before the deadline. Bids will be opened November 24, 1981.

- Each lot will be sold to the highest bidder unreserved at a slight advance over the next highest bid. In the event of identical mail bids, the earliest postmarked will receive the lot.
- As in all legitimate auctions, the second highest bidder will set the price. Up to the \$1000 level, advances will be 10% with \$50.00 maximum. At \$1000.00 and over, advances will be 5%. This method will permit a bidder to make a liberal bid with the assurance that his bid will be reduced to the indicated amount above the next highest bid. In cases where only one bid is received, the estimate will be used as the underbid.
- All lots are guaranteed genuine and as described. Please be sure you are bidding the correct amount on the proper lot. Only signed, written bids are acceptable.
- All successful bidders must remit payment immediately upon receipt of the invoice and/or lots. The cost of postage and insurance will be added to the invoices of successful mail bidders. Lots delivered in Iowa are subject to State Sales Tax of 3% unless a resale number is given. Terms are available; see your bid sheet.
- All photographs are of the actual lots being sold.
- Prices or estimates given reflect the opinion of the cataloger as to what the lots should bring. Higher rather than lower valuations are expected to prevail.
- Alternate bids are acceptable.
- GRADING**--The standard grades are used as outlined below. An overall grade is given to take into consideration the note's appearance. A grade of F/VG means that the reverse of a note is not as nice as the face of the note. A grade of VG-F is a grade for the complete note. Such defects as margin tears, pin holes, stains, abrasions, or other appearance are not mentioned in grades of Fine and below, unless, in the cataloger's opinion, it affects the value of the note enough to make mentioning necessary. In other words, a very valuable note will have a more complete and detailed description than a note, say, not even worth double face. In notes grading VF and above, we will try to mention, within reason, all unusual defects such as named above. As a condition to your bids you may wish to say that you do not wish any lots that might contain a pin hole or whatever.
- If you receive a note by mail that you feel you should return for any reason, you may do so, if within 3 days of receipt and you state your reason for dissatisfaction. If it is a grading problem, please state the grading guide that you are using (if you are) to support your position. We are firm believers in 'Satisfaction Guaranteed', and we intend that you be satisfied. If we make an error, we want to know about it.
- We reserve the right to reject any bid of 50% of estimate or less, or any bid of less than 15% over face.

Lots will be available for viewing in Iowa City, Iowa, by contacting Dean Oakes, (319)338-1144 or by writing c/o Box 1456, Iowa City, Iowa 52240, until the day before the sale closes.
