Lot No. 633

TWENTY-THIRD SEALED BID MAIL AUCTION

CLOSING DATE: MARCH 27, 1984

INTRODUCTION

Welcome to our 23rd Sealed Mail Bid Auction.

This catalog features an exceptional selection of New Jersey, New York, and Washington notes as well as assorted notes from most areas of the country.

For this catalog, instead of our usual estimates, we are quoting the prices listed in our book, "STANDARD CATALOG OF NATIONAL BANK NOTES." These prices were arrived at with the aid of a computer, with no consideration for single bank towns, population or fancy names and many other considerations that contribute to the price of a national bank note. *You* the bidder determine the price.

All rarities quoted are the latest corrections. The supplement promised by Krause Publications is now in the proof-reading stage and should be available about the time this sale closes. All who purchased their book from us will automatically receive this supplement as soon as it is ready.

We wish to thank all of those who discovered and pointed out errors to us.

As always, we wish you---Happy Hunting!

TERMS OF SALE

To give all bidders an equal opportunity, bids will not be opened until the closing date of the sale. In other words, we will not know ourselves, and therefore cannot reveal, where the high bid is until the sale is over. To help us segregate bids from our regular mail, we are providing envelopes for use only for the mail bid sale. Please mark any other envelope you may use on the outside so we can know it is a bid. Skeptics are invited to inspect the unopened bids up to the closing date.

To insure your efforts are not wasted, mail this bid early. We will be pleased to discuss and further describe any of the notes by phone, but we must insist that telephone bids be confirmed in writing before the deadline. Bids will be opened March 27, 1984.

1. Each lot will be sold to the highest bidder unreserved at a slight advance over the next highest bid. In the event of identical mail bids, the earliest postmarked will receive the lot.
2. As in all legitimate auctions, the second highest bidder will set the price. Up to the \$1000 level, advances will be 10% with \$50.00 maximum. At \$1000 and over, advances will be 5%. This method will permit a bidder to make a liberal bid with the assurance that his bid will be reduced to the indicated amount above the next highest bid. In cases where only one bid is received, the estimate will be used as the underbid.
3. All lots are guaranteed genuine and as described. Please be sure you are bidding the correct amount on the proper lot. Only signed, written bids are acceptable.
4. All successful bidders must remit payment immediately upon receipt of the invoice and/or lots. The cost of postage and insurance will be added to the invoices of successful mail bidders. Lots delivered in Iowa are subject to State Sales Tax of 4% unless a resale number is given. Terms are available; see your bid sheet.
5. All photographs are of the actual lots being sold.
6. Prices or estimates given reflect the opinion of the cataloger as to what the lots should bring. Higher rather than lower valuations are expected to prevail.
7. Alternate bids are acceptable. No buy bids are acceptable.
8. GRADING—The standard grades are used as outlined below. An overall grade is given to take into consideration the note's appearance. A grade of F/VG means that the reverse of a note is not as nice as the face of the note. A grade of VG-F is a grade for the complete note. Such defects as margin tears, pin holes, stains, abrasions, or other appearance are not mentioned in grades of Fine or below, unless, in the cataloger's opinion, it affects the value of the note enough to make mentioning necessary.
9. If you receive a note by mail that you feel you should return for any reason, you may do so, if within 3 days of receipt and you state your reason for dissatisfaction. If it is a grading problem, please tell us. We are firm believers in 'Satisfaction Guaranteed', and we intend that you be satisfied. If we make an error, we want to know about it.
10. We reserve the right to reject any bid of 60% of estimate or less, or any bid of less than 15% over face.

Lots will be available for viewing in Iowa City, Iowa, by contacting Dean Oakes, (319) 338-1144 or by writing c/o Box 1456, Iowa City, Iowa 52244, until the day before sale closes.

This is our third auction of our 1983-84 auction year. We know you will be offered some great notes in our next sales. Persons wishing to consign should contact us now for the May sale.

right for this elusive state. \$200-340

Rarity 4. Brown back notes only from this bank, closed since
1909. VG at \$120 and VF at \$280. Makes this note \$200 +.

- 37 \$10 '29 Calument Nat'l Bank of Chicago 3102 F-VF
Rarity 5. A very scarce Chicago bank. Catalog \$70 in VG
makes this one \$50 +

Rarity 3. VG catalog is \$205, probably a little strong since
about 8 of these are recorded.

our December sale.
- 46 \$10* '02 First Nat'l Bank of Martinsville 6721 U
Rarity 5. Catalog is \$305 in AU. In our March, 1982 sale an

U.S. TYPE NOTES

We have a type set to offer from a consignor that has most \$1, \$2, \$5 and \$10 in types. These are in a consignment from the estate of Roy C. Lawrence being sold for the benefit of the town of Anamosa, Iowa. These notes are all here for your bidding, and of course, your bid will be reduced to 10% over the next highest bid (5% over \$1000), and you will be the new owner. Fun isn't it? Where else but an auction can you name the price?

DEMAND NOTES

- 461 F3 \$5 Fine. Note payable on demand at Boston. An unlisted serial number for this series. The note has 4 pin holes central and a little paper pull in top right corner border. Check photo on page 49. Est: \$500

Lot No. 461

- 462 F8 \$10 Ab. Fine Boston. I would call it a full fine, but it was folded into fourths and carried, resulting in a small hole at center, and it also has 4 margin splits at top and a couple at bottom. The note has good body, clear sigs, and natural color. At this time there are only eleven notes recorded as being known to collectors. Scarce but it will sell as type, I suppose, so it probably will bring under \$1,000
- 463 F16 \$1 VG but looks like an old repaired tear through serial number and down through note, hardly noticeable. Still worth \$25-\$30. Also, F26 \$1 VG-F solid note with rounded corners. 2 pcs. Est: \$60
- 464 F16 \$1 Hessler #3 AbFine, serial #8202. Bright red seal. Est: \$50
- 465 F16 \$1 VF-XF but has two burn spots on left margin, one touching heavy black border line, one through it. Hard to value but near \$75
- 466 F18 \$1 1869 Hessler #5 F-VF. One year type note and always colorful. Est: \$100

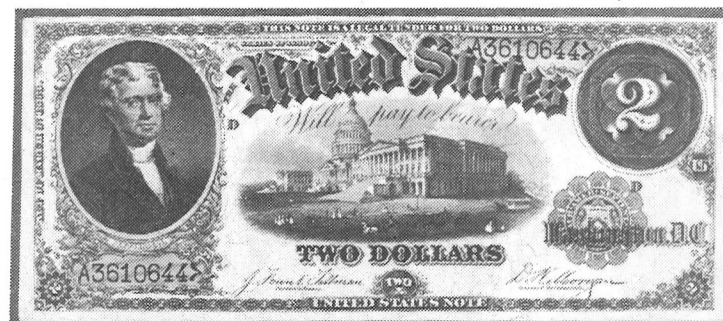

- 467 F19 \$1 1874 UNC. Just a hint of counting smudge detracts from this crispy new bill. Est: \$300
- 468 F27 \$1 1878 VF/XF. Three folds but not quite XF. Very bright and a good type. Est: \$75
- 469 F29 \$1 1880 UNC. Lower left corner point soft, otherwise bright with popular large brown seal and no other detractions. Photo. Est: \$200
- 470 F31 \$1 1880 Fine. Scarce. Blue serial number type. A pleasing circulated note. Should sell near \$125-\$150
- 471 F37 \$1 1917 and \$2 1917, both VF. The \$1 is slightly better. 2 pcs. Est: \$75
- 472 F37 \$1 1917 CU. A speck or two of dirt appear to be on top edge near left end. Well centered, bright. Est: \$125
- 473 F39 \$1 1917 CU. Corners show a little softness, not unlike most CU notes. Est: \$125
- 474 F39 \$1 1917 AVF. Lower right corner error fold-out and not printed on obv. 1/8". Margin trimmed down so note would "fit". Hard to value, as large size errors are scarce. Probably \$75
- 475 F40 \$1 F-VF. Bright red seal and One. Est: \$50

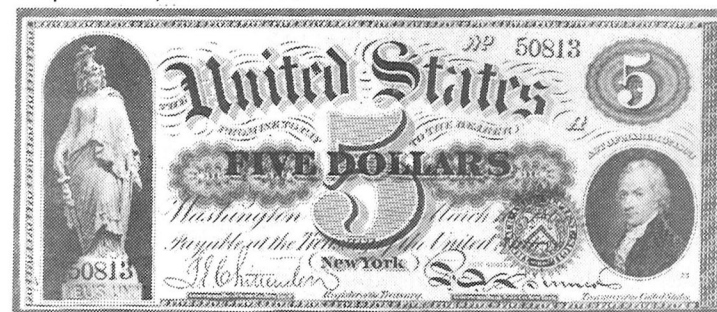

- 476 F40 \$1 Crisp UNC. Tiny bit of handling noted on corners. A beautiful type note. Est: \$200

- 477 F41 \$2 1862 VG-F. Repaired cut into the word 'Dollars' from right end. Not noticeable looking at note, also a couple of slight margin wear spots, not unusual for grade. Collector interest in this original series is building at present. Est: \$75
- 478 F42 \$2 1869 VG. One year type. Tape on reverse covering a right end tear well into note, looks like some spots of yellow crayon on note. Est: \$50
- 479 F55 \$2 1880 XF. The scarcer type with blue serial numbers. Worth upwards \$100

- 480 F56 \$2 1880 UNC. As you can see in photo, centering isn't bad, a little closer at top than bottom. Edges show some handling, but there are no detractions to overall bright appearance of this type note. Est: \$225
- 481 F58 \$2 1917 VF, and as such, worth \$30-\$35
- 482- F58 \$2 1917 XF+. Three light folds are noticed on this note only upon handling. Est: \$70
- 483 F60 \$2 1917 VF Est: \$30
- 484 F63 \$5 Would be Fine but for 2 large (1" circular) pieces gone at lower border, F16 \$1 in 4 pieces with about 1/3 of chase missing, F63 \$5 Counterfeit but mostly here, and F238 \$1 In a solid Vg-Fine. 4 pieces, you name the price and keep the lot, no returns. Est: \$50

- 485 F63A \$5 1863 About AU. Very bold and bright with a margin a little close at lower right corner. The near central fold is hard to find, but a tiny margin split with a piece of stamp hinge gives it away. Est: \$250

- 486 F64 \$5 1869 UNC. Type note of the Rainbow series. No folds, but a folded over or closed in pin hole is barely noticeable. Margin is above average for the note, as these come generally with poor centering. Est: \$450-\$500

- 487 F64 \$5 1869 Crisp UNC, well centered. Brilliant colors, as nice as they come. Est: \$750

- 488 F80 \$5 1880 Crisp UNC of the top quality. Looks and feels like it came out of a fresh pack today. Est: \$350-\$400
 489 F81 \$5 1880 XF+. Crisp and perfect for that grade. Worth \$100
 490 F84 \$5 1907 VF-XF, but has a margin tear at right end just in-to design. Est: \$35

- 491 F 85 \$5 1907 AU Crisp. The note has a horizontal fold through the note at center that is almost unnoticeable. Bright and sper type worth near \$100
 492 F 85 \$5 91 \$5 both VG, and F 59 \$2 AG. The \$5's are solid, no tears, maybe VG-F. The \$2 has tape central and a small margin piece gone at center. 3 pcs. Est: \$40 and up
 493 F 91 \$5 AU. a bright and crispy note with close lower margin. Worth over \$100

- 494 F 96 \$10 1869 VF. The note has seen even circulation, but no heavy folds appear. The paper has aged some, evenly, not detracting, from blue, green and reds of the note. A hard grade to find. \$250

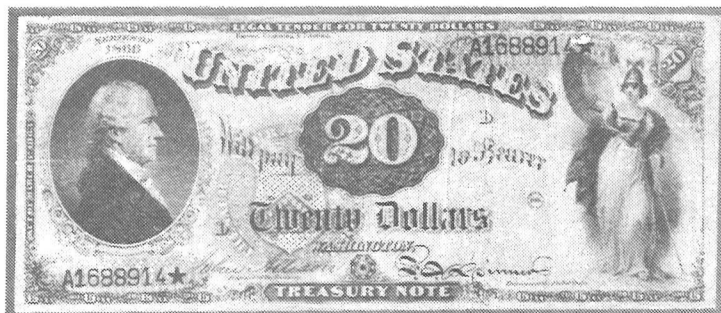

- 495 F 113 \$10 1880 AU. Just a hint of a horizontal fold on this otherwise Crisp and Uncirculated note. A great type note Est: \$275

EARLY

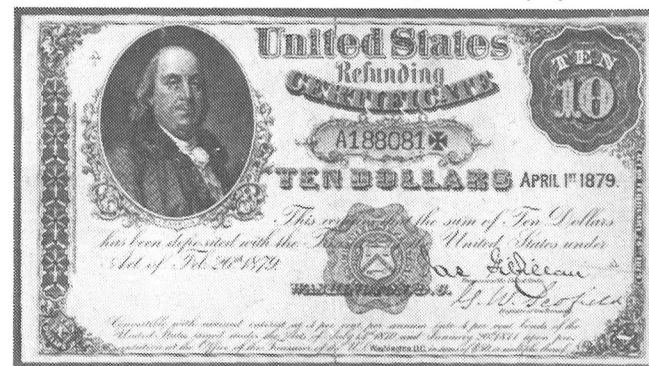

- 496 F 120 \$10 1901 XF-AU. Three folds show but the note is really bright and crispy. It would fit into an Unc display and not be out of place Est: \$400
- 497 F 121 \$10 1901 VG. Has seen some wear, but it's all there. \$75
- 498 F 124 \$20 1862. Counterfeit and not too bad a job, just isn't sharp in appearance. Note grades VG-F. Serial #59046, B plate. Bid as you choose. Probably worth \$50

- 499 F 127 \$20 1869 Fine. The note was bought as Fine and is well within the bounds of this circulated grade. A worn, noticeable top left corner fold does not unduly detract. This series \$20 is scarce and comes along infrequently. Worth a strong bid for the grade in the area of \$300-\$350.
- 500 F 146 \$20 1880 F-VF. A light paper clip stain on left end keeps this from being a full VF, as no folds show on obverse. Attractive and worth \$125-\$150

- 501 F 190 \$10 Compound Interest Note, July 15, 1864, AVF. A piece is gone out of lower margin between 'Y' and 'N'. See photo. There are 2007 of these notes left outstanding per the Treasury, all worth \$11.94, as three years interest has accrued to them of \$1.94. They are scarce! A bright note with good overprinting. This note needs a home and should sell reasonably because of the defect. Even Brown Sheet bid is \$2000 in VF, so figure the amount you can pay and bid it.

- 502 F 214 Hessler 604 \$10 Refunding Certificate VF/F. The obverse shows a small 3/8" split above Franklin and again at center, otherwise no folds show. The reverse shows a worn fold down the middle that is separated at the top. When held to the light the separation shows to be about one inch long. Hessler states about 200 are known of the 800 of those outstanding on Treasury books. They are scarce and very much a type note. I would value this bright note at \$750 if it were a full VF. As it isn't, I'm sure bidding will be somewhat less.

SILVER CERTIFICATES:

- 503 F 215 \$1 1886 G-VG 2 heavy worn creases and top right corner tip gone, and F 223 \$1 1891 Fine. Both types of Martha notes. 2 pieces, Estimate: \$75

- 504 F 219 \$1 1886 Fine-VF large brown seal adds color to this overall attractive note. Est: \$75
- 505 F 223 \$1 1891 XF-AM. A well centered, sharp note, bright & crisp has 3 light folds but appears UNC. Est: \$175
- 506 F 224 \$1 1896 Educational Fine. Folded down to 1/8 of size and carried so that horizontal fold and 3 vertical folds show up. Est: \$75
- 507 F 224 \$1 1896 Educational note VF+ was graded XF but 3 vertical folds show faintly and the note still has original crispness so it is strong VF+. Estimate: \$200
- 508 F226A \$1 1899 Crisp UNC well centered, choice in every way. First note of this series of Black Eagle notes. Est: \$175-200

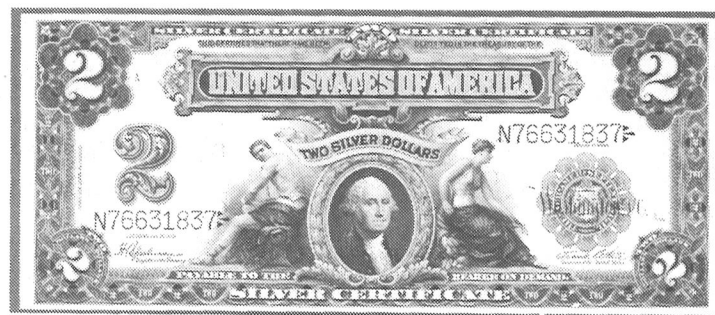

- 509 F 228 \$1 1899 Crisp UNC Autographed by "W. Vernon Registrar of the Treasury, 1906-1910". Autographed notes are always in demand. Should sell near, \$250.
- 510 F 237 \$1 1923 Crisp XF-AU note shows two soft folds and has original crispness, popular. Est: \$25-30
- 511 F 238 \$1 1923 Crisp AU-Unc A fold or part fold is detected under close examination. It looks, feels and sounds CU. Est: \$45

- 512 F 242 \$2 1886 Crisp UNC Well centered, a slight counting mark at top right is almost unnoticeably, see photo. Brilliant note, large Red Seal. Estimate near, \$700
- 513 F 244 \$2 1886 VG Large, even margins, just honest use and a popular type. May bring, \$75

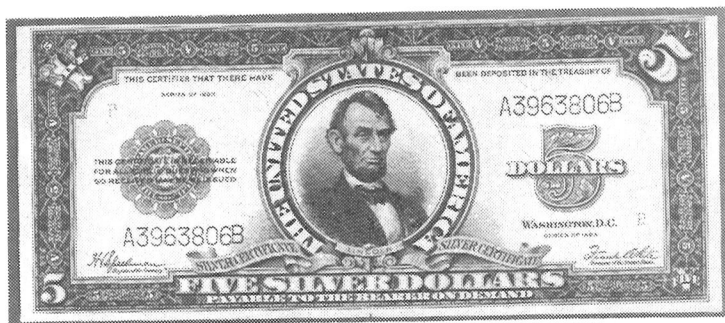

- 514 F 246 \$2 1891 AbVF would be a full VF but for a little light soiling. This note was a type of commemorative to Wm. Windom whose portrait appears on it as he died in office in 1891. Easily worth, \$150
- 515 F 247 \$2 1896 Educational VG# as F 244 above, no detractors for grade. Worth a strong bid above \$100
- 516 F 248 \$2 1896 Educational AbVF of AbVF/F. Front is higher grade than reverse as reverse shows worn folds. Est: \$175

- 517 F 258 \$2 1899 Crisp UNC. Crisp and bright, well centered, you can't get much more unless a star or low serial number and I've seen those with less appeal than this note. Est: \$500-600
- 518 F 260 \$5 1886 F-VF Silver dollar reverse and small Red Seal. Very attractive, popular note. Est: \$200
- 519 F 263 \$5 1886 Fine. Large Brown Seal, rounded corners. Reverse is exceptionally bright and free of folds. Est: \$150
- 520 F 266 \$5 1891 VG well used. A scarcer signature combination than F 267. Est: \$50

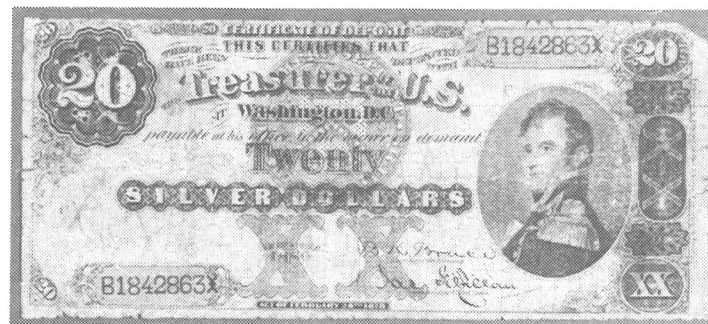

- 521 F 269 \$5 1896 Educational Fine-VF. Heavy middle fold shows through on reverse. Est: \$275.
- 522 F 271 \$5 1899 XF Indian Chief note, looks AU or UNC on obverse but reverse shows faintly 3 folds, probably pressed to diminish appearance. Bright and sought after by collectors. Est: \$200.
- 523 F 282 \$5 1923 VF+ Lincoln note. A very scarce short lived series. There are no noticeable folds that show giving it the appearance of XF. Very much a type note. Est: \$200.

- 524 F 282 \$5 1923 Unc Crisp but top edge has some smudges that take it out of CU class. Est: \$500
- 525 F 296 \$10 1886 Fine Large Brown Seal and first type reverse for this Hendricks note. Est: \$125-150
- 526 F 292 \$10 1891 F-VF Small Red Seal and open back reverse for this series. Est: \$75-90
- 527 F 302 \$10 1908 AbVF Blue Seal and I think the note is attractive and worth more than above note although it catalogs for less. Third type in Hendricks series. Est: \$100
- 528 F 310 \$20 1886 AbVG with top right corner tip gone. Well worn with edges somewhat frayed. This note "lived to tell about it". Backed by \$20 Silver Dollars until 1968 it may have been the loot of a bank robbery or the month's pay for a range cowboy. Worthy of a place in any collection that does not have this type, even in this grade. Est: \$125

Lot No. 528

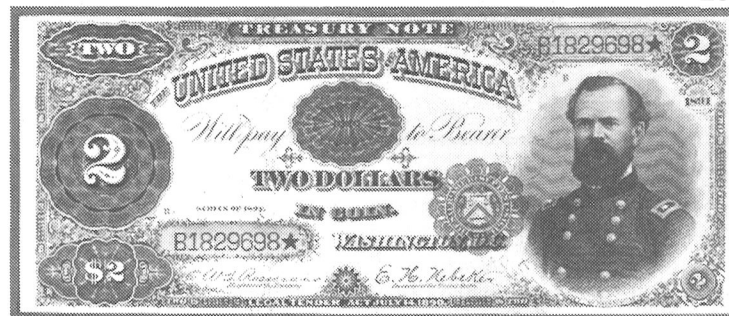

- 529 F 319 \$20 1891 Fine# Normal use, no heavy folds, small Red Seal. Est: \$100.

- 530 F 323 \$50 VG-Fine Couple of small spots keep it from full fine, scarce, worth near, \$200

COIN NOTES:

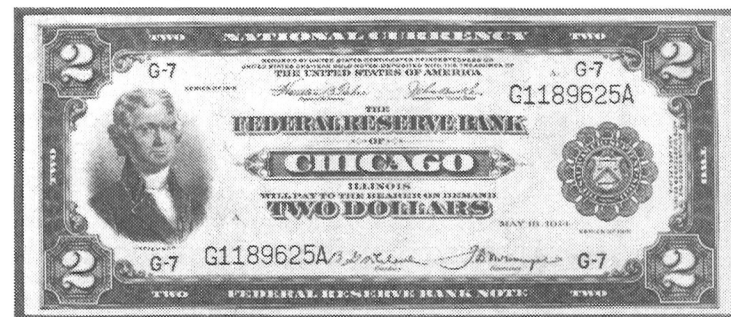

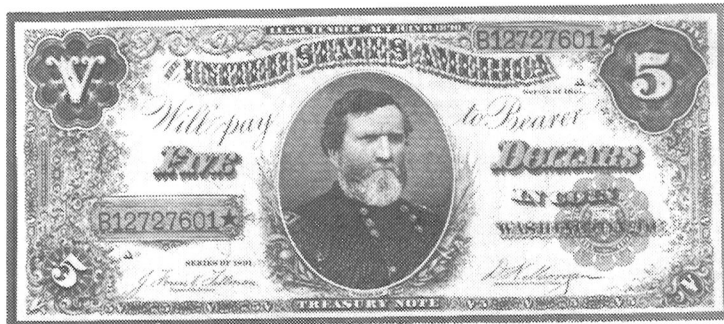

- 531 F 351 \$1 1891 AbFine. Very ornate engraving. Bust of Stanton. Est: \$50
- 532 F 352 \$1 1891 UNC Slight stain mark on top reverse margin detracts slightly from overall sharp bright appearance of this note. Est: \$275-300
- 533 F 356 \$2 1891 VG dirty. Name written on back and date 1896. Est: \$50.

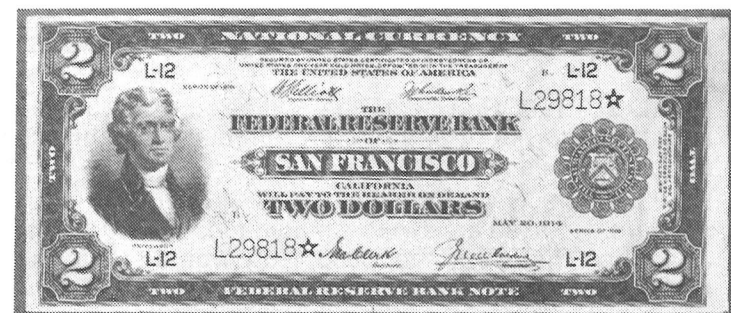

- 534 F 356 \$2 1891 Crisp UNC A delightful note ready for a top type set. Bright, above average centering. Est: \$600.

59

- 535 F 357 \$2 1891 VG Better than above VG but not much. Est: \$60
- 536 F 359 \$5 1890 G-VG Frayed edges with a small margin piece gone at right end. You'll enjoy this note. Est: \$55
- 537 F 362 \$5 1891 VG Little piece gone, lower left corner tip, edges trimmed. Appearance of middle of note is fine. Est: \$65.

- 542 F 765 \$2 Chicago Crisp UNC A choice well centered note and as such worth a bid in area of \$600 +

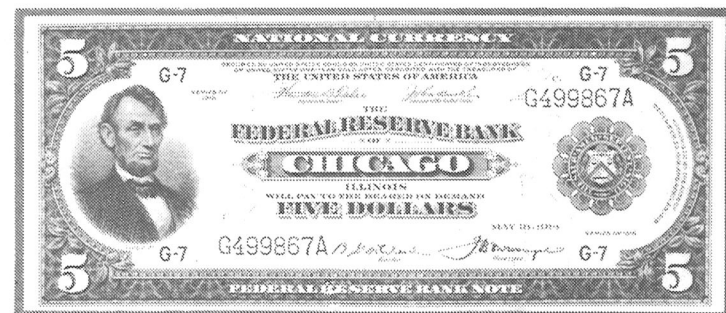

- 538 F 363 \$5 Crisp UNC Just a hint of counting crease top right. It appears top margin was trimmed down on this A plate note. It is now equally centered on all four margins. Est: \$500-600
- 539 F 364 \$5 VG Another type note washed at one time, not bad though. Est: \$60.

FEDERAL RESERVE NOTES:

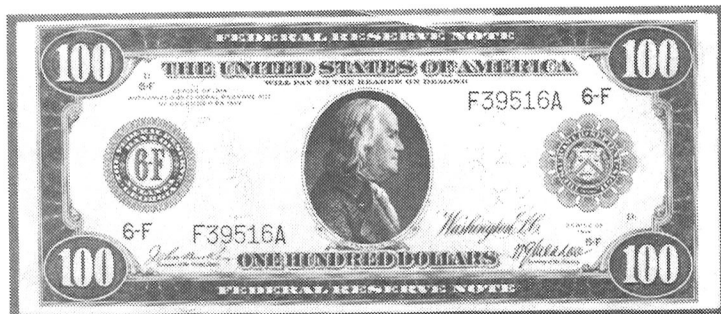

- 540 F 720 \$1 Crisp UNC Cleveland. Beautiful and well centered. Est: \$200.

- 543 F 779 \$2 Star note. San Fransisco UNC crispy, well centered, just a trace of counting mark at top right corner. A very important star note. Est: \$800

- 541 F 727 \$1 Stars Crisp UNC 4 piece cut sheet, probably reconstructed as a sheet at one time. Low number 6061* undoubtedly saved by one of the early collectors such as George Blake, Jim Wade or Grinnell. A single note of this group would retail near \$400 so the sheet would sell in my estimation at \$1200 +

- 544 F 794 \$5 Crisp UNC. This is always a tough type note to get in UNC. Shows a little handling at top edge, well centered and bright. Est: \$350
- 545 F 1046 \$50 Fine and F 1044 \$50 Fine with margin tear and \$10 1914 Chicago Good. 3 pieces all collectable. Est: \$150

- 546 F 1104 \$100 UNC Counting mark noted top right but still a very sharp type note. Est: \$275.

GOLD NOTES:

- 547 F 1173 \$10 1922 VF A very reasonable type note for its age. Est: \$50.
- 548 F 1180 \$20 1905 Red Seal Fine Solid Red Color on seal and serial number, right end margin trimmed close but doesn't detract. Should be worth, \$150.
- 549 F1183 \$20 1906 AU Two faint folds show but it is brilliant and crispy. These are always in demand. In 1980 we had one at auction that went near \$600. Now would sell for near 1/2 that.
- 550 F1187 \$20 1922 VG 2 pieces. No tears just honest notes. Pair, Est: \$60.
- 551 F1199 \$50 1913 VG+ scarce type and reasonable condition, worth \$100

- 552 F1225 \$10,000 1900 Fine, This note is not redeemable, of course, but a popular type never the less. Has the small cancellation holes, dated 9/28/1916. Est: \$650.

SMALL SIZE U.S. NOTES:

We set some fierce prices on a couple of small notes in this sale. We sold alot of 1929 notes into very active bidding. The Daytona Beach, Fla. with 27 bids and a price realized of \$625 and the Kings Park, New York, lot 241, that sold for \$827.50 with 17 bidders pursuing it, were the highlights. Neither of these notes rate more than being called scarce but we are finding that they were popular. When you combine popular with scarce or rare with top condition you find a lot of action. Some notes in low grade that are R6 had few if any bids, this was mainly in Pennsylvania.

Overall we were very pleased with the sale. We really hope that all of the successful bidders are happy with their notes. We do our best to make it that way. We wish to thank all of you for making our 1983-84 Sales year a good one and hope you give us some bids for the last sale this year, #24.

These notes will be on display at our table at Central States show in Milwaukee, April 27-29. Hope to see you there.
