SEALED BID
MAIL AUCTION

INTRODUCTION

Welcome to our 24th Sealed Mail Bid Auction. We are greatly heartened by the response to our March sale. We had more bidders than ever and the highest percentage of bidders to catalogs mailed.

To show our appreciation we have assembled another jumbo assortment of outstanding notes. Many of them unique. We have given the actual census used in preparing our book in most instances. You are all invited to participate if you don't agree with our rarity of if you just want help.

The "National Bank Note Reporter", a column written by John Hickman will appear in the April edition of the Bank Note Reporter. The complete large size census along with type and denomination breakdown for Alabama will be in the first column. If this type of information is of interest to you and you do not presently subscribe, let us know and we'll arrange for a sample copy to be sent to you.

Notes in this catalog will be at our table in Milwaukee at the Central States Show April 27-29, 1984, stop by for a visit.

Again, we wish to thank all who have supported our research and our sales. As always, we wish you all Happy Hunting.

TERMS OF SALE

To give all bidders an equal opportunity, bids will not be opened until the closing date of the sale. In other words, we will not know ourselves, and therefore cannot reveal, where the high bid is until the sale is over. To help us segregate bids from our regular mail, we are providing envelopes for use only for the mail bid sale. Please mark any other envelope you may use on the outside so we can know it is a bid. Skeptics are invited to inspect the unopened bids up to the closing date.

To insure your efforts are not wasted, mail this bid early. We will be pleased to discuss and further describe any of the notes by phone, but we must insist that telephone bids be confirmed in writing before the deadline. Bids will be opened May 25, 1984.

1. Each lot will be sold to the highest bidder unreserved at a slight advance over the next highest bid. In the event of identical mail bids, the earliest postmarked will receive the lot.
2. As in all legitimate auctions, the second highest bidder will set the price. Up to the \$1000 level, advances will be 10% with \$50.00 maximum. At \$1000 and over, advances will be 5%. This method will permit a bidder to make a liberal bid with the assurance that his bid will be reduced to the indicated amount above the next highest bid. In cases where only one bid is received, the estimate will be used as the underbid.
3. All lots are guaranteed genuine and as described. Please be sure you are bidding the correct amount on the proper lot. Only signed, written bids are acceptable.
4. All successful bidders must remit payment immediately upon receipt of the invoice and/or lots. The cost of postage and insurance will be added to the invoices of successful mail bidders. Lots delivered in Iowa are subject to State Sales Tax of 4% unless a resale number is given. Terms are available; see your bid sheet.
5. All photographs are of the actual lots being sold.
6. Prices or estimates given reflect the opinion of the cataloger as to what the lots should bring. Higher rather than lower valuations are expected to prevail.
7. Alternate bids are acceptable. No buy bids are acceptable.
8. GRADING—The standard grades are used as outlined below. An overall grade is given to take into consideration the note's appearance. A grade of F/VG means that the reverse of a note is not as nice as the face of the note. A grade of VG-F is a grade for the complete note. Such defects as margin tears, pin holes, stains, abrasions, or other appearance are not mentioned in grades of Fine or below, unless, in the cataloger's opinion, it affects the value of the note enough to make mentioning necessary.
9. If you receive a note by mail that you feel you should return for any reason, you may do so, if within 3 days of receipt and you state your reason for dissatisfaction. If it is a grading problem, please tell us. We are firm believers in 'Satisfaction Guaranteed', and we intend that you be satisfied. If we make an error, we want to know about it.
10. We reserve the right to reject any bid of 60% of estimate or less, or any bid of less than 15% over face.

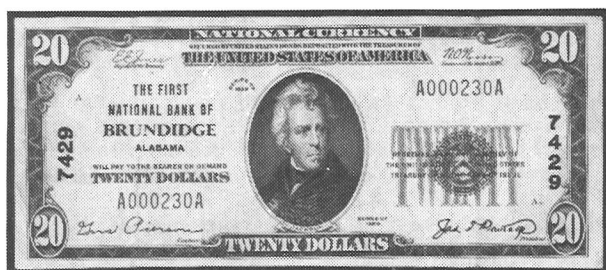

Lots will be available for viewing in Iowa City, Iowa, by contacting Dean Oakes, (319) 338-1144 or by writing c/o Box 1456, Iowa City, Iowa 52244, until the day before sale closes.

This is the last auction of our 1983-84 auction year. In Sales 21, 22, 23 and 24 we have offered well over 2,000 lots of choice type and rare Nationals.

We are now looking forward to our 25th sale which will be in the Fall of 1984 and promises to be a big sale. Persons wishing to consign to this sale should contact us so we can be sure we have space available for your consignment. We look forward to hearing from you.

- 51 \$50*- 1902RS First National Bank of Lacon M-347 CU
Rarity 6. This note has been one of the major rarities from the entire state of Illinois, and even the entire field of national bank notes. It might be interesting to consider how rare this note is in relation to the notes issued. Albert Grinnell had his pick of the available notes for many years and he owned eight specimens, including this one (lot 1323). Three of the notes were described as uncirculated, again, including this note. Over the last 18 years we have recorded 42 notes, four of which have never been exposed numismatically. Our census breaks down as follows:

	Notes Issued	Notes Known			
California	10,804	2	New Jersey	15,521	2
Colorado	5,386	1	New York	33,825	2
Illinois	33,395	3	Ohio	15,522	1
Iowa	9,591	2	Pennsylvania	81,397	3
Kansas	8,941	4	Porto Rico	847	1
Louisiana	9,871	3	Rhode Island	5,800	5
Maryland	17,838	1	Tennessee	10,803	1
Massachusetts	19,519	1	Texas	15,019	1
Missouri	33,485	7	Virginia	4,052	1
			Wisconsin	6,432	1
TOTALS:			411,931	42	

One \$50 Red Seal recorded for every 9,808 notes issued. None at all were issued in the states of Alabama, Alaska, Arizona, District of Columbia, Hawaii, New Mexico, South Carolina, Utah and Wyoming. Only the \$500's and \$1000's, the 1882 Date back \$100's, the \$50 and \$100 1882 Value Back, and the 1902 plain back \$100 were issued in smaller quantities among the large size notes.

In the state of Illinois we have recorded six Red Seal \$100's from the Continental National Bank of Chicago, but only one \$50, although the same number of each was issued. We hope there are other specimens that remain in hiding and we hope to hear of them as they surface. Meantime, this great note is available in superb condition, beautifully signed by W.H. Ford and J.F. Thompson, with Albert Grinnell pedigree, and from a rare bank to the highest bidder, with the price set by the second highest bidder. We anticipate the realization will be in the

\$5000 range at least.

U.S. LARGE SIZE TYPE NOTES

We again have a good and varied selection from three consignors. When these notes are all put together it represents a good run of U.S. notes especially the \$1 and \$2 series. Several Silver Certificates, including a \$5 One Papa Fr. 276, is also being offered. The Federal Reserve Bank Note series is represented by three \$10's, and one \$20, which is very unusual, and I hope you take advantage of the opportunity to bid on them.

Also, a few lots of scrip and miscellaneous, and errors are presented at the end, along with a nice selection of small size type notes.

- 516 Fr. 2 \$5 1861 Fine+, maybe should be called VF, as the margins are all clear of the borders. There are no pin holes or little tears that so often plague these Demand Notes. The note has seen a lot of circulation and has 3 noticeable folds, but the over-all condition of this note, #5127 is so superior to most it is worth a serious bid in the area of \$650-\$750.
- 517 Fr. 16 \$1 1862 AU+ Fresh, crisp note with two corner folds noticed on the reverse. Top margin is trimmed right to the top of the engraving with wider margin at bottom. The last owner paid \$300 for it and it should bring as much today.
- 518 Fr. 18 \$1 1869 F-VF with a skinned spot 1/8" or so on reverse colored in green. Still a very presentable type note. Worth near \$100.

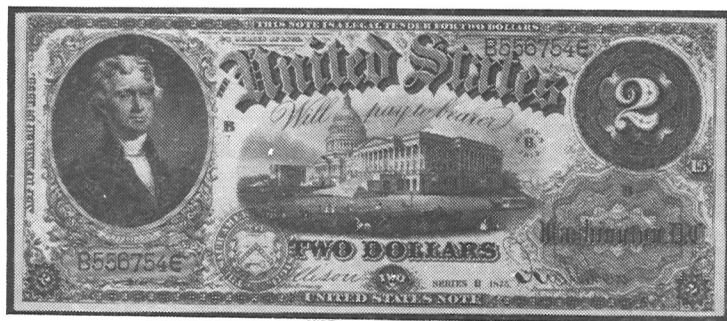

- 519 Fr. 19 \$1 1874 XF+ Three hardly detected folds on this otherwise UNC and crisp note. One issue only in 1874 series. Above average for grade. \$150

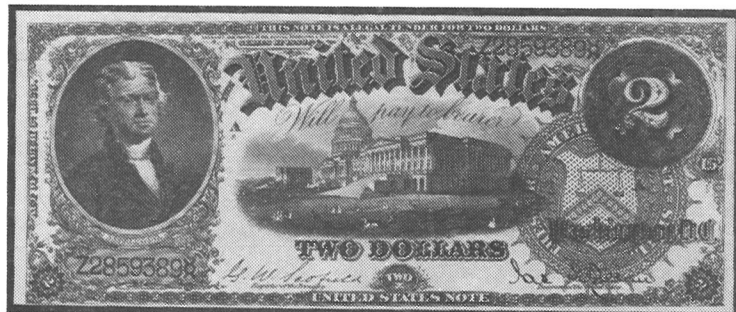

- 520 Fr. 20 \$1 1875 Crisp Unc. Evenly centered, bright and crisp. "Series 1875" at right end in red. Est: \$200+
- 521 Fr. 21 \$1 1875 Series A, XF. A couple of folds and light handling are noted on this crispy bill. Paper is somewhat darker with the appearance of many blue fibers in the paper at the right end. Easily worth over \$150
- 522 Fr. 24 \$1 1875 series D. Fine. Carried folded in fourths with back right 1/4 soiled. A very scarce note with fine+ overall appearance. Unlike F19, 20 and 23, there are no little groups of Unc notes known. The opportunity is here; are you ready? Bidding should settle over \$300.
- 523 Fr. 25 \$1 1875 Series E, Fine with appearance of VF. No detracting folds. Even rarer than above note and probably valued somewhat higher. \$350
- 524 Fr. 34 \$1 1880 CU. Type with blue serial numbers and red scalloped seal. Well centered. Est: \$200
- 525 Fr. 38 \$1 1917 AU Crisp. A note with 3 folds near right end and one at middle, like it was crumpled against something. Very clean and crisp with no circulation evident. Est: \$50
- 526 Fr. 39 \$1 1917 Fine+; and \$2 1917 Fine. 2 pcs. Est: \$60

- 527 Fr. 39 \$1 1917 Crisp AU+ "Star". One middle fold away from CU and a beauty. Could easily sell for \$200
- 528 Fr. 40 \$1 1923 Crisp Unc. Beautiful type of last large \$1 U.S. note. Worth \$225.
- 529 Fr. 45 \$2 1875 Series A, VF. A little close at top margin. Has appearance of better note. Catalog value in VF \$375
- 530 Fr. 46 \$2 1875 Series B, Crisp Unc. Bright, fresh and rare. Catalog on the commonest 1875 \$2 is \$850. This scarce note should be worth that and more. **Photo on next page.**

Lot No. 530

- 531 Fr. 50 \$2 1880. Crisp Unc. Margin close at bottom, but oh so fresh and bright. Large brown seal. Est: \$275-\$300
- 532 Fr. 56 \$2 1880 Crisp Unc, but lower margin cut right along with engraving. This will be a bargain for someone at near \$200
- 533 Fr. 60 \$2 1917 AU. Close top margin on this bright crisp note. Worth \$75 or more.

- 534 Fr. 61a \$5 1862 Unc with slightly rounded corners at right end. This note, #43606, has the first obligation reverse pictured above. The reverse shows a light corner fold at lower right. Crisp and fresh as the day printed. Est: \$400

- 535 Fr. 64 \$5 1869 Crisp Unc. Lot 487 in our 23rd sale, where it was described in error as well centered. it is well centered except at the corner edge where it was cut irregularly, but never going into design. An "A" plate note with brilliant colors and crispy. Est: \$450
- 536 Fr. 65 \$5 1875 Unc. Slightly rounded top right corner, margin tight on obverse top. Crispy and worth over \$250.
- 537 Fr. 66 \$5 1875 Series A, AVF. A note seldom seen this circulated. A good buy at \$100
- 538 Fr. 66 \$5 1875 Series A Unc. Rounded corners, no folds. Probably from the Illinois bank pack of 100 of these split up in the middle 1960's. Edges are a little dark, but rest of note is brilliant. Worth over \$250

- 539 Fr. 68 \$5 1875 Crisp Uncirculated. Average centering. Last of this series. These notes always are amazing in that they survived so well after one hundred years. The paper and engraving arts were at the peak of perfection, I guess, as each was a work of art. I believe this will bring over \$300.
- 540 Fr. 69 \$5 1878 Crisp Unc. Well centered. No red overprint of date as above series has, but only one issue of this series and worth \$400 and up.

REFUNDING CERTIFICATE

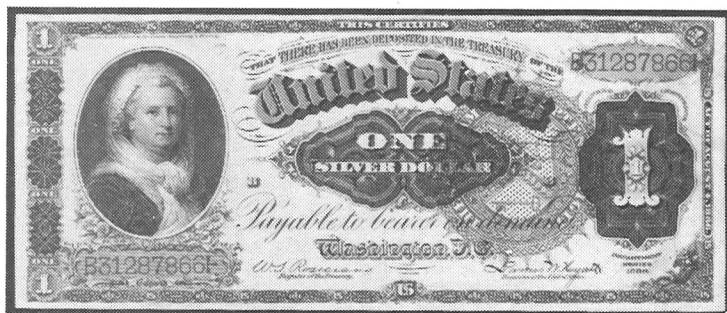

549 Fr. 214 \$10 Refunding Certificate 1879 Fine/VF. Folded into sixths and carried resulting in two heavy creases on obverse. (See photo.) Both folds have started to separate at top of note. A very bright note despite the folds and reverse is very clean from being folded to the inside. A very desirable type note, always in demand. You get to set the price on this one, but it should sell above \$400.

Eight Black Eagle Ones

- 557 Fr. 226 \$1 1899 AF *Inverted Reverse*. Yes, this is a 226 date-over serial number and an unusual large size error. Note is wrinkled but not dirty or worn as a VG, but not a full Fine either. Scarce and first issue. Est: \$200-\$250

- A pair of Windom 1891 Silver Certificates:

- 567 A pair of Windom 1891 Silver Certificates:
Fr. 245 1891 Crisp Unc and scarce in this condition. These notes are scarce in all grades. Note the even centering of the note. This note has a small red line at left end middle by 'U' of 'United' (note it in photo), hardly noticeable. Almost Gen quality and should bring just under \$1500
- 568 Fr. 246 \$2 1891 XF and Crispy. Three folds, two of them near the ends and one central, are noticeable on back of note. Again, a scarce note and in the condition everyone appreciates. It would fit into an Unc or a circ. set. Worth \$400
- 569 Fr. 254 \$2 1899 VG-F. Scarce Napier-Thompson sigs. Friedberg catalog in VG is \$100
- 570 Fr. 256 \$2 1899 Crisp Unc. Slightest of handling noted and top margin close. A lovely note, bright and crisp. A similar note brought over \$400 in our last sale.
- 571 Fr. 256 \$2 1899 Crisp Unc, well centered. Bright and crisp. Est: \$450

- 572 Fr. 272 \$5 1899 F + . Inverted reverse error Indian Chief note. Has been rumpled and crumpled but no worn folds or marks show up, as there are none, really, on top of the fine grade. A scarce error and worth \$250

- 573 Fr. 274 \$5 1899 XF/VF. A horizontal fold shows, bringing the grade below XF on this crisp and bright note. Probably will bring above \$150

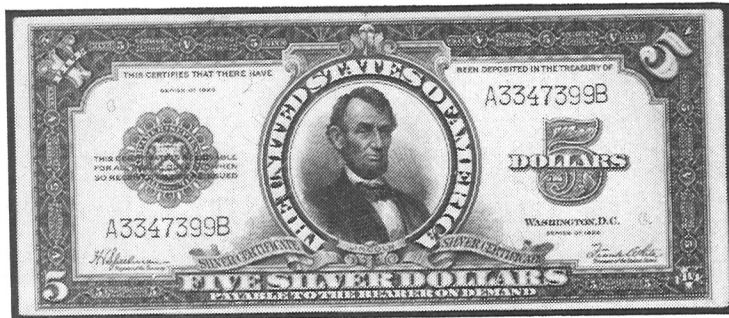

- 574 Fr. 276 \$5 1899 Unc. Scarce Thompson signature combination. This note has a fold about 1" long from ends like it was squeezed between two fingers, not noticeable, but noted. Bright, crisp and well centered. This note would be a steal at type price, so don't be fooled by bid and ask prices, as this note should sell near \$1000

- 575 Fr. 278 \$5 1899 F-VF. Small margin tear at left end. \$75

- 576 Fr. 280 \$5 1899 Crisp Unc. A little close at top margin and just a slight counting mark at top right, but easily worth over \$500

- 577 Fr. 282 \$5 1923 Crisp Unc. Just the slightest indication of soft corners, otherwise well centered, bright and crisp and a most desirable type note. Worth in range of \$700-\$800

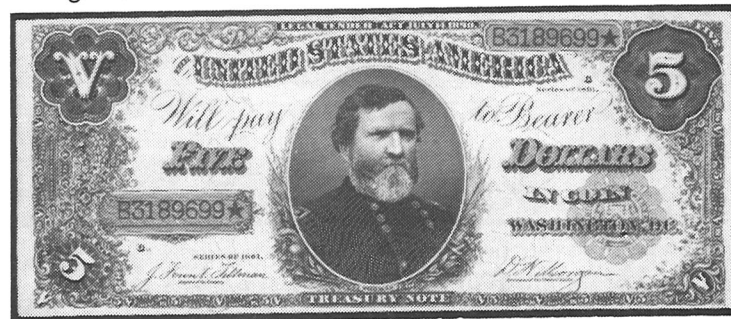

- 578 Fr. 311 \$20 1880 VG with frayed edges, but a whole and quite old Silver Certificate. A repaired tear at right end above and right of Decatur's head. Est: \$150 or more

A pair of 1891 Coin Notes:

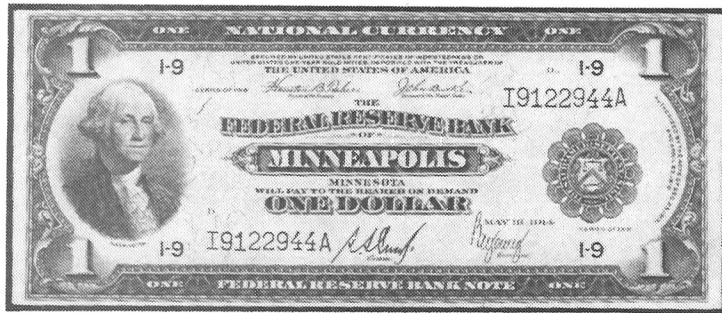

- 579 Fr. 352 \$1 1891 Crisp Unc. As nice as they come. Bright, bold and crisp. A similar note in Memphis three years ago brought \$1300. Now worth \$350 and up.

- 580 Fr. 363 \$5 1891 AU, being limp with slightly rounded corners and not full brightness keeps it from a better grade. Worth near \$300

FEDERAL RESERVE BANK NOTES 1915-18 and Regular Series 1914

- 581 Fr. 734 \$1 1918 Minneapolis XF-AU. A horizontal fold pressed out at one time, but very desirable for the grade. \$75

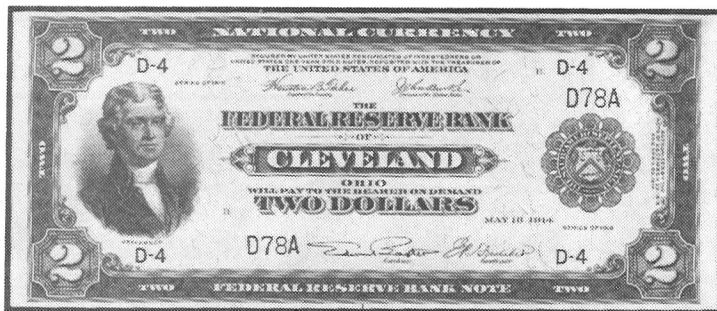

582 Fr. 735 \$1 1918 Minneapolis AU. A pressed out fold and light handling are noted on this rare note. For many working on the signature combination of \$1 Federals, this was the key note. Catalogs \$900 in VF and maybe will bring over half that. Maybe more.

583 Fr. 739 \$1 1918 Kansas City CU, bright and crisp and desirable for type. Est: \$150

584 Fr. 740 \$1 1918 Dallas CU. Above average as these come. Est: \$175

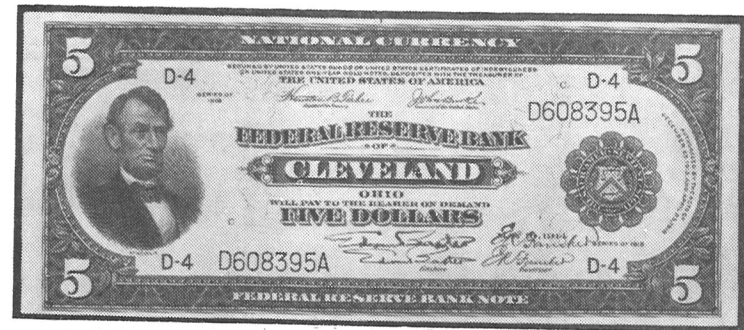

585 Fr. 743 \$1 1918 San Francisco AU. Teller's pinch at right end and fold keep it from CU, but it looks it. Est: \$75 +

586 Fr. 757 \$2 1918 Cleveland AU-Unc. Low #78. Faint counting marks noted at top right. Note appeared to have been washed and pressed, maybe to remove counting mark. A sharp note with good body and color. Est: \$200

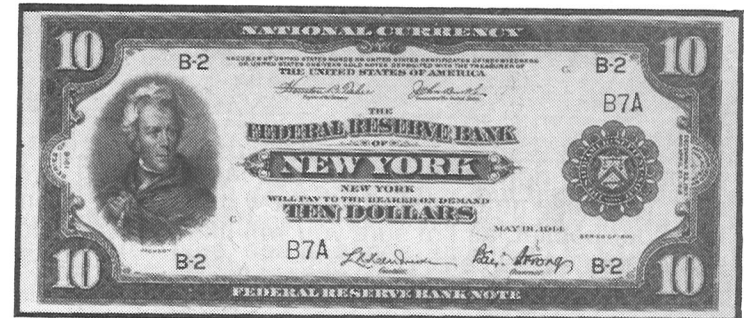

587 Fr. 761 \$2 1918 Richmond VF. Front looks better but reverse shows 3 folds. A very desirable note for type and sure to draw several bids around \$75

588 Fr. 776 \$2 1918 Dallas XF note, but tea colored stain at right third of note, probably from tea or coffee spill. Still worth \$100

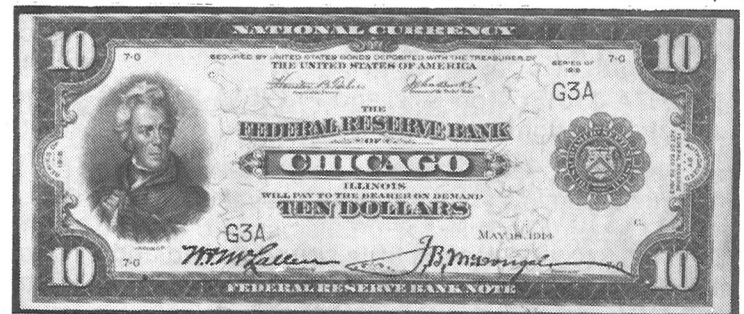

589 Fr. 785 \$5 1918 Cleveland AU-Unc. Autographed. A partial middle fold and a corner fold are noted, but a great note for type with bonus of autograph. Est: \$400

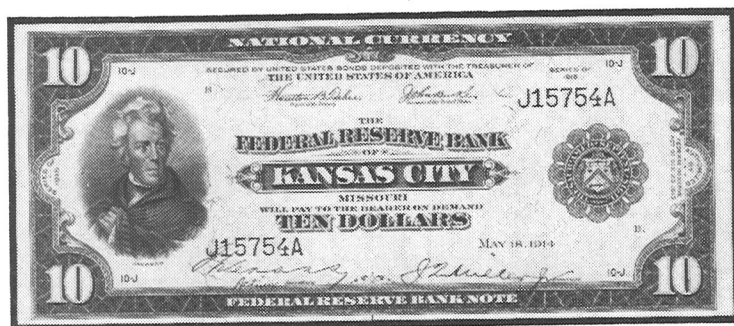

An extraordinary offering of three \$10 and one \$20 Federal Reserve Bank Notes: No accurate census of these notes has been made, but we know these notes have been handed down from the great currency collections formed in years past, how numbers like 3 and 7 speak of George Blake, who was around when these notes came out and realized the value of low and special numbers.

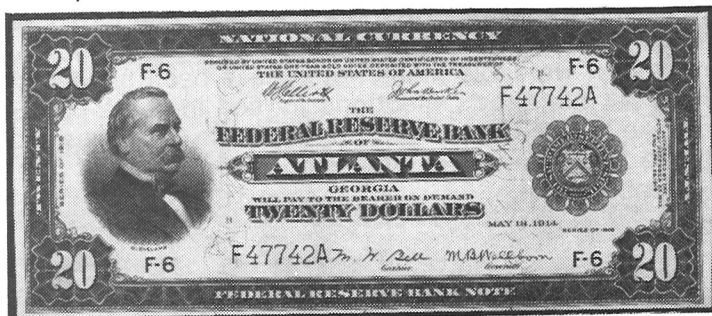

590 Fr. 810 \$10 1918 New York. CU and number B7A, besides being a pristine note. This note should exceed \$1250

591 Fr. 813 \$10 1915 Chicago Unc, close top margin, but low #G3A. This note was offered by Donlon in 1971. Red silk threads are quite prominent. Very scarce and desirable. A type note that few have and many aspire to. Bid its worth to you, but surely over \$600

- 592 Fr. 817 \$10 1915 Kansas City CU. Super type, the note is a near perfect note as ever came off the presses. Est: \$1100

- 593 Fr. 823 \$20 1918 Atlanta CU. A super type note and rare in all grades. The right end margin appears trimmed ever so slightly. These notes just don't show up for sale often. Dig into your pocket, as I'm sure you will like this one. Bidding should settle between \$1200-\$1500
- 594 Fr. 850 \$5 VF, Fr. 907 \$10 XF +, and Fr. 966 \$20 XF. Well matched for grade. 3 pcs. Est. area of \$75
- 595 Fr. 879A \$5 Unc and Fr. 887A \$5 Unc. A little handling noted on last note. 2 pcs. Well worth over \$100
- 596 Fr. 891b \$5 Unc and Fr. 951A \$10 AU. Two type notes, crispy and bright. worth \$100
- 597 Fr. 907A \$10 Boston Unc and Fr. 951A \$10 San Francisco AU, sharp. Bright pair. Again, worth near \$100

LARGE SIZE GOLD NOTES

- 598 Fr. 1171 \$10 VF-XF 1907 Series. Est: \$50

- 600 Fr. 1173 \$10 AbXF and Fr. 1187 \$20 VF. Great for the type collector or dealer. 2 pcs. Est: \$80 +
- 601 Fr. 1179 \$20 VG 1905 Red seal and numbers. #45680. Three heavy folds show with slight separation top and bottom middle. Scarce. Est: \$100

- 602 Fr. 1179 \$20 VG + 1905. Good body on this circulated note. Margins full and not frayed, corners square. This and above note have a wide price range for type, from \$100 in lower grades to \$10,000 in top CU condition. This points out that they were used with few saved in new condition. This note estimated at \$150
