NINETEENTH SEALED BID MAIL AUCTION

Lot No. 2

Lot No. 456

CLOSING DATE: MARCH 30, 1983

TERMS OF SALE

To give all bidders an equal opportunity, bids will not be opened until the closing date of the sale. In other words, we will not know ourselves, and therefore cannot reveal, where the high bid is until the sale is over. To help us segregate bids from our regular mail, we are providing envelopes for use only for the mail bid sale. Please mark any other envelope you may use on the outside so we can know it is a bid. Skeptics are invited to inspect the unopened bids up to the closing date.

Bids must be received by us on or before March 30, so to insure your efforts are not wasted, mail the bid early. We will be pleased to discuss and further describe any of the notes by phone, but we must insist that telephone bids be confirmed in writing before the deadline. Bids will be opened March 30, 1983.

- Each lot will be sold to the highest bidder unreserved at a slight advance over the next highest bid. In the event of identical mail bids, the earliest postmarked will receive the lot.
- As in all legitimate auctions, the second highest bidder will set the price. Up to the \$1000 level, advances will be 10% with \$50.00 maximum. At \$1000 and over, advances will be 5%. This method will permit a bidder to make a liberal bid with the assurance that his bid will be reduced to the indicated amount above the next highest bid. In cases where only one bid is received, the estimate will be used as the underbid.
- All lots are guaranteed genuine and as described. Please be sure you are bidding the correct amount on the proper lot. Only signed, written bids are acceptable.
- All successful bidders must remit payment immediately upon receipt of the invoice and/or lots. The cost of postage and insurance will be added to the invoices of successful mail bidders. Lots delivered in Iowa are subject to State Sales Tax of 3% unless a resale number is given. Terms are available; see your bid sheet.
- All photographs are of the actual lots being sold.
- Prices or estimates given reflect the opinion of the cataloger as to what the lots should bring. Higher rather than lower valuations are expected to prevail.
- Alternate bids are acceptable. No buy bids are acceptable.
- GRADING**—The standard grades are used as outlined below. An overall grade is given to take into consideration the note's appearance. A grade of F/VG means that the reverse of a note is not as nice as the face of the note. A grade of VG-F is a grade for the complete note. Such defects as margin tears, pin holes, stains, abrasions, or other appearance are not mentioned in grades of Fine or below, unless, in the cataloger's opinion, it affects the value of the note enough to make mentioning necessary.
- If you receive a note by mail that you feel you should return for any reason, you may do so, if within 3 days of receipt and you state your reason for dissatisfaction. If it is a grading problem, please tell us. We are firm believers in 'Satisfaction Guaranteed', and we intend that you be satisfied. If we make an error, we want to know about it.
- We reserve the right to reject any bid of 60% of estimate or less, or any bid of less than 15% over face.

Lots will be available for viewing in Iowa City, Iowa, by contacting Dean Oakes, (319) 338-144 or by writing c/o Box 1456, Iowa City, Iowa 52244, until the day before the sale closes.

LARGE SIZE TYPE NOTES

The United States Currency issued between 1861 and 1928 contained many varied beautiful designs. It is this highly skilled art of engraving that gives collectors of currency a common bond. The vignettes that adorn over old currency reflects our countries heritage and thus are of interest to the historian in each of us.

The following lots offer each of you an opportunity to enlarge your collection. The selection is not large but there are several very attractive notes in the major types.

All notes are listed by Friedberg numbers.

- 431 Fr3 \$5 1861 VF/AbF Demand note payable at Boston. A very desirable note for any collection. I can hardly believe that there are no pin holes, no detractors from this very scarce type note. It has good margins and excellent color. The reverse I have graded a 1/2 grade lower because of a left quarter fold line that took some wear. This note should bring very near catalog of \$2850
- 432 F16 \$1 1862 VF/F Bright, sharp lightly folded note. A little wallet stain on reverse lowers grade but has little effect on overall value. \$75
- 433 F18 \$1 1869 AU, This piece of currency was without much doubt received into circulation June 4, 1870 at Oglesby, IL. as the post office cancel stamp states. A very nice light blue cancellation does not detract from this otherwise new and scarce type. This note could well sell for your bid but it could easily go close to \$300
- 434 F28 \$1 1880 VG This note has seen quite a bit of use but there are no real heavy detracting folds. \$35
- 435 F37 \$1 1917 F error quite a bit of thread was printed with the note and then came off after printing leaving a blank area in bottom of Washington portrait. \$50
- 436 F37 \$1 1917 Star VG-F \$35
- 437 F38 \$1 1917 AU Looks unc. & is except for one fold \$40
- 438 F38 & F39 1917 A pair of Fine + notes \$45

Lot No. 433

- 439 F39 \$1 1917 XF the 3 normal folds of this grade are hardly noticed. \$30
- 440 F39 \$1 XF & F84 \$5 XF AU - The \$5 was wet & the red threads bled into the area around them on right side and lightly noticeable on reverse, yet very attractive. 2 pcs. \$50
- 441 F40 \$1 XF 1923 Centering top to bottom is not even. \$50

- 442 F41 \$2 1862 AbVF 1st Greenback \$2 issued. Folded and carried with other bills so folds are not harsh. Appealing note and popular type. Bids should be near \$300
- 443 F43 \$2 1874 This note has had normal circulation for grade but has been washed to make it appear better. A scarce note and only one of this series. \$150
- 444 F51 \$2 1880 XF Large Brown Seal, paper is aged more to color of older newsprint, very crisp with 3 light folds hardly noticeable - catalog value \$150
- 445 F59 \$2 1917 F & AbF A pair of type notes & easily worth \$40
- 446 F60 \$2 1917 Star AbF A real decent star note \$40
- 447 F60 \$2 1917 AU couple corner folds from CU & a \$5 1907 VF very presentable note. 2 pcs. \$90
- 448 F60 \$2 1917 Unc. no folds but shows slight handling, even margins. \$75

- 449 F61a \$5 1862 VG+ Little edge split at middle left end border, no detracting except normal circulation. Near \$100
- 450 F76 \$5 1880 F-VF Scarce Large Red Seal & Blue Serial Numbers, part of blue teller stamp on back of note. Catalog VF at \$300
- 451 F88 \$5 1907 Star note, VF scarce, should bring over \$50

- 452 F95 \$10 AbVF There are a few closed pin holes & some evidence of counting on the right end accounting for a lighter color of seal, good heavy greens on obv. & rev. Reverse shows some wear also middle fold. Left end margin into design. \$300
- 453 F99 \$10 1878 VF Good even borders help support this grade as does the delicate reds of the seal & "ten," no worn or noticeable folds. This note was for many years considered very rare but I believe it's very scarce & worthy of a bid over \$200
- 454 F119 \$10 1901 F Buffalo note always a desirable type and worth at least \$75
- 455 F121 \$10 1901 AbVF So close to a full VF but not quite. \$100

- 456 F123 \$10 1923 CU Far above average in centering, sharp & bright in every way. Don't let this chance in a depressed market get away from you. I'm not estimating this at the 1981 market highs of \$7000 and not even 1/2 that but we should get many bids over \$2500
- 457 F147 \$20 1880 VF A very presentable type \$100

LARGE SIZE SILVER CERTIFICATES

- 458 F215 \$1 1886 VF/F Reverse has a wallet stain on right middle quarter panel or I'd grade it a full VF. Bright obverse on this First \$1 Silver Certificate issue. \$100
- 459 F217 \$1 1886 VG+ & F223 \$1 1891 VG+, Both Martha Washington notes. Washed at one time but no heavy folds. 2 pcs. \$80
- 460 F225 \$1 1896 VF, the ever popular Educational note, a nice note with light folds. \$150
- 461 F226a \$1 1899 AU cut sheet of 4 pieces, all lightly folded together with one pin hole near Eagle. Fresh and new as they were in a deposit box all their life. 4 pcs. \$200

- 462 F229 \$1 1899 F+ Autographed by W. Vernon above serial # & across Eagle's wing. Very distinctive. \$75

- 463 F233 \$1 1899 CU, 4 pcs. with numbers T13T, U13U, X13X, C13X, a set of 4 notes with matching low serial #13. I bet George Blake held these notes in his hands once as they were a prize then and still are. All gem notes singles selling at or over \$200 this set could easily sell for \$1000

- 464 F233 \$1 1899 CU Star. A crisp well centered beauty right from the pack. \$300
- 465 F235 \$1 1899 F Star, these are not common by any means & worth a bid near \$50
- 466 F236 \$1 1899 VF, bright & unblemished \$35
- 467 F237 \$1 1923 VG-F + 9 pcs. about 1/2 each grade. Our most common large type note. 9 pcs. \$85
- 468 F237 \$1 1923 XF & 2AU & F238 VF & AU, very bright, 5 pcs. in all \$75
- 469 F237 \$1 1923 Star VG-F, clean note, will bring near \$30
- 470 F237 \$1 1923 Star CU, bright crisp note, would retail near \$125
- 471 F237 \$1 1923 CU, Low #3 from the same fresh new notes as the above lot & the low number Eagle notes above. Serious bidders will start at \$75
- 472 F238 \$1 1923 CU Star, much scarcer than 237 above. Very bright & crisp. Should bring near \$200

- 473 F240 \$2 1886 XF, 3 light folds but still crisp, bright & above average centering. \$300
- 474 F245 \$2 1896 F, a scarce type, this note has a crumpled look from quite a bit of use but no heavy worn folds, one pin hole in very top right margin, nothing else, scarce type. \$150

- 475 F247 \$2 1896 F, the popular Education note. This obverse has very little use registered on it because it was folded horizontal & these fold lines show but are not worn. The reverse shows some smudging along middle fold. Quite a bit of crispness left. Will probably go over \$150
- 476 F249 \$2 1899 F, for wear or better but right middle third of obverse is dirty from being carried which detracts from brilliant blue of left end 2". Still worth \$50
- 477 F256 \$2 1899 XF/VF Three fold lines are noticeable on reverse of this otherwise bright note, very much in demand and will push very near \$100

- 478 F263 \$5 1886 AbF/F, A used but yet attractive Grant note with the Silver Dollars Reverse. The reverse is very clear with no detracting folds. The obverse is the same but shows a little more use. \$275
- 479 F268 \$5 1896 F, Educational 5's are scarce! Small rust spot in lower right corner area. The reverse has a little grime worn into the paper, but no pinholes, edge tears or other distractions. \$250
- 480 F270 \$5 1896 VG + Reverse has a small paper pull top middle otherwise even circulation. Bidding expected to be in the area of \$150

Lot No. 479

- 481 F275 1899 XF/VF Indian Note, one of our most sought after type notes. Could bring close to \$200
- 482 F278 \$5 1899 F, Indian Chief over \$75 & under \$100
- 483 F282 \$5 1923 VF, folded 3 times into eighths & carried cleanly. Still crisp, reverse middle fold shows, other faint. About \$200
- 484 F304 \$10 1908 Blue Seal F, couple of small stains on reverse detract from the otherwise even lite wear, 1/4 margin tear at lower left serial # will keep price near \$75
- 485 F322 1891 VG-F not an easy type, no problems \$100
- 486 F331 \$50 1891 G-VG, with rounded corners frayed top edge & right end. It was carried in a wallet for a long time but there are no worn folds so it appears it was carried flat, maybe in a money belt as edges & corners got the wear. We sold a similar note several sales back & it realized \$150

NB=No Bid, or bids below 60% of estimate and unacceptable.

From the worst note ever, lot 47, which got 13 bids and sold for \$17.60 to lot 471, a 1923 Silver Certificate #3 in CU, which was estimated at \$75 and brought \$200 with 27 bidders casting a wishful eye on it, there was a lot of Auction Action.

We had 20% more bidders than the previous auction and prices reflected it.

A couple of lots bringing good prices and a lot of attention were the lot 2, \$10 T2 Ketchikan, Alaska note realizing \$2987.50, and lot 456 \$10 1923 Legal Tender CU at \$2100 - both with over ten bidders per lot. One of the weak spots seemed to be lot 431, which sold for \$1500 on a \$2850 estimate. Every so often a note just didn't get a bid, mostly in the lower grade nationals and a couple of error notes. All in all, we feel it was a very good sale. We are ready to start writing our June sale and need consignments now!

The Standard Catalog of Nationals is going to be updated with supplements going to all buyers of the book free, so if you have noticed any errors, please write and tell us; we need your help.

Thanks again for making this a great hobby and our 19th sale a success.
