SEALED Bid Auction

June 25, 1992

Introduction

Welcome to our sixth auction of the 1990s. I am very proud to continue our series of auctions with such a distinguished group of notes as we have to offer in this sale. Two collections that were many years in the making are included both of which contain notes of exceptional rarity either by virtue of their availability or superb state of preservation. Notes that are not normally available even at a major convention will be found in this sale along with notes rarely seen in the conditions offered here. Since so much of the material in this sale is so seldom seen, and to assist you in the close inspection we recommend, we will be bringing a halogen lamp to Memphis. This powerful light reveals every imperfection in clear detail and we believe it will be invaluable to the hobby in the future. The national bank note selection includes a rare newly surfaced \$20.00 Gold Bank note, a group of small size Wyoming notes representing all but one of the towns where the 1929 series were issued in that state, and several rare and unique notes particularly from Pennsylvania that have been unavailable for many years if ever. We are also pleased to make the libraries of two distinguished collectors available. We believe this material is worthy of respect and preservation and we hope you will consider adding to your own holdings in this field. As in the previous forty three auction catalogs I have been involved in, I hope that you will find notes that will enhance your collection, gladden your heart, and leave your purse relatively intact. I wish you all, Happy Hunting!

TERMS AND CONDITIONS OF SALE

To give all bidders an equal opportunity, bids will not be opened until the closing date of the sale. In other words, we will not know ourselves, and therefore cannot reveal, where the high bid is until the sale is over. To help us segregate bids from our regular mail, we are providing envelopes for use only for the mail bid sale. Please mark any other envelope you may use on the outside so that we can know it is a bid. Skeptics are invited to inspect the unopened bids up to the closing date.

To insure that your efforts are not wasted, mail your bids in early. We will be pleased to discuss and further describe any of the lots by phone,, but we must insist that telephone bids be confirmed in writing sent before the deadline. Fax and overnight letters are acceptable. All bids will be opened June 25, 1992.

1. Each lot will be sold to the highest bidder unreserved at a slight advance over the next highest bid. In the event of identical bids, the earliest postmark will receive the lot.
2. As in all legitimate auctions, the second highest bidder will set the price. Up to the \$1000.00 level, advances will be ten per cent with a \$50.00 maximum. At \$1000.00 and over, advances will be 5%. This method will permit a bidder to make a liberal bid with the assurance that his bid will be reduced to the indicated amount above the next highest bid. In cases where only one bid is received, the estimate will be used as the underbid. You should consider your bids in this auction to be your limit rather than your bid.
3. All lots are guaranteed genuine and as described. Please be sure you are bidding the correct amount on the proper lot. Only signed written bids are acceptable. These bids are a binding contractual offer on your part.
4. All successful bidders must remit payment immediately upon receipt of invoice and/or lots. The cost of packing, postage and insurance will be added to the invoices. Lots delivered in Iowa are subject to state sales tax of 4% unless a resale number is given.
5. All photographs are of the actual lots being sold.
6. Prices or estimates given reflect the opinion of the cataloger as to what the lots should or probably will bring. Higher rather than lower valuations are expected to prevail.
7. Alternate and limited bids are acceptable. These can be handled much more efficiently in a sealed bid auction. No buy or unlimited bids are acceptable.
8. GRADING is intended to follow normal standards with a conservative approach. However grading cannot be considered a precise science, and opinions may differ from individual to individual. We guarantee our professional best efforts to properly grade and describe all the lots in this auction. We place our reputation and twenty five years experience on the line with every lot.
9. All invoices are scheduled to be mailed to the bidders within 72 hours of the close of the auction, and payment must be made within five (5) days of receipt of the invoice. It is the responsibility of the bidder to assure such payment or provide alternative arrangements in the event of circumstances which could cause a delay. Bidders will have five (5) after receipt of the material to return any lots misgraded or misdescribed. Lots must be returned intact in the original holder unmolested. No lots may be returned for any reason after thirty days from the sale date.
10. We intend treating our clients as we ourselves would be treated. Any dispute that may arise can be resolved by reasonable negotiation. We WANT to be fair.
11. A 5% buyers fee will be added to the total invoiced amount.

RARITY

The rarity ratings are based on the known notes in either large or small size series notes. This project began over twenty five years ago and has been contributed to by over 350 individuals and institutions. Approximately 135,000 notes have been recorded. The rarities are constantly changing as new notes are added to the census. This is an ongoing project and we appreciate the help we continue to receive. We all benefit from accuracy. The rarity scale is as follows:

- R6 None, one or two notes known to us
- R5 three, four or five notes known to us
- R4 six to eleven notes known to us
- R3 twelve to twenty four notes known to us
- R2 twenty five to fifty notes known to us
- R1 Over fifty notes known to us.

An asterisk (4*) indicates that one or more uncut sheets are counted in the rarity for that bank.

GREENBACK PROPAGANDA

141 \$1000.00 The Peoples Money, Absolutely Irredeemable. Benjamin F. Butler, the mint and a paper mill vignette are on the face, with Butler feeding geese with paper stamped "This is corn" and "This is meal" on the back. This is one of the more interesting of the satirical notes issued during the 1870s when the Greenback party was agitating for reform of the currency. There are a couple of minor margin splits and light discoloration. Interesting and historic. Almost identical to the one in our Cherry Hill sale that realized \$82.00.

142 \$1.00 Legal Tender facsimile with greenback propaganda and advertising message. "ORGANIZE GREENBACK CLUBS! -- FOR THIS WE WILL BATTLE! BY THE PEOPLE- NATIONAL GREENBACK CURRENCY- FOR THE PEOPLE -- LET ONLY THE NATIONAL GOVERNMENT ISSUE OUR MONEY-- BURN THE BONDS, PAY THEM ALL IN GREENBACKS, BOUNCE THE NATIONAL BANKER. Count Honestly, Register, Honest John, Treasurer. Ad on the back for Curtis & Mitchell 15 Federal Street, Boston "Best self inking presses in the World" Wild Cat money with a cat's head. Business card size. Very fine and attractive. Worth?

143 \$1.00 Legal Tender satirical facsimile This note is so similar to the Fr 16 that it is virtually a counterfeit. The portrait is different and faces left, but the legend on the back is the same with "INCLUDING THE 5-20 BONDS" added. The face reads " THE PEOPLE OF THE/ UNITED STATES/ Promised to pay the/Bondholders/ in Greenbacks and they/ WILL ENFORCE/ The Contract. No seal or serials but with green counters at the bottom and over the signatures. This is one of the rarer and more interesting greenback propaganda notes. Worth?

144 1000 LAUGHS BREWSTER'S MILLIONS "FATTY" ARBUCKLE A Paramount Picture. This advertising note has a gold back to suggest a gold certificate, with a place to indicate the theater where the movie was playing. Below his name is the ironic legend, "WORTH HIS WEIGHT IN GOLD" This film was made in 1921 and before the year was out Arbuckle was accused of rape, resulting in three trials and sensational newspaper coverage. All his films were shunned by the public and withdrawn from the theaters and his career over. The "Hays" office was organized as a direct result of the scandal. A great "showbiz" currency tie-in. Worth to you?

Notes of this series were also known as coin notes since they were redeemable in gold or silver coin at the discretion of the Secretary of the Treasury. This is really a superior specimen of this elusive type and will likely exceed the green sheet value of \$375.00.

203 Fr 360 \$5. 1890 # A3594114* VF+. George H. Thomas portrait vignette. General Thomas was known as the "Rock of Chickamauga" after that great battle in 1864. This note has the ornate back with the FIVE spelled out in large letters. This elusive type will probably realize in the \$500.00 range.

204 Fr 367 \$10. 1890 # A7231493* VF+. General Philip Sheridan portrait vignette. TEN spelled out in large letters on the ornate back. A perfect companion for the five, and likely to realize in the same range.

FEDERAL RESERVE NOTES

205 Fr 710 \$1. FRBN Boston A-1 A33131585A Choice AU. One difficult to see light fold from a choice CU note. (\$50.00)

206 Fr 721 \$1. 1918 FRBN E-5 Richmond, Choice CU. Cut sheet of four notes. #'s E2673541A-42-43-44. These are beautiful, flawless specimens you will be proud to own. They have the spread eagle clutching the flag on the backs. These are nice enough to realize about \$500.00.

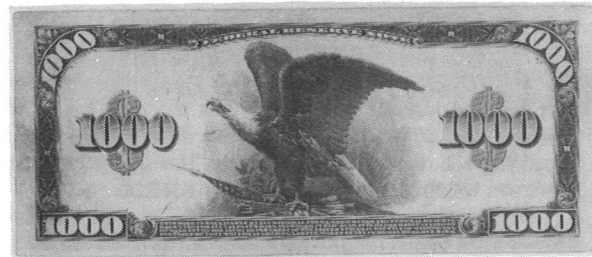

207 Fr 743 \$1. 1918 FRBN L-12 San Francisco # L445430A AU. This lovely note is so lightly folded that it looks uncirculated. (\$50.00)

208 Fr 765 \$2. 1918 #G1841028A AU. The Battleship Deuce. No folds. This note is so close to uncirculated that but for a couple of ink dots in the right back margin as made, and very light foxing it would qualify as CU. Still worthy of bids of \$175.00 or more.

209 Fr 871 \$5. Federal Reserve Note # G15459464B CU Fresh and crisp. (\$50.00)

210 Fr 1046 \$50. Federal Reserve Note # F694928A 6-F Atlanta Choice CU+. We would call this note a flaming gem but for a tiny pin hole sized green ink dot in the lower border of the back, as made. As it is, we'll say it's the nicest we've ever seen and predict that it could very well realize into four figures. The green sheet quotes this note in CU ask @ \$400.00, in Choice CU @ \$850.00 and Gem CU @ \$1800.00. Quite a spread. By way of contrast, the \$100.00 in CU ask is \$425.00, in Choice CU \$525.00 and Gem CU \$800.00. This tells me that the top grade fifty is better. You decide.

211 Fr 1104 \$100. Federal Reserve Note # F395908A 6-F Atlanta Uncirculated. Reduced from CU to Uncirculated for one soft corner and very light toning of the paper. Still very attractive and should realize \$300.00 to \$400.00.

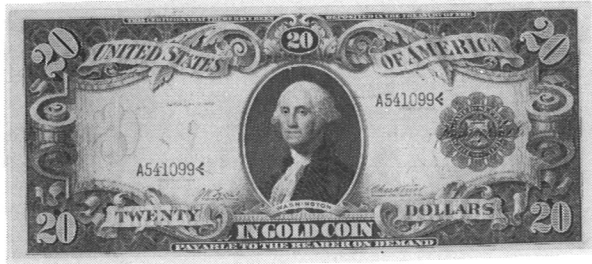

212 Fr 1133 \$1000. FRN 1918 # L8926A 12-L San Francisco with the spectacular spread eagle back. This is a very presentable, unmolested and unimpaired, old style fine note. A few pinholes and counting smear is noted for the sake of accuracy. In buying a note like this at auction our 5% buyer's fee starts to make a difference, \$50.00 less on the face value alone. Green sheet ask in fine is \$1700. Your bid?

213 Fr 1173 \$10.00 1922 # H1805700 VF/F
The last of the ten dollar gold backs in a very attractive grade. (\$50.00 +)

214 Fr 1178 \$20. 1882 Department Series # C12384083
Fine or better, particularly the face. This is the last and the most affordable of this Design (#148). (\$250.00)

215 Fr 1180 \$20. 1905 #A541099 VF/F. The justly renowned "Technicolor" Gold certificate, considered by many to be our most beautiful piece of currency. Two tiny pinholes are mentioned for the sake of accuracy but you'll have to look closely to find them. We like this note and we think it will realize \$750.00 or more.

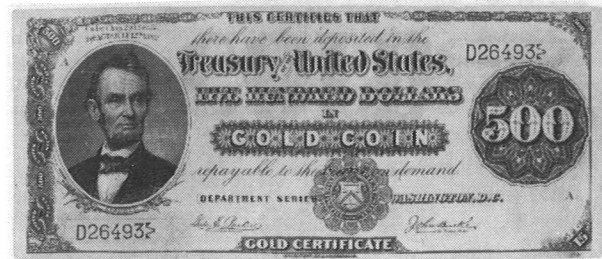

216 Fr 1187 \$20. 1922 # *448721D VG. Numerous pin holes but evenly circulated. This signature combination offers you your best chance to obtain a large size gold certificate star note. 38 notes were reported as known in Doug Murray's 1985 book. No doubt additional notes have been reported since then. His catalog value in VG-F is \$180.00. Your bid ?

217 Fr 1195 \$50. 1882 Department Series # E81583 Fine. This note is an almost perfect mate for the twenty. Appears to have been trimmed. Still very attractive and should realize 4350.00 or more

218 Fr 1200 \$50. 1922 # B5316086 < XF-AU. This beautiful note has the kind of color that made the gold backs so desirable. Old timers who were around when these were circulating still remember them fondly. This gently handled specimen will likely realize in excess of \$350.00.

219 Fr 1214 \$100. 1882 Department Series # M1138785 Fine. This is the next to last signature combination of this type and this specimen is suitable to go with the twenty and the fifty for an attractive type collection. (\$350.00 +)

220 Fr 1215 \$100. Gold Certificate # N1156709 VF-XF The last of the \$100.00 gold certificates with an unbelievably vivid gold back you'll love. Anything nicer than this beauty will probably cost four figures. This gorgeous note is not likely to realize less than \$500.00.

221 Fr 1216a \$500. Department Series 1882 # D26493 VG+. Less than two dozen of these around and seldom available. No pinholes or heavy folds, and with good color. We think this note is a suitable companion for the twenty, the fifty and the hundred departmentals in this sale, and that a realization in excess of \$1500.00 is probable.

222 Fr 235 \$1. 1899 # H3480719A Fair, plus Fr 237 1923 # V56755300B VG-F. Two large \$1.00 silvers. (\$15.00)

Nearly thirteen million were delivered, with something less than half being the A-B block. Single notes are available @ \$60.00 to over \$100.00. NATIONALS, OBSOLETE and RELATED MATERIAL BY STATE

ALABAMA

239 \$10.00 1929 The First National Bank of Birmingham Fine. Charter 3185 # E039000A R 1. This note would be of minor interest but for the fact that it is a hand numbered replacement note. In the case of defective sheets of National Bank notes caught by inspectors, the entire sheet was substituted with a hand numbered replacement. Collectors of star notes will doubtless tell us what this note is worth.

240 \$20.00 1929 type two The Selma National Bank VG Charter 7084 #A000950 R 4. Just three of the eleven recorded notes are type two twenties. Pencil teller numbers on face, otherwise evenly circulated. (\$35.00)

ARKANSAS

241 \$10.00 1929 The First National Bank of De Witt VG Charter 10178 # C000860A R 4 Two of the seven small size notes in the census are type one tens. Notes from this bank are seldom available. (\$150.00)

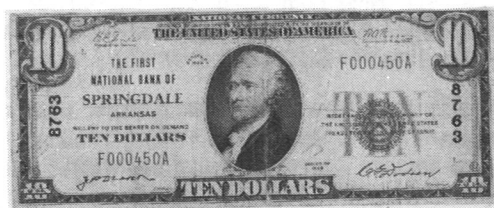

242 \$20.00 1929 type two The Merchants National Bank of Fort Smith Charter 7240 # A000784 R 3. Fine. Of the twenty two small notes logged from this bank, this is the only type two twenty. This scarce denomination will probably realize about \$75.00.

243 \$20.00 1929 type two The Planters National Bank of Mena Charter 13693 # A000748 R 4 VG. Mena is named for Queen Wilhelmina of the Netherlands. Two of the seven small size notes in our census, all type two, are twenties. Even with three banks Mena remain a difficult Arkansas location from which to obtain a note. (\$200.00)

244 \$10.00 1929 The New First National Bank of Paragould Charter 13155 # A0005645A R 4 Fine. This north east Arkansas town is named for J. W. Paramore and the infamous Jay Gould who brought the railroad to the area. Four of the six recorded notes are tens. (\$100.00+)

245 \$5.00 1929 The American National Bank of Rogers Charter 10750 # C000730A R 4. VG. Rogers is a mountain resort in the northwest corner of the state. Two of the nine small sized notes in the census are fives. T. E. Harris and W. R. Spikes signatures. (\$100.00+)

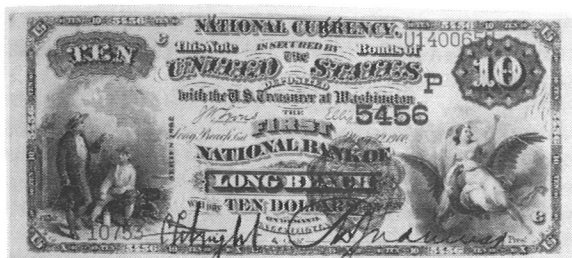

246 \$5.00 1929 The First National Bank of Springdale Charter 8763 # C001208A R 5 VG-F. Springdale is near Rogers in Washington County. Both are close to Bentonville where the headquarters of the fabulously successful Walmart stores are located. We know of no other fives. This is a better Arkansas note and it will probably realize \$150.00 or more.

247 \$10.00 1929 The First National Bank of Springdale Charter 8763 # F000450A R 5. VG. Another rare opportunity. Take your choice of denominations. Two of the five recorded notes are tens. These two notes together are 2/5ths of the small notes in our census. Arkansas notes have recently been under great pressure with new collectors coming into the field. This situation is long overdue. This note is not likely to realize less than \$100.00.

WE APPRECIATE YOUR BID

CALIFORNIA

248 \$10.00 1882 Brown Back The First National Bank of Long Beach Charter P 5456 Fr 490 # 10753-C R 3 VF. This is an exceptionally vivid note, with vanity brown pen signatures of C. L. Wright and R. D. Judkins. This was the only one among the seven national banks chartered in Long Beach that issued notes of the second charter period. Three tens and a twenty are known to have survived. Philip Krakover paid \$1250.00 to acquire the twenty in very good condition. This very attractive note should easily attract bids approaching \$1000.00.

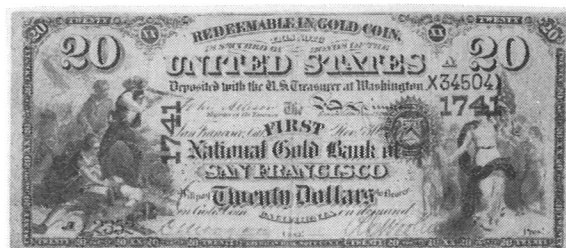

249 \$20.00 1929 The First National Bank of Napa CU Charter 7176 # D000342A R 1. Well centered. A similar note realized \$260.00 in our Memphis auction last year.

250 \$20.00 1929 The First National Bank of Napa CU Charter 7176 # D000341A R 1. Another, not as well centered but strictly CU. Worth nearly as much as the last.

251 \$5.00 1902 Dates The United States National Bank of San Diego Charter P 10391 Fr 596 # 3437-D R 4. VG. A little ratty at the top with several margin splits, but an attractive note over all with vivid green pen signatures. Amon Carter had the number one dated back five, but we know of no others. San Diego is beyond doubt, the most elusive of the major California cities from which to acquire a large size note. This note was lot 454 in our Krakover sale in March, 1990, where it realized \$210.00. Now worth?

252 \$20.00 1929 Bank of America National Trust and Savings Assn. Charter 13044 # A063017A R 1 F-VF. A nice clean copy from the longest title found on the 1929 series. (\$30.00)

253 \$5.00 Original The FN Gold Bank of San Francisco # 5145 Charter 1741 Fr 1136 # 5145-B VG. This is a high end very good note, evenly circulated and with no impairments other than the honest evidence of having circulated and fulfilled it's purpose. The paper is unbroken at the folds, none of which are heavy as is so common on most of these. These gold bank notes are unique in American financial history and they generally remained in circulation until they started coming apart and became "Unfit to circulate". This specimen is superior to 90% of the others, including many assigned higher grades. (\$750.00)

254 \$20.00 Original The First National Gold Bank of San Francisco Charter 1741 Fr 1152 # 2352-A R 1 Fine. Variety with charter number and in this instance, quite vivid. This denomination represents a very small percentage of the gold bank notes with a total of twenty one of this variety from this bank with the notes of all nine banks totaling fifty one original notes and nine 1875 specimens. This note is definitely in the upper range of the known notes with excellent color, good signatures and no impairments. The most recent comparable example was sold by Stacks in October 1988 @ \$3300. This new discovery is worth as much or more.

255 \$5.00 1882 Brown Back The Wells Fargo NB of San Francisco Charter P-5105 Fr 477 # 49804-F R 1 VF/F. A new addition to the California census is always welcome, and if it's an attractive five dollar brown back with a great western title like this one it's sure to be a popular lot. (\$150.00+)

COLORADO

256 \$10.00 1902 The Greeley-Union National Bank Charter 4437 Fr 627 # 4883-A R 3 VG-F. This note is an old friend from the first St. Louis International paper money auction conducted by H & O in November 1985. It sold then at the bargain price of \$55.00. Now, nearly seven years later, Colorado notes are in greater demand and it should realize two to three times that figure.

CONNECTICUT

257 \$5.00 1902 Dates The Danbury National Bank Charter N-943 Fr 590 # 6867-F R 3 Fair-AG. This heavily circulated note is one of just two of this denomination and type known to us with this title. The wear is mostly at the center fold and the right end. Bid your pleasure.

258 \$10.00 1902 The Middletown National Bank Good Charter 1216 Fr 624 # 61396-I R 2. Another well circulated note that has paid it's dues and is deserving of a good home. Worth to you?

259 \$5.00 1902 The Hurlbut National Bank of Winsted Charter N 1494 Fr 599 # 36353-H R 3 VG. We know of one other blue seal five from this private name bank. This bank was located in West Winsted in the town of Winchester. Winsted was incorporated as a city in 1917. (\$100.00+)

264 \$50.00 1929 The First National Bank of Miami VG-F Charter 6370 # C000239A R 1*. You can find a hundred without much difficulty since about a dozen of them are recorded, but this note and four others make up the single fifties we know of. Additionally, an uncut sheet lurks in the weeds. This specimen has a light purple 5 near the portrait, a common practice of bank tellers. Three of the other fifties are no better so until and unless the sheet gets cut, this note is a good candidate for bids of \$200.00 or so.

265 10 cents St. Petersburg Citizens Emergency Committee # 1361X Uniface F1390-10. Not good after December 31, 1933. Uncanceled. XF. Catalog value \$50.00.

266 \$5.00 As Above CU # 4995B FL390-5c This lot, the last and the next were created for the convenience of the tourists who were left without cash during the bank holiday of March, 1933 and they were all secured by the deposit of the travelers' checks, money orders etc. owned by the tourists. A list of the acceptable collateral is printed on the back. Catalog value: \$40.00.

Depression scrip like these make an interesting addition to a collection of paper money, particularly of nationals which are location oriented.

269 \$20.00 1929 The First National Bank of Elberton F Charter 9252 # C000203A R 3 This is a very presentable note from the granite capital. We count just three twenties out of the eighteen recorded notes, some of them uncirculated. This one will probably go to the collector who likes a scarce denomination or one of each denomination that the bank issued. I'm told that the Mayor of Elberton occasionally was accommodated with a loan without being required to sign a note back in the note issue period. (\$100.00 or so)

ILLINOIS

270 \$10.00 1929 The First National Bank of Barrington VG Charter 11283 # C000853A R 5. From Lake County in the north east corner of the state. This is the fifth note we know of, and the first we've handled since 1987 when a VG twenty realized \$85.00 in the H & O Memphis sale. (\$50.00+)

271 \$10.00 1902 The Batavia National Bank Fine Charter 9500 Fr 626 # 18785-A R 4. This small bank issued only Ten dollar notes and we can account for eight survivors, mostly in this grade or lower. In July, 1935, 368 notes were unredeemed. During the years from 1909 when the first notes were issued, to 1935, probably half of that number was either lost or destroyed, with most of the others being redeemed before 1960. The fact that a still attractive specimen can be acquired at a reasonable cost with inflated dollars in 1992 is remarkable. (\$50.00+)

272 \$20.00 1929 The First National Bank of Batavia F-VF Charter 4646 # B000414A R 4. Seven notes in the census, four tens and three twenties, all type one. This attractive specimen should well exceed \$50.00.

273 \$20.00 1929 The First National Bank of Beardstown VF Charter 3640 # E000483A R 3. F. M. Condit and John Schultz signatures are on this attractive note. This one should approach \$75.00.

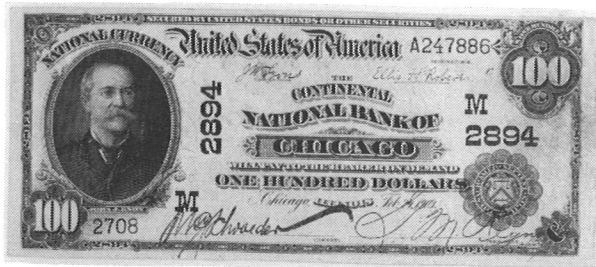

274 \$10.00 1929 The First National Bank of Cambridge Charter 2540 # B000237A R 4 F-VF. I'm told there are six notes known from this bank, but I can only verify three. Possibly the others are from The Farmers National Bank, Charter # 2572. Either way, this is an elusive Henry County note in better than average condition signed by F.B. and B. Hadley that will add to or upgrade a collection. (\$75.00)

275 \$10.00 1902 The Hancock County National Bank of Carthage Charter M 1167 Fr 624 # 14625-E R 3 Fine, rust. The rust spots are mostly on the back of the note with one pinhead size hole. All twelve of the large size notes known to us are tens and all but three are plain backs. Bid your pleasure.

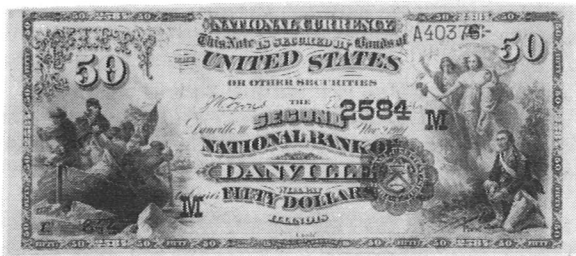

276 \$1.00 Original The First National Bank of Charleston Charter 763 Fr 380 # 3106-A R 3 Poor. with discolored areas and missing corners at the top. We are glad to tell you that an XF specimen is known, plus a brown back five and ten third charter notes. You can wait around and hope, or you can bid on this early note.

277 \$10.00 1929 Alliance National Bank of Chicago Fine Charter 12001 # B001397A R 4. All the nice notes from this bank are twenties. Heres a very acceptable ten worth about \$40.00.

278 \$5.00 1902 The Lawrence Avenue National Bank of Chicago VG-F Charter 12873 Vt 609 # 28661-C R 5 Cut close at the top, touching the design and with the penned number 2032 in the UL corner. That said, this note must be counted among Chicago's better notes with only four other specimens in our census. (\$100.00+)

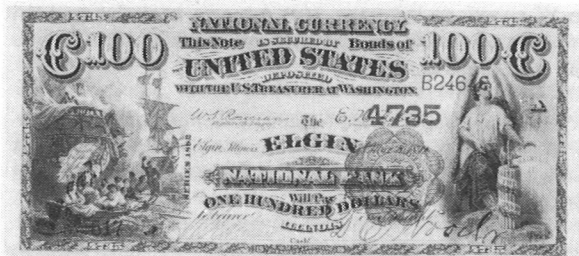

279 \$100.00 1902 Dates The Continental National Bank of Chicago Charter M-2894 Fr 689 # 2708-C R 2 Fine. This is a unique type from a common bank. Only 5607 notes were issued in this type and we know of no others. This note is crisp enough for a very fine specimen and it is well centered and attractive. Only counting soil lowers the grade to an affordable level. Collectors are only recently becoming aware of the true rarity of this type and denomination. We will predict a realization of between \$300.00 and \$500.00 for this rarity.

280 \$50.00 1882 Dates The Second NB of Danville VF Charter M-2584 Fr 563 # 644-E R 3. This is a very elusive type to acquire in better state of preservation. This specimen is from the Bob Schermerhorn collection, and went to Harry Bass to Lyn Knight to Wm. P. Donlon. In 1986 it was sold by Roland Hill to the present consignor. Another specimen exists from this bank in very good condition. It was sold by H & O in October 1984 @ \$450.00. This very scarce Illinois type should attract bids in the \$850.00 to \$1000.00 range.

281 \$10.00 1929 The First National Bank of Dwight VG-F Charter 8044 # B000496A R 4 Six of the ten notes in the census are type one tens. This nice first name note will likely realize about \$50.00.

282 \$100.00 1882 Brown Back The Elgin National Bank VF Charter 4735 Fr 513 # 517-A. This rare and attractive note was Lot 3259 in the Grinnell sale where it realized \$132.50. It

reappeared as lot 433 in the H & O 28th sale of June 1985 where it realized \$600.00. It remains a unique type for the bank, and is one of only three large size notes we know of. A pedigree note, nice enough for a type as rare as this one is worthy of a liberal bid that is likely to approach \$1000.00.

283 \$10.00 1929 The First National Bank of Elmhurst VF Charter 9836 # B000169A R 5. Another small bank that issued only ten dollar notes. This note is one of only four known to us and it is cut very close at the top and into the design at the right. Still attractive and rare enough to realize \$100.00 or more.

284 \$1.00 Joliet Clearing Association CU # A 57134 and A 57152 IL230-1a Printed on watermarked Protod-Greenbac safety paper. Two handsome specimens with a catalog value of \$18.00 each.

285 \$20.00 1929 type two The First National Bank of Malta Charter 5815 # A000010 R 5 VG. This is a rare DeKalb County note, the only type two we know of from this community of 391 when this note was issued. Only 94 type two twenties were issued and we don't expect to see another. This is a very difficult town from which to obtain a note This rarity will likely exceed \$150.00.

286 \$20.00 1929 The First National Bank of Ottawa VG Charter 1154 # F000312A R 3 We've seen just two 1929 series notes in Very Fine or better from this bank. Most of the others are poor to very good. If you are waiting for a nice one, good luck. Meantime, this one is available. (\$30.00)

287 \$5.00 1929 The First National Bank of Wilmette VG Charter 10828 # A002938 R 4 There are three more fives plus two tens and four twenties in the census. (\$25.00 or more)

INDIANA

288 \$10.00 1882 Brown Back The Old National Bank of Evansville Charter 3281 Fr 480 #2449-B R 5 Good. Dated New Years eve, 1884. This small bank bowed out twenty years later and this well circulated specimen makes the third note to appear. A tear at the top center extends half way down the note, and there are a few nicks in the top border, otherwise this rare note would grade very good. Brown pen signatures are clear and attractive. Rare enough to command a respectable bid, likely to approach \$100.00.

289 \$20.00 1902 Dates The Citizens National Bank of Franklin Charter M 3967 Fr 644 # 4136-A R 5 AF. This note changed the rarity from 6 to 5 for this bank. The other two notes are a ten dollar brown back and a twenty dollar blue seal. A nick in the lower margin, not into the design lowered the grade on this otherwise fine note. Assistant cashier and vice president signatures. This note is rare enough to realize \$100.00 plus even in Indiana.

290 \$100.00 1929 The Farmers and First National Bank of New Castle Charter 9852 # C000102A R 5 VG. This is the fifth note and the third hundred reported from this bank (the other two are fifties). Appears to have been saved in a wallet. Worth?

291 \$20.00 1929 The First National Bank of Portland AVF Charter 7180 # A000233A R 4. An elusive denomination from this small closely held bank in a very attractive state of preservation. (\$100.00)

292 \$20.00 1929 The First National Bank of Richmond VG Charter 1988 # C001643A R 3. We count four other type one twenties and nine additional small size notes from this bank in our census. (\$35.00)

293 \$5.00 1902 The Farmers & Wabash National Bank of Wabash Charter 6309 Fr 598 # 5856-B R 6 VG-F. This title was adopted December 31, 1927 and it appeared only on this denomination and this is the discovery note in large size. Bold black signatures of Geo. L. Martin and Chas S. Hass and no impairments make this unique note a real prize. Large size notes issued very late in the third charter period like this one are usually difficult to obtain in any condition. We predict this note will approach or exceed \$200.00.

IOWA

294 \$1. \$5. \$10. \$20. Des Moines Clearing House Certificates IA325-1-5-10-20. Set of four CU. Eagle, shield and two flags at lower center in green, blue, lilac and light gold underprint. Uniface, dated March 10, 1933 unissued and with punch cancel. One of the three signatures is that of Grant McPherrin, president of the Central National Bank, charter number 13321. The catalog value is \$40.00 each. The surfacing of a small group indicates a temporary price decline to more like \$10.00 to \$15.00 each.

295 \$10.00 1929 The First National Bank of Essex Fine Charter 5738 # D000136A R 4. Eight of the eleven recorded notes are twenties, most of which are in strong hands. This note has just recently surfaced and it will probably realize \$75.00 or more.

296 \$20.00 1902 The Peoples National Bank of Independence Charter M 2187 Fr 657 # 1882-A R 2 Fine. We've recorded over thirty notes from this bank, but just four are plain back twenties. This nice unmolested specimen should realize \$50.00 or more.

297 \$10.00 1929 Sioux National Bank in Sioux City VG Charter 4510 # B000017A R 4. With only seven small size notes recorded, mostly in lower grade, this is the most elusive of the Sioux City banks to acquire in this series by far. This is the lowest serial of the group, and one of the more presentable. (\$50.00+)

KANSAS

298 \$20.00 1902 Citizens-First National Bank of Independence Charter 4592 Fr 658 # 31096-A R 4 Fine. This note bears the second of three titles used by this bank, with two other twenties and four tens accounted for (\$75.00)

KENTUCKY

299 \$10.00 1929 The American National Bank of Bowling Green Charter 9365 # F001003A R 4 VF. This is the finest of

the four type one tens we know of. Five other notes have been accounted for, only one of which is VF. This note is no worse than tied for the finest of the group. (\$100.00)

300 \$20.00 1929 The Carrollton National Bank F-VF Charter 3074 # F000061A R 4. Fingerprints and discoloration. This note should be examined by the buyer to determine if it's mishandling is acceptable. Four other type one twenties are recorded, along with another five small size notes for a total of ten. (\$100.00)

301 \$10.00 1929 type two The National Bank of Cynthiana Charter 1900 # A003829 R 4 VG. Two of the seven small size notes in the census are of this type and denomination, the other note being of the same grade. (\$100.00)

302 \$20.00 1929 type two The Farmers National Bank of Danville Charter 2409 # A000040 R 5 VG-F. Just five 1929 notes recorded, and this is the lone type two. (\$100.00)

303 Three early checks drawn on the Bank of Kentucky, Frankfort in 1810, 1812, and 1814. VF or better. The first is for \$1187.40, a great sum for the time, payable to our note or bearer, the second is for \$98.93 to self drawn by James Guthrie, the third is for \$1015.00 drawn by George Ratliff. These are very early checks for this bank which operated in Frankfort 1807-1822. They measure about 2 " by 6 " and were cut from a larger sheet. Worth?

304 \$10.00 1902 The First National Bank of Harrodsburg Charter S 1807 Fr 627 # 6297-C R 6 AG. If this note was from a common bank it would be considered " Unfit to circulate " and a candidate for redemption. Since we know of only one other note from this bank, located in the oldest city in the state and the birthplace of Abraham Lincoln, we must suggest that it's preservation is deserving. Ratty borders are the main problem, otherwise evenly circulated. Your bid?

305 \$20.00 1902 The First and City National Bank of Lexington Charter S 906 Fr 656 # 22104-A R 2 VG. There are only three twenties with this title in the census. This note is cut slightly into the design at the bottom with a sliver of about 1/16th " at the widest at the top. (\$50.00)

306 \$5.00 1929 type two First National Bank and Trust Company of Lexington Charter 906 # A117174 R 1 CU. Extra wide margins make this note a good choice for a type collection. (\$50.00)

307 \$5.00 1882 Dates The Citizens National Bank of Louisville Charter S 2164 Fr 534 # 18930-C R 3 VG. This note is evenly circulated, well centered and has bold legible signatures of S. B. Lynd and H. C. Rodis. We know of only two others of this type and denomination with this title. (\$100.00+)

308 \$10.00 1902 Dates National Bank of Commerce of Louisville Charter S-9241 Fr 618 # 25384-F R 4 XF-AU. Two of the six notes in the census are of this type and denomination, and none are as nice as this gently handled note. Cut close at the top but as bright and crisp as a just printed note. (\$200.00 or more)

309 \$5.00 1929 type two The Montgomery National Bank of Mt. Sterling Charter 6160 # A008316 R 5 VG. This bank issued only five dollar notes in the 1929 series and we only know of four of them, all type two. There must be others but they have eluded us. Meantime, a bird in the hand, etc. (\$50.00+ +)

310 \$10.00 1902 The Peoples National Bank of Paducah Charter 12961 Fr 635 # 5849-B R 6 VG. This bank was the last bank chartered in Kentucky that issued large size notes, and we know of only two specimens. Just 26,052 notes placed in circulation over a period of only three years equals a note bound to be rare in all probability. The grade has been lowered on this very rare note in consideration of two numbers penned on the back, and the very faint bank signatures. Still rare enough for a respectable bid of \$100.00 plus.

LOUISIANA

311 \$20.00 The Bank of Louisiana VF
LA-75 G18a This bank became the Louisiana National Bank of New Orleans, Charter number 1626. Catalog Value: \$20.00.

312 \$1., \$2., \$3., \$5., \$5., & \$100. The Citizens Bank of Louisiana LA-15 G2, G4, G6, G12c, G14a & G46b CU. A nice assortment with a catalog value of \$45.00.

313 \$10.00 The Citizens Bank of Louisiana The famous Dix note LA-15 G26a CU. This colorful and historic note circulated up the Mississippi to St. Louis and beyond and the south became known as the land of the Dixies where the good ten dollar bills came from. This very popular note will likely realize \$100.00 or more.

314 \$50.00 As Above CU
LA-15 G40a A better denomination and a beautiful note. Catalog value is \$30.00.

315 \$1000.00 As Above CU
LA-15 G54b Even better denomination with a catalog value of \$50.00

316 \$10.00 & \$50.00 (3) As Above, payable at Shreveport LA-15 G60a & G72a CU. Four notes that catalog \$30.00.

317 \$1.00 The City of New-Orleans Dated Oct 24, 1862 C-338. VG-F. Cut unevenly. This is a quality green and black note engraved and printed by the American Bank Note Company. (\$25.00) This lot had the misfortune of having a duplicate lot number (333) in our Memphis auction last year and was returned by the bidder who won the wrong lot.

318 \$500.00 The New Orleans Canal and Banking Company LA-105 G70a CU. This note features a beautiful side wheeler in the central vignette. Catalog value: \$35.00.

319 \$1000.00 As Above CU
Charter LA 105 G80a Catalog value: \$40.

MAINE

320 \$10.00 and \$20.00 The New England Bank, Fairmount ME-300 G2 & G4 U. Cut canceled. These were fraudulently issued but very attractive notes. Catalog value is \$25.00 each.

321 \$20.00 1929 type two The First National Bank of Lewiston Charter 330 # A001283 R 2 F-VF. There are only two examples of this better type in our census. As in most cases this variety has the smallest issue and the smallest number of survivors. (\$100.00.)

MARYLAND

322 \$5.00 1902 The Citizens National Bank of Baltimore Charter 1384 Fr 598 # 137682-K R 2 Fine. Six of the thirty one notes in the census are blue seal fives, only one of which is clearly superior to this unimpaired example. (\$50.00)

323 \$5.00 1902 The Farmers and Merchants National Bank of Baltimore Charter 1337 Fr 598 # 94761-I R 3 F-VF. Another clean and unimpaired Baltimore note, one of an even dozen of these among twenty seven large size surviving notes. (\$50.00)

324 \$5.00 The Chesapeake & Ohio Canal Company CU Frederick, Dated September 9th, 1840. Two notes, both signed and numbered. Worth?

MASSACHUSETTS

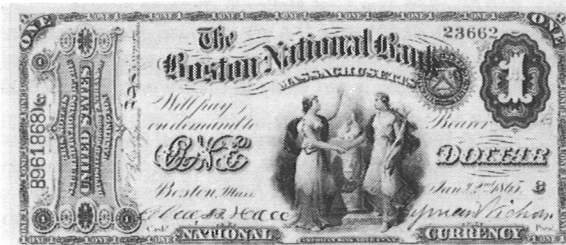

325 \$10.00 1929 The Greylock National Bank of Adams Charter 4562 # E000393A R 4 VG. Three of the six notes in our census are type one tens. Frank Hanlon and A. B. Daniels signatures. This bank was located in the bank block on Center Street for many years. (\$75.00)

OUR BUYERS FEE OF 5% IS THE LOWEST IN THE INDUSTRY

326 \$10.00 1929 The First National Bank of Attleboro Charter 2232 # E006927A R 4 AVF. Half of the ten notes we've recorded from this bank are of this type and denomination and this note is superior to most of them. (\$75.00)

327 \$10.00 1929 The First National Bank of Attleboro Charter 2232 # C004340A R4 VG-F. Another, just as rare, but with more experience. (\$50.00)

328 \$1.-\$5.-10.-\$20.-\$50. Boston Clearing House Certificates MA60-1.-50 CU. This is a matched set all with number N 0000415. Each value has a different tinted underprint of blue, orange, green, red and brown. Perforated PAID. Catalog value is \$13.00 each or \$65.00 for five. The matched numbers may be worth a premium.

329 \$1.00 Original The Boston National Bank CU Charter (408) Fr 380 # 23662-C R3. This note is very very close to the perfection so rarely seen in original first charter notes. In spite of a very light center fold and being cut a tad close at the lower right, this note has great color, razor sharp corners and premium brown pen signatures of Chas B. Hall and Lyman Nichols. Even the serial numbers are exceptional. This note really must be seen to be appreciated. We invite your close inspection. We predict a realization of \$700.00 or more for this beautiful note.

330 \$10.00 1875 The Boston National Bank AVF Charter 408 Fr 416 # 3616-A R 3. This is the blue end paper variety in a still attractive state of preservation. Jas H. Bouve is the new cashier and the same Hall who signed as cashier on the Original one is president. This bank was located at 95 Milk Street and lasted until 1898 when it became one of the numerous banks that merged into the National Shawmut Bank of Boston. This note was advertised by Maury Perlmutter in the fall of 1966 @ \$135.00. Today, it should realize about three times that amount.

331 \$2.00 Original The National Hide and Leather Bank of Boston Charter 460 Fr 387 # 12790-A R 3 Fine. This is a very acceptable Lazy Two with wide borders at the top and both ends. This is the variety with the charter number and the color is quite vivid. This specimen is well worth a bid of \$500.00 plus.

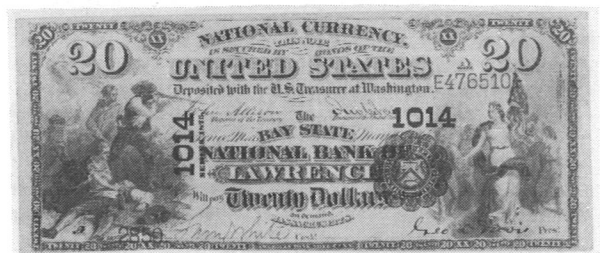

332 \$5.00 1929 The Essex National Bank of Haverhill F-VF Charter 589 # B009839A R 5. This bank issued only fives in the 1929 series, and this note is one of only three in our census. It has been pressed and there are two minor rust spots a little larger than a pinhead in area of the left serial number. Still rare and attractive enough to merit a liberal bid.

333 \$20.00 1929 type two The Haverhill National Bank Charter 484 # A001085 R4 AVF. Two of the eleven recorded notes are of this scarce type. (\$75.00)

334 \$20.00 1929 The Park National Bank of Holyoke F+ Charter 4703 # A000031A R 4. This note has the lowest serial number of the three twenties, which along with two fives and a ten make up the small size census for this bank. (\$35.00+)

335 \$1.00 1875 The First National Bank of Hyannis F Charter 1107 Fr 386 # 1019-C R 4. A famous location and a distinguished pedigree go with this note. Lot 3399 in the great Albert Grinnell auction and Lot 925 in the Wm. P. Donlon collection sale of May, 1971. We know of three more of these, one of them autographed. One may be a little better and the other two a little worse, but don't hold your breath waiting for a really nice one. (\$200.00 +)

336 \$5.00 1882 Brown Back The First National Bank of Hyannis Charter N 1107 Fr 467 # 11657-C R 4 VG. This is the only second charter note from this interesting bank we've ever seen and it's a well but evenly circulated note with very attractive signatures of Irving W. Cook and A. D. Makepiece. (\$100.00)

337 \$20.00 1875 The Bay State National Bank of Lawrence Charter 1014 Fr 431 # 2850-A R 3 Fine. This note is a real prize. It was Lot 3464 in the great Grinnell sale. The seal and overprint are exceptionally vivid and the brown pen signatures of Sam White and Geo. L. Davis are choice. Aside from being cut close a hair into the design at the bottom, you couldn't ask for a finer specimen in this grade. There will never be enough of this beautiful type for all those who want a nice example. You'll like this one. (\$750.00)

338 \$10.00 1929 The Second National Bank of Malden VG Charter 11014 # C001456A R 4. Three of the eleven notes (fives and tens only) recorded are type one tens. (\$50.00+)

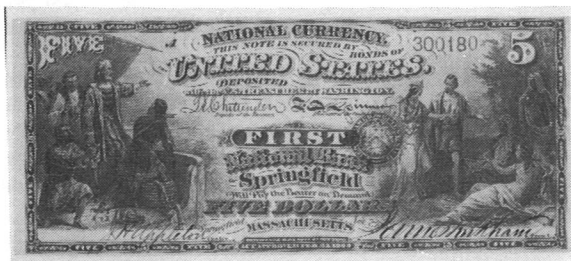

339 \$20.00 1929 First and Ocean National Bank of Newburyport Charter 1011 # A000284A R 4 VG-F. Four of the nine notes in our census are twenties. This unique and interesting title is the result of a merger in 1922. (\$75.00)

340 \$10.00 1929 North Adams National Bank Fine Charter 1210 # E004278A R 4 This interesting note represents the third variation of the bank's title. Originally, The Adams National Bank of North Adams, then The North Adams National Bank after May 4, 1905. The "The" in the title was dropped with the advent of the 1929 notes. This copy is one of six tens of eleven recorded notes. (\$50.00+)

341 \$5.00 1929 The Northampton National Bank of Northampton Charter 1018 # A001060A R 5 G-VG. This well circulated note is one of only three small size notes with the scarce first title known to us. (\$50.00)

342 \$5.00 1929 The Orange National Bank VG Charter 2255 # A002508A R 5. This rare note is one of only five in the census of all denominations. A couple of rust spots in the areas of the left serial number. Still worth \$75.00 or so.

343 \$20.00 1929 The Plymouth National Bank Fine Charter 779 # E000423A R 5. This is a much rarer note than it should be with only four specimens in the census of all denominations, this note being the only type one twenty. (\$100.00+)

344 \$5.00 Original The First National Bank of Springfield Charter (14) Fr 394 # 734-A R 4 XF-AU. This beautiful note is from the Amon Carter Collection. It is part of the first delivery of this denomination to the first national bank chartered in Massachusetts, March 22, 1864. It bears the earliest date found on Nationals, November 2, 1864. It is beautifully pen signed by J. H. Appleton and James Kirkham, the original officers. This unusually vivid note is also the only original five known to us. A note of this exceptional significance and merit is deserving of a liberal bid likely to approach \$1000.00.

345 \$5.00 1929 Hampden National Bank and Trust Company of Westfield Charter 1367 # F001348A R 4 VG. We count seven small size notes with the second title. This note is one of the three type one fives in the group. (\$100.00)

346 \$10.00 1929 The Mechanics National Bank of Worcester Charter 1135 # C002010A R 4 VG-F. Fives and tens only, with few survivors. (\$50.00) This selection of Massachusetts material is exceptional in scope and quality. The 1929 notes are greatly under rated in the marketplace and many of the early notes are taken for granted. Look these over for opportunities to enhance your collection.

MICHIGAN

347 \$10.00 Old-Merchants NB and Trust Company of Battle Creek VG Charter 7589, 13328 and 4840 R1, R1, & R3. Plus \$20.00 The American NB of Grand Rapids plus \$20.00 The N Lumberman's Bank of Muskegon. Three 1929 Michigan notes to get you started. \$50.00 face worth about \$75.00.

348 5-10-25-50 cents \$1. and \$5. Delinquent Tax Warrants MI140b .05-\$5. CU. Public Schools of the city of Benton Harbor, Michigan. All are stamped paid and are with a single

punch cancel. Catalog value is \$8.00 -\$10.00 each or \$52.00 for the set.

349 \$20.00 1902 The Citizens National Bank of Houghton Charter M 5896 Fr 659 # 81-A R 3 VF. Just two of the sixteen recorded notes are of this type and denomination, and the other note is only good. A winner with a low serial number worthy of a \$150.00 bid.

MINNESOTA

350 \$20.00 1902 The City National Bank of Duluth Charter M 6520 Fr 650 # 27299-B R 2 VG. We have ten of these blue seal twenties recorded along with nineteen other large size notes with this title. (\$35.00)

351 \$10.00 1929 The First National Bank of Kiester Charter 10603 #A000381A R 4 VG. An even dozen small size notes are known, including another type one ten with this great title. This note is not likely to realize less than \$75.00.

352 \$20.00 1902 The Lyon County National Bank of Marshall Charter M-4595 Fr 654 # 1128-A R 5 VG. A total of two tens and two twenties are recorded from this bank and three of them are in strong hands. That leaves this one up for grabs to the highest bidder. The signatures are very faint. Our Upper Midwest sale in October, 1990 which had a very extensive selection of Minnesota notes was missing one from Marshall. We predict that this note will receive liberal bids in excess of \$200.00.

353 5 cents The Organized Unemployed Inc Minneapolis MN176-.05 Uniface CU. This is a barter and trade certificate. Catalog value is \$30.00.

354 \$20.00 1929 Midland National Bank and Trust Company of Minneapolis Charter 9409 # A001186A R 2. Fine. This is a nice unimpaired note from a better Minneapolis bank. (\$35.00)

355 \$5.00 1902 The First National Bank of Winona Charter 3224 Fr 598 # 35940-I R 2 VG. There are over thirty large size notes in the census but only four of them are plain back fives. (\$50.00)

MISSISSIPPI

356 \$10.00 1929 The Merchants National Bank and Trust Company of Vicksburg Charter 3430 # E002235A R 2* VG-F. Seven of twenty seven notes in the census are type one tens. This evenly circulated copy should realize about \$75.00.

MISSOURI

357 \$50.00 1929 Fidelity National Bank and Trust Company of Kansas City Charter 11344 # A000836A R 2 VF. In this instance we have a rare type from a common bank. Only four banks in the state issued this denomination and type and they were located in only two cities, Joplin and Kansas City. We have two other fifties from this bank in our census, one a little better and one a little worse. This note is cut close at the lower left, otherwise unimpaired. (\$150.00)

358 \$20.00 1902 The Thornton National Bank of Nevada Charter 9382 Fr 652 # 15195-A R 4 F/VG with a discoloration on both sides of a horizontal fold. There is one other twenty among the seven large size notes in the census. This is a private name bank, successor to the Thornton Banking Company, Paul F. Thornton, President. (\$75.00)

359 \$50.00 1902 Dates The Merchants-Laclede National Bank of Saint Louis. Charter M-5002 Fr 674a # 4604-C R 1 XF. This is a very rare and possibly unique type from this bank. Not surprising since only 5800 sheets of 50-50-50-100 were issued. This is a very attractive and gently handled note, but for the sake of accuracy it must be mentioned that there are six pin holes in the portrait area. We think this rarity is worthy of bids in the range of \$500.00.

360 \$10.00 1902 Dates The Third National Bank of Saint Louis Charter M-170 Fr 616 # 89047-K R 1 F-VF. An honest note still attractive note that is worth a bid of \$35.00 or so.

361 \$10.00 1929 The Peoples National Bank of Seymour Charter 9932 # D000335A R 6 AVG. This is a very rare Missouri note, one of only two that we know of in this series. Since Seymour had only this circulating bank, and since there are only three large size notes in the census, this is a very desirable note for Missouri collectors. In spite of some minor rust, which in one spot has perforated a pin head sized hole, this note will very likely attract some very liberal bids that will substantially exceed \$250.00.

NEBRASKA

362 \$10.00 1902 The First National Bank of David City VG-F Charter 2902 Fr 624 # 7420-E R 4. Two of the seven large size notes from this bank are plain back tens, both in about the same grade. This note has the purple stamped signature of Louis W. Mittendorff, cashier, and the pen signature of Thomas Wolfe as president. Mr. Wolfe was one of the organizers of the bank and served throughout the entire large size period of forty six years as President, during which time there were eight Cashiers. His distinctive autograph adds to the appeal of this interesting note. (\$100.00+)

366 \$5.00 1929 type two The First National Bank of Walthill Charter 8685 # A001555 R 3 VG. The type two five is deservedly a popular note with collectors, and we are fortunate that at least three of them survived from this small northeast Nebraska bank. This well but evenly circulated note is one of the eighteen small size survivors listed in the census, and it will probably realize about \$50.00.

369 \$20.00 1929 The Flemington National Bank Fine Charter 2331 # D000414A R 5. This community became famous as the site of the 1935 Lindbergh kidnapping trial. This title was represented by only one small size note for many years. A second note surfaced in 1991 and now we have the third one to offer. All three are twenties, and this note is from the second to last sheet issued. The title change in April 1930 accounts for the rarity, since we know of over a dozen notes with the second title. This note is rare enough to realize \$150.00 or more.

Vanderbilt under deed of trust dated November 22, 1918. This bond was exempt from taxation and was issued to provide for the payment of cash bonuses to honorably discharged soldiers, sailors and marines who were actual residents of the state at the time of their enlistment or induction into the military. Punch cancelled by the Manhattan Company 8-4-41. Beautifully printed in black and gold and preserved in almost as issued condition. Another, identical to this one was illustrated in our Cherry Hill sale last September as lot 244 and realized \$245.00 after spirited bidding. Another opportunity for the underbidders. Our consignor tells us he had only two so be advised that this may be all there is.

395 Two early Catskill checks XF
Dated 1818 and 1824 \$5.00 drawn on the Aqueduct Bank by Samuel Van Arden for Jacob Van Arden, the other is dated but not filled in and has a vignette of the Office of the Catskill Recorder to the Cashier of the Greene County Bank. Historic and interesting. Worth?

Charter E 1349 Fr 598 # 20012-E R 4. Heavily circulated and with heavy folds and no signatures. Appears to have been quarter folded and carried in a wallet. Quite rare, being one of only two blue seal fives and with only four other large size notes recorded. Bid your pleasure.

399 \$5.00 1929 First National Bank and Trust Company of Corning Charter 2655 # E007721A R 5 Fine. This is an unaccountably rare note with only three recorded survivors of the only denomination issued. The other two are rated as VG so unless there are others this note is the finest known. 400 \$5.00 1902 The Cuba National Bank VG
Charter 1143 Fr 598 # 23288-H R 4. The paper is broken at the top of two of the folds in this otherwise well preserved note. A half inch tear from the top is in the left quarter fold. There are three notes of this type and denomination in our census, along with five other notes. This is a popular title that should realize about \$100.00 or more.

401 \$10.00 1902 The Farmers National Bank of Deposit F
Charter 9434 Fr 626 # 9899-C R 4. In this instance, seven of the ten notes known to us are tens like this one. Notes from this bank are closely held. A twenty in about this same grade realized \$151.00 in the H & O March, 1981 auction. We've seen only one offered since @ \$150.00. This one worth?

402 \$5.00 1902 The Union National Bank of Franklinville
Charter E 2755 Fr 598 # 10181-E R 4 AVG. An even half dozen large size notes are known with this title, three of them are fives, one a dated back. Should easily be a \$75.00 note.

403 \$5.00 1929 type two The National Bank of Fredonia F
Charter 9019 # A002987 R 3*. This is the only five in the census and the only denomination that was issued in type two. A minor margin split and counting mark must be mentioned for the sake of accuracy. This note also has different officers than the other three single notes and the sheets. Worth a liberal bid of \$100.00 or more.

406 \$20.00 1929 The National Bank of Glens Falls XF
Charter 7699 # A000380A R 5. Another rarity with just two tens and two twenties in the census. Minor ink spots at left are mentioned only for the sake of accuracy. The title was changed in October, 1932 and a new President was elected. This rarity should realize \$150.00 plus.

407 \$10.00 1929 The Farmers National Bank of Granville
Charter 3154 # D001087A R 5 VG. This note is one of four tens and one twenty that make up the census for this small Washington County bank, closed by the receiver on January 18th. 1932. (\$150.00 +)

408 \$20.00 1902 The Citizens National Bank of Hornell
Charter E 2522 Fr 659 # 3567-A R 4 VG. Just this twenty among the six large size notes we've recorded with the second title used by this bank. This is a very presentable unimpaired note that will likely realize \$100.00 plus.

409 \$10.00 1929 The National Union Bank of Kinderhook
Charter 929 # A003994A R 3 VG. Seven of the sixteen notes in the census are type one tens. They all have signatures of D. H. Birckmayer and Jas Adger Reynolds. (\$50.00+)

410 \$5.00 1902 The National Ulster County Bank of Kingston

412 \$10.00 1929 The Little Falls National Bank F
Charter 2406 # A000002A R 3. Since we know of no number one notes, large or small, from this bank, this is very probably the lowest serial available. Five of the twelve recorded notes are type one tens. (\$50.00+)

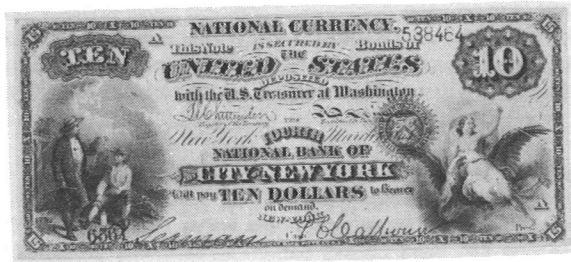

413 \$5.00 1902 The National Exchange Bank of Lockport
Charter E 1039 Fr 598 # 21921-F R 3 Good. Four of the fourteen notes from this bank are blue seal fives. This heavily folded specimen is starting to separate at the top of the folds. Still worth consideration in the \$50.00 range.

414 \$10.00 1902 The Mount Kisco National Bank Poor Charter E 5026 Fr 632 # 2915-C R 4. Torn and taped and tattered. One of two notes of this denomination and type recorded among ten notes with this title. This is most likely the worst surviving Westchester County note. Bid your pleasure.

415 \$10.00 1902 The American Exchange National Bank of New York City Charter E-1394 Fr 625 # 502088-Oo R 1 Fine. This note is a perfect example of an unmolested and still attractive third charter note with no problems. (\$35.00)

416 \$10.00 1929 The Chase National Bank of the City of New York Charter 2370 # C048959B R 1 VG-F. Only this bank issued type one notes with a B suffix, and only in this denomination. Although 57,756 sheets were issued, we know of only four notes. Catalog value is \$50.00.

417 \$20.00 1902 Chatham Phenix National Bank and Trust Company, New York Charter 10778 Fr 658 # 178875-E R 1 VF. This note is one of a dozen blue seal twenties with the famous L. J. Kaufman vanity signature. Most of the others are in much lower grade. (\$75.00 or more)

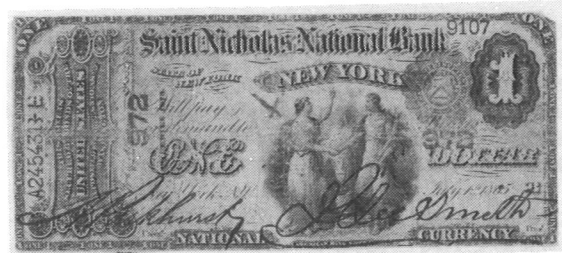

418 \$10.00 Original The Fourth National Bank of the City of New York Charter (290) Fr 409 # 6561-A R 2. VF. This is a very early original note with treasury signatures of Chittenden and Spinner with the treasury serial numbers without prefix or suffix. Bank officer's signatures are B. Seaman and P. C. Calhoun. This note has been expertly "improved" and makes a nice appearance. Even trim all around. This type and denomination is unique for the bank and should realize \$500.00 or more.

419 \$10.00 1882 Brown Back The National Bank of Commerce in New York Charter 733 Fr 480 # 72744-F R 1 XF. This is an attractive and well centered example of this famous note, always popular for the signature of J. Pierpont Morgan as vice president. As usual, a single pinhole can be found in the upper left corner. (\$250.00)

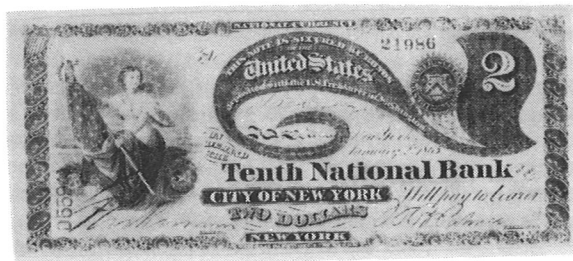

420 \$10.00 1882 Brown Back The National Bank of Commerce in New York Charter 733 Fr 480 # 59335-E R 1 VG. Also with the famous Morgan signature and with more pinholes and circulation. Should realize near \$50.00.

WE APPRECIATE YOUR BIDS

421 \$1.00 1875 The Saint Nicholas National Bank of New York Charter 972 Fr 383 # 9107-B R 2 VG with the upper right corner tip missing and closely trimmed. Lovely blue end paper variety, one of only two of this denomination known to us. We've handled our share of these interesting "Santa Claus" notes, with twenty eight legitimate notes and several lazy two counterfeits accounted for. They are one of the most popular of the early notes and rightly so. Very few survived in higher grades. This rare type should realize \$150.00 or more.

422 \$5.00 1929 Straus National Bank of New York VF Charter 13254 # A000641A R 4. Three fives, two tens and a twenty are known from this private name bank. This note is either the finest or next finest of the group. (\$100.00)

423 \$2.00 Original The Tenth National Bank of the City of New York Charter (307) Fr 387 # 21986-A R 4 VG-F. This note was part of the James Wade Collection that was purchased by Aubrey Bebee and that made up a large portion of the collection recently donated to the ANA. Unfortunately this note has been heavily laundered resulting in a loss of detail. Still, it's a lazy two on an interesting bank and it will likely realize bids of \$250.00 or more.

424 \$10.00 1929 The First National Bank of Owego VG-F Charter 1019 # B001095A R 6. This note is just plain rare, one of only two small size notes in the census, and the finest of the pair. If there are any collectors left for rare small size New York notes, this will be a popular lot and will realize \$200.00 or more.

425 \$10.00 1929 First and Second National Bank and Trust Company of Oswego Charter 255 # C004016A R 3 VF. Eighteen notes, five of which are type one tens are known with this interesting title. (\$50.00+)

427 \$10.00 1929 First National Bank of Sidney VG-F Charter 13563 # C001418A R 5. We count five notes with this title, three of them type one tens. This note is clearly superior to the other two, both of which are no better than very good. In the 1983 Memphis auction one of the other tens realized \$190.00. You will tell us what this note is worth in 1992.

428 \$20.00 1929 The First National Bank and Trust Company of Walton Charter 4495 # D000357A R 4 Fine. Six of the ten known notes with this title are twenties which is an unusual percentage for this denomination. (\$100.00)

429 \$10.00 1902 The First National Bank of Warwick VG Charter E 314 Fr 624 # 18647-E R 5. A rare note from Orange County, the only national bank in Warwick and aside from the extremely faint signatures and a number stamped on the back, unimpaired and unmolested. Three of the five recorded notes are blue seal tens, one with a restored corner. This attractive note should approach \$200.00.

432 \$20.00 1929 The Merchants National Bank and Trust Company of Fargo Charter 13323 # B000233A R 3 VG-F. We count sixteen surviving notes from this bank, nine of which are twenties. This very presentable copy should realize about \$75.00.

433 \$20.00 1929 The National Bank of Valley City Fair Charter 13324 # D000115A R 3. This unfortunate note was apparently carried in a wallet over an extended period of time, rounding the corners and darkening the paper. Seven of the fifteen notes we've logged are type one twenties. Bid your pleasure.

OHIO

434 \$10.00 1929 The First National Bank of Bellaire F-VF Charter 1944 #B005001A R 3. A dandy serial number on a very attractive note. This note is one of seven tens of thirteen small size notes that share this lovely title. (\$50.00 +)

435 \$5.00 1882 Brown Back The Second National Bank of Bucyrus Charter M-3274 Fr 467 # 4309-A R 2 Choice CU. A couple of dozen of these beautiful notes were saved for modern collectors and we should all be grateful. Aside from being cut close at the bottom of the back only, this note is as fresh and as lovely as anyone could ask. The signatures of J. C. F. Hull and E. Blair are penned in brown ink and they are as choice as the rest of the note. This kind of quality is worth a liberal bid of \$600.00 or more.

436 \$5.00 1902 First National Bank in Carrollton VG Charter M 11714 Fr 607 # 7140-A R 5. Two more fives and a twenty make up the large size census for this small Carroll County bank. This well but evenly circulated note should realize not less than \$75.00.

437 \$5.00 Original The Second National Bank of Circleville main title die vignette. Charter 172 R 5 XF. We know of only three notes from this bank. so this die proof may serve as a substitute. (\$35.00)

438 \$50.00 1902 Dates The New First National Bank of Columbus Charter M 4443 Fr 667 # 3560-D R 4 XF. This beautiful note was part of the very large William S. Bailey collection that was sold to Bob Medlar in 1971. The dispersal of his collection was a great boost to the hobby and helped to launch their great popularity. This note has premium pen signatures of G. E. Abbott in blue green ink, and Charles M. Wing in brown ink. We can recommend this beauty as a prime candidate for a high grade collection for it's title and state of preservation. We know of only one other. A better high denomination note like this one would fit in and add distinction to a state capital or type collection. Nice enough to realize in the range of \$750.00.

439 \$5.00 1902 The Dayton National Bank VG Charter M 898 Fr 598 # 10506-G R 4 This is the only plain back note in the group of six notes from three charter periods we know of. This is a better Dayton note that is rare enough to realize \$75.00 or more.

440 \$5.00 1875 The Hillsborough National Bank VG Charter 787 Fr 401 # 593-A R 6. This rare note is one of two known from this bank, closed since 1896, and with treasury records in 1916 indicating \$2563.00 in unredeemed currency. The other known note is an original Lazy Two. Red and brown pen signatures of C. Barrere and Benj. Bowen V. respectively. A note of this rarity and quality will likely realize \$350.00 or more.

441 \$10.00 1902 The National Exchange Bank and Trust Company of Steubenville Charter 2160 Fr 631 # 35884-A R 4. Fine. This lengthy title makes a crowded layout. We count five tens and a twenty in large size and predict bids of \$50.00 or more.

442 \$10.00 1929 type two The People's National Bank of Wapakoneta Charter 3535 # A001264 R 4 VG. Eight small size notes are in the census, two of them are type two tens. As a matter of minor interest, the large size notes have no apostrophe in Peoples, but it appears on all the small size notes we've seen. (\$35.00)

443 \$5.00 1902 The First National Bank of Youngstown VG+ Charter 3 Fr 609 # 149538-L R 2* An uncut sheet and 13 single notes keep the price of this popular low charter note within reasonable bounds. (\$50.00)

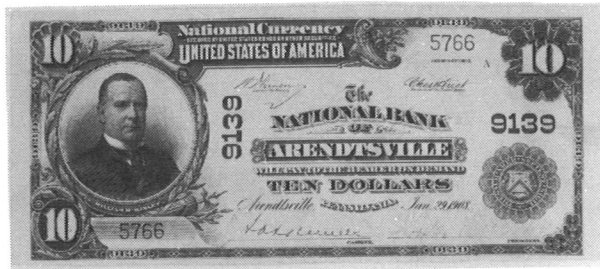

OKLAHOMA

444 \$50.00 1902 The First National Bank of Tulsa VF Charter W-5171 Fr 582 # 2158-C R 3 There are eight of these known to have survived in all grades, and if not for a close cut of about 1/32 " into the design at the top, this note would be the finest of the group. As is, it's no worse than the next best and should realize \$300.00 or more.

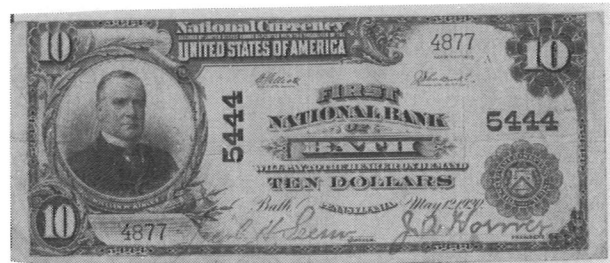

OREGON

445 \$20.00 1902 The First National Bank of Klamath Falls Charter 7167 Fr 650 # 20109-B R 5 Poor. We can't say much for the condition of this note. The left end is eroded away and the remainder is dark and lifeless. We call notes like this "Zombies" and unless they are rare like this one, we think they should be redeemed. Since this is one of two twenties, which along with two tens are now known in large size; all priced high, we offer it to the high bidder with the admonition, bid your pleasure.

PENNSYLVANIA

446 \$10.00 1902 The National Bank of Arendtsville VF Charter 9139 Fr 626 # 5766-A R 6. This is the best of only two large size notes known to us from this small (Pop; 358) single bank Adams County community. The signature of S. A. Skinner, Cashier, is pen signed. The President, S. G. Bucher's signature is rubber stamped in purple ink. This is an attractive, unimpaired note in addition to being very rare. Pennsylvania probably has more rare and very rare notes than any other state, and they sell for a fraction of notes of the same rarity from other states. (\$250.00+)

447 \$10.00 1902 First National Bank of Bath VG Charter 5444 Fr 633 # 4877-A R 6 To our best knowledge, this is a unique note with this title in large size. This second charter bank issued brown backs, date backs and value backs with a single ten dollar date back known to have survived with "The" in the title. In 1920 the "The" was dropped and we have this note as proof. In addition the 1929 notes are all without the "The". Aside from being cut slightly into the design at the top, this is an unimpaired and very rare note with appeal to the specialist and should realize \$200.00 plus.

448 \$20.00 1902 The First National Bank of Beaver Falls Charter 3356 Fr 650 # 24574-B R 5 Good. This well circulated note is the fifth large size note we've recorded from this bank. Neat pen signatures help. (\$50.00)

449 \$10.00 1902 The First National Bank of Bethlehem Charter 138 Fr 624 # 41194-D R 3 Fine. You'll like the vivid blue signatures of Thos. F. Keim and R. S. Taylor on this very presentable note. Five of the thirteen surviving notes are blue seal tens. (\$75.00 +)

450 \$20.00 1902 The First National Bank of Bruin VF Charter E 8919 Fr 652 # 2972-B R 6. Another attractive note in superior state of preservation from a small single bank community. To our best knowledge, this is the only large size note known from this interesting location. It's pen signed by L. D. Noel and J. A. Cross in blue ink, and the only minor detractor is the bottom border, which touches the design. Notes this rare are seldom available for money. The sacrifice of an equally desirable note is usually the case. This unique specimen will likely realize \$350.00 or more.

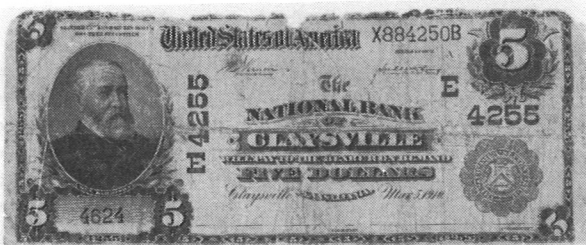

451 \$5.00 1902 The First National Bank of California Charter 4622 Fr 602 # 25042-D R 5 VG. Rare and popular. Four of the five recorded notes are blue seal fives. A note in this same grade, only a few hundred serials away from this specimen realized \$200.00 in the November, 1980 H & O sealed bid auction. Now worth?

452 \$10.00 1902 The Catawissa National Bank F-VF
 Charter E 7448 Fr 624 # 1-D R 5 This attractive number one note has beautiful bold script-like signatures of C. S. W. Fox and C. J. Fisher, and is one of only four large size notes in the census for this bank. It was part of the very extensive collection of nationals assembled by William S. Bailey of Tulsa in the 1960s. The late Bob Medlar purchased his non Oklahoma and Indian Territory notes in 1971, and the hobby of collecting nationals got a great boost. Number one notes have never been more popular and this one could exceed \$500.00.

453 \$5.00 1902 The First National Bank of Centre Hall
 Charter 12192 Fr 609 # 3132-C R 6 Fine. Another unique and interesting note sure to be a popular lot. The purple signatures are faded but readable. Large size notes were issued for only seven years and the amount out in 1935 was only \$680.00. Of additional interest is the fact that Centre Hall is located in Centre County in central Pennsylvania. The availability of this note should inspire liberal bids likely to approach \$500.00.

454 \$5.00 1902 The National Bank of Claysville AG
 Charter E 4255 Fr 601 # 4624 R 6 Even with three banks Claysville must be counted among the rare Pennsylvania towns from which to obtain a large size note. Three notes are known from Charter 9307 with \$2160.00 outstanding, and charter 4273, closed since 1904 is still unknown with \$1060.00 out in 1916. This note is only the second specimen we've ever heard of from this bank with \$2640.00 unredeemed in July, 1935. The other note from this bank, a fine dated back \$5. realized \$200.00 in the H-O June, 1989 auction. Even in AG this rarity should realize \$50+

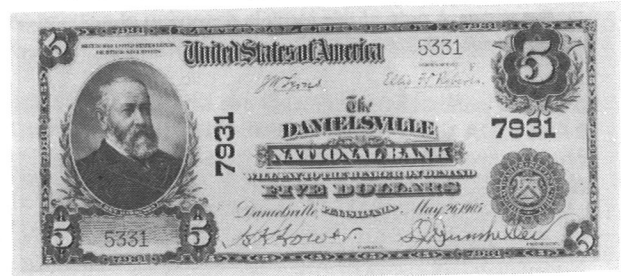

455 \$5.00 Original The First National Bank of Clearfield
 Charter 768 Fr 397 # 2952-C R 4 VF. This note is an old friend from the "Apalachicola" collection sold by H & O in June, 1986. Delicate brown pen signatures of Wm. H. Dill and Jona. Boynton enhance this attractive note. It realized \$225.50 six years ago. Now worth?

456 \$10.00 1902 The First National Bank of Coaldale Fine
 Charter E 9739 Fr 627 # 4409-C R 5. We can account for only \$60.00 of the \$1000.00 unredeemed from this bank in large size currency in July, 1935. Three more tens and a twenty are in our census. Coaldale is a borough of Schuylkill County, in east central Pennsylvania, 20 miles ENE of Pottsville. This note is rare enough for a bid of \$200.00 or more.

457 \$20.00 1902 The First National Bank of Coalport
 Charter 6887 Fr 650 # 2662-B R 4 Chioce AU. A light center fold visible only from the back does not keep this beautiful note from being a real prize. The oversized blue pen signatures of J. H. McKeehan and A. L. Hegarty make it attractive enough for a showpiece. A likely candidate for bids of \$300.00 +.

458 \$5.00 1902 The First-Columbia National Bank VG-F
 Charter 371 Fr 606 # 17287-C R 5 We know of only four notes with this title in large size, three fives and a twenty. This next best five has neat bold signatures and no problems. (\$100.00)

459 \$10.00 1902 The First National Bank of Confluence
 Charter 5307 Fr 633 # 3466-C R 4 CU. Thanks to that great collector Albert A. Grinnell who saved a cut sheet from this Somerset County bank, we have this top quality note for collectors to bid on. This kind of quality from an interesting single bank community is worthy of a liberal bid, likely to exceed \$350.00.

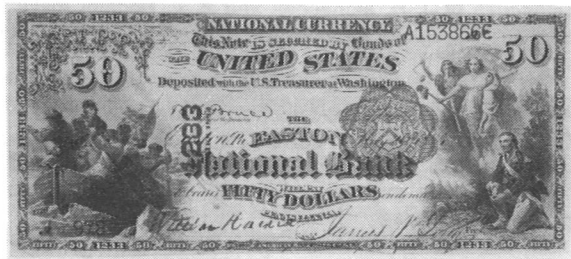

460 \$5.00 1902 The Danielsville National Bank AU-U
 Charter 7931 Fr 598 # 5331-F R 6 A light corner fold and a single uncreased bend in the paper are minor detractors that are more than offset by the premium pen signatures of H. H. Hower and S. J. Drumheller found on this lovely Northampton County note. This note and the one that follows are the only survivors known to us of the \$970.00 reported as unredeemed in large size currency in July, 1935. A note this rare and in this state of preservation is deserving of bids in the \$500.00 range

461 \$10.00 1902 The Danielsville National Bank VF
 Charter 7931 Fr 624 # 3636-F R 6. Not as nice, but just as rare and with the same premium pen signatures. Should be worth 2/3 the value of the last, or in the range of \$325.00.

462 \$20.00 1929 The Doylestown National Bank and Trust Company Charter 573 # C000724A R 4 Fine. A nice twenty from Doylestown's only national bank. (\$50.00)

463 \$10.00 1902 The Deposit National Bank of Du Bois Charter 5019 Fr 632 # 31713-C R 4 VG. Two plain back tens are in the group of nine large size notes in our census, both in about the same state of preservation. (\$50.00+)

464 \$5.00 1902 The Citizens National Bank of East Mauch Chunk Charter E 7483 Fr 600 # 7483-E R 5 Fine. Three fives and a ten are known in large size with this great title, and one of the other fives has a few pieces missing. There is also a ten in very good. We think this note is the finest of the four and believe it will easily realize \$100.00 plus.

465 \$50.00 1882 Brown Back The Easton National Bank F-VF Charter 1233 Fr 509 # 978-A R 4. Notes like this are like eagles, they usually come one at a time. This is the only brown back known to us from this bank, and it's the rare vertical charter number variety found only on the very early second charter notes. Cut close at the top and trimmed on the ends, but with good color and with much remaining body in the paper. A note of this rarity is deserving of a liberal bid likely to exceed \$750.00.

466 \$10.00 1902 The First National Bank of Fairfield VF/F Charter 9256 Fr 626 # 6233-A R 6. This unique note was Lot 94 in the last Donlon sale of March 1978. No others have surfaced before or since to our best knowledge. Paul J. Lower and J. E. Zimmerman signatures. This rarity is from Adams County in south Pennsylvania and it is from Fairfield's only National Bank. Rare enough to realize \$300.00 or more.

467 \$20.00 1929 The Grove City National Bank Fine Charter 5501 # D000988A R 4. Two twenties and five tens are known with this title in small size, making this nice note worth a bid of \$50.00 or more.

468 \$20.00 1929 The First National Bank of Herminie VG Charter 10188 # F000001A R 6. You don't often find a well circulated number one note from a bank as rare as this one. We know of no large size and only one other small size note from this small (Population 890 in 1929) Westmoreland County community. The recent surfacing of this note should be good news for collectors who would like to add a rare new town to their collection. This note is not likely to realize less than \$250.00.

469 \$20.00 1929 The First National Bank of Irwin Fine Charter 4698 # A000142A R 5. With just two twenties, two tens and a five accounted for, this well centered attractive note should realize at least \$75.00.

470 \$10.00 1929 The N Kittanning B, Kittanning VG Charter 6127 # A002054A R4. Three type one tens along with three other notes make up the small size census for this bank. (\$35.00)

471 \$10.00 1929 The First National Bank of Mount Carmel Charter 3980 # C001503A R 4. VG-F. Two of the six 1929 series notes in the census are tens in about the same grade. This note is not likely to realize less than \$50.00.

472 \$10.00 1902 The Neffs National Bank Uncirculated Charter E 12471 Fr 635 # 1-A R 5. Even though this bank is R 5, we can only verify one other note beside this choice number one. \$680.00 remained unredeemed in large size currency in July, 1935. This note was lot 266 in the third H & O auction in November, 1977 where it realized \$440.00 on an estimate of \$450.00. Probably today it will realize twice that amount or more.

473 \$10.00 1902 The First National Bank of Mc Adoo Charter 8619 Fr 626 # 7154-D R 5. VG-F. Another old friend from a single bank community. We can account for just \$30.00 of the \$800.00 unredeemed large size currency from Mc Adoo. This note realized \$165.00 in the H & O November, 1981 auction with numerous underbidders. Likely today to realize twice that amount.

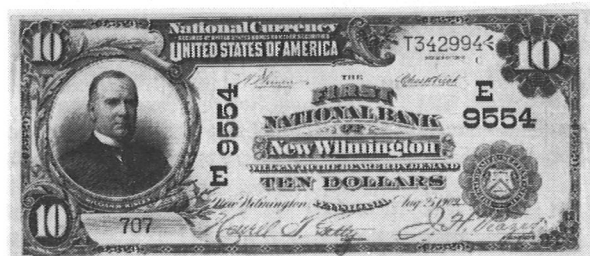

474 \$10.00 1902 The First National Bank of Nesquehoning Charter 10251 Fr 628 # 7519-A R 6 VG. Very rare, only the second large size note we've seen or heard of. A twenty, pictured in our Cherry Hill auction catalog last September, realized \$112.00 in this same grade. This is a much brighter and cleaner note but it has been heavily folded with a brown stain along the center fold and a few margin splits. Still rare enough to attract bids of \$100.00 plus.

475 \$5.00 1902 The First National Bank of New Berlin Charter E 7897 Fr 599 # 2084-F R 5 VF. Another old friend from the early 1970s. We count three fives and a ten from this community of 460 in central Pennsylvania. This note is bright and sharp and could easily pass for a much higher grade. (\$250.00)

476 \$20.00 1882 Dates The First National Bank of New Bloomfield Charter E 5133 Fr 555 # 2053-B R 3 VG-F. A dozen large size notes have been logged from this Perry County community of 780 population. This note is the only dated back twenty in the group. Pen signed and with no problems. (\$150.00)

477 \$5.00 1902 The Old National Bank of New Brighton Charter 7395 Fr 598 # 22195-B R 4 VG. Five of the six recorded survivors are blue seal fives, the other note is a plain back fifty. This note has a few minor paper pulls, all but one are on the back. (\$50.00)

478 \$10.00 1929 type two FNB of Lawrence County at New Castle Charter 562 # A014833 R 3 VG, plus \$10.00 1929 type two The Reading National Bank and Trust Company 4887 # A007407 R 3 F. Two popular type two notes. (\$50.00)

479 \$10.00 1902 Dates The First National Bank of New Wilmington Charter E 9554 Fr 618 # 707-C R 6 VG-F. Yet another rare note from a small single bank community, this one in Western Pennsylvania. We know of only one other survivor, a blue seal twenty. If rarity is meaningful, these better notes will realize sums commensurate with their desirability even from a state where there are numerous rare and unique notes. (\$250.00)

480 \$20.00 1882 Brown Back The Peoples National Bank of Norristown Charter E 2581 Fr 504 # 8464-A R 4 Fair. This note is pretty shabby but it's the only brownback we know of from this bank. It's also the earliest note among the seven we've recorded in the last twenty seven years. We believe there's a collector for every note, so bid your pleasure.

481 \$5.00 1902 The Cement National Bank of Siegfried at Northampton. Charter 5227 Fr 606 # 12609-B R 4 Fine. A problem free, attractive note, the second finest of four fives, which along with two tens make up the census with this unique title. No other national banks were chartered in either Siegfried or Northampton. (\$100.00 or more)

482 \$5.00 1902 The Oil City National Bank VG-F Charter 5240 Fr 607 # 26660-C R 4. Two of these blue seal fives are among the six notes from this bank we know of. Cut close at the bottom, just into the design at left. (\$50.00+)

483 \$10.00 1929 The First National Bank of Oley CU Charter 8858 # C000484A R 4. This note has the lowest serial of the nine recorded notes from this small Berks County community. You're sure to like this beautiful note. (\$100.00)

484 \$20.00 1929 The First National Bank of Petersburg Charter 10313 # A000071A R 4 VG rust at upper left border, 1/4 inch into the design. One of only two twenties of six small size notes recorded. Petersburg is represented only by this small bank with no large size notes known. (\$100.)

485 \$10.00 1929 City National Bank of Philadelphia XF Charter 13180 # A007701A R 3. Nicer than most and should realize \$35.00 or more.

486 \$10.00 1929 Commercial National Bank of Philadelphia Charter 3604 # D006264A R 3 VG. Plus another \$10.00 1929 with the new title: Commercial National Bank and Trust Company of Philadelphia Charter 3604 # E022165A R 3 VG. An interesting pair in the same grade and denomination from the same charter and rarity with two different titles. (\$50.00)

487 \$10.00 1929 type two Corn Exchange National Bank and Trust Company of Philadelphia Charter 542 # A136184 R 2 VG tear. Plus \$10.00 1929 National Bank of Germantown and Trust Company Charter 546 # D000454A R 3 F plus \$5.00 1929 The Northeast National Bank of Philadelphia Charter 13175 # A002974A R 3 VG plus \$10.00 1929 The Philadelphia National Bank Charter 539 # A019162A R 1* F. Four notes to start your Philadelphia collection. (\$50.00 +)

488 \$10.00 1929 The Erie National Bank of Philadelphia Charter 13032 # F002423A R 3* VG. Five type one tens are included in the nineteen recorded notes that also include a five dollar number one uncut sheet. (\$50.00)

489 \$10.00 1929 The National Bank of Olney in Philadelphia Charter 12931 # E006188A R 4 XF-AU. Seven of the ten small size notes from this bank are type one tens and not as nice as this beauty. (\$50.00+)

490 \$10.00 1929 type two The Northwestern National Bank and Trust Company of Philadelphia Charter 3491 # A002463 R 4 VG. This is the only type two ten we know of from this bank. (\$50.00)

491 \$20.00 1929 type two The Northwestern National Bank and Trust Company of Philadelphia Charter 3491 # A000084 R 4 VF. Just seven notes recorded in small size, and three of them are type two twenties. (\$50.00+)

- 492 \$10.00 1929 The Philadelphia National Bank VG-F Charter 539 # D021757A & A084810A R 1. Two tens in the same denomination and grade. (\$30.00)
- 493 \$71.50 check drawn on the Schuylkill Bank by Wm Meredith dated Sep 8th, 1827. The fifty cent fractional that is so often satirized bears the portrait of his son, William M. Meredith. XF. Worth?
- 494 \$5.00 1929 The Tioga National Bank and Trust Company of Philadelphia Charter 13003 # F000857A R 4 F. Three of the eleven notes recorded with this title are type one fives. This denomination is always in short supply. (\$50.00)
- 495 \$2.00 The Western Bank, Pennsylvania, Philadelphia Haxby PA-509 A 5 # 4957 VG stained. A fraudulent alteration intended to pass for the notes of the Western Bank of Philadelphia. This note was altered from a Southern Bank of Bainbridge, GA-80-G8a. Catalog value: \$25.00.
- 496 \$10.00 1929 The Diamond National Bank of Pittsburgh Charter 2236 # C004398A R 4 VG. Four of the six small size notes known to us are tens, and they are available only rarely with this unique title. (\$35.00)
- 497 \$20.00 1882 Dates The Duquesne National Bank of Pittsburgh Charter E-2278 Fr 552 # 26969-B R 2 AVF. Eight 1882 dated back twenties are in the census for this bank. Grade has been lowered for heavy FOLDS. (\$200.00+)
- 498 \$5.00 1929 The Farmers Deposit National Bank of Pittsburgh Charter 685 # B018568A R 1 F. Plus \$5.00 1929 type two First National Bank at Pittsburgh Charter 252 # A064134 R 1 F-VF plus \$5.00 1929 The Mellon National Bank of Pittsburgh Charter 6301 # D388272A R 1 VG Three Pittsburgh fives. (\$35.00+)
- 499 \$10.00 1882 Brown Back The Metropolitan National Bank of Pittsburgh Charter E 2279 Fr 487 # 13510-B R 4 G-VG. Well circulated and ill treated but intact. We've logged seven notes on this better Pittsburgh bank, including two other ten dollar brownbacks. Bid your pleasure
- 500 \$10.00 1929 The Third National Bank of Pittsburgh Charter 291 # F009945A R 5 VG. An unaccountably rare Pittsburgh note in small size, one of only three known to us, two tens and a twenty. (\$35.00 or more)
- 501 \$10.00 1929 The Plymouth National Bank VG Charter 6881 # C003090A R 4. Three of the seven small size notes are tens from this small Luzerne County bank. (\$35.00)
- 502 \$10.00 1902 The Peoples National Bank of Point Marion Charter 9503 Fr 626 # 10396-C R 5 VG. This ten and two twenties are all we know of in large size from this bank. Small size notes are also rare with only two notes accounted for. Once these rare notes find a good home, you may not see them again for many years. (\$200.00)
- 503 \$40.00 Certificate of Indebtedness issued by the Reading and Lehigh Railroad Company to Henry Anthony, dated May 1st, 1875. AVG, repaired and reinforced on the back with irregular edges, but clear and legible. # 205 Interest @ 7 % Valued by the owner @ \$75.00. Worth to you?
- 504 \$1.00 Reading-Berks County, Pa. Stamp Scrip Note PA-390-1d. CU. William Penn portrait. Catalog value: \$20.00.
- 505 \$10.00 1902 The First National Bank of Rochester VG Charter E 2977 Fr 624 # 25962-E R 4. Eleven notes are now accounted for in this instance, three of them blue seal tens. This evenly circulated note is cut unevenly at the top, into the design at left. (\$50.00)
- 506 \$5.00 1929 The Union National Bank of Scranton Charter 8737 # D010169A R 4 VG-F, plus \$10.00 1929 The Sellersville National Bank Charter 2667 # A000202A R 3 VG stained. plus \$5.00 1929 type two The Miners National Bank of Shenandoah Charter 13619 # A003878 R 2 F-VF. Three notes (\$50.00)
- 507 \$10.00 1902 The Market Street National Bank of Shamokin Charter 5625 Fr 633 # 7048-A R 5. Fine. This nice note is an old friend from ten years ago when it was lot 249 in the H & O March 1982 auction when it realized \$105.00 on a \$100.00 estimate. In the years since no additional notes have surfaced, so this note should now be worth about double the value then.
- 508 \$10.00 1902 The National Bank of Shamokin VG-F Charter 6942 Fr 624 # 13496-F R 5. We only know of three large size notes with this title and only this one is a ten. This note was lot 395 in the H & O May, 1984 auction where it realized \$90.00. Should be close to double that now.
- 509 \$5.00 1929 type two The West End National Bank of Shamokin Charter 12805 # A003965 R 3 F. Two of the twelve recorded small size notes are type two fives. We know of no large size notes from this bank. (\$50.00)
- 510 \$20.00 1929 The McDowell National Bank of Sharon Charter 8764 # A001299A R 4 VG. 4 of the 8 notes logged from this private name bank are type two twenties. (\$50.00)
- 511 \$10.00 1882 Value Back The Citizens National Bank of Slatington Charter E 6051 Fr 577 # 4686-D R 4 VF/F. In this instance we have a rare type in a rare state of preservation. A very high percentage of these value back notes are poorly cut, and with mechanical signatures badly out of register. This note is well centered, and is pen signed with premium signatures of H. H. Mission and S. B. Costenbader. If you are seeking a superior note of this type, don't overlook this one. You'll like it. (350.00)
- 512 \$5.00 1875 The National Bank of Slatington VF Charter 2293 Fr 401 # 9948-C R 2. There are a half dozen of these popular notes in the census, in demand for the lovely title layout and the bold signatures. This specimen has been pressed, probably long ago. (\$250.00)
- 513 \$20.00 1902 The Stroudsburg National Bank VG-F Charter E 3632 Fr 652 # 12589-B R 4. Two of the six large size notes we've logged are twenties, and this one is the better of the pair. (\$75.00+)

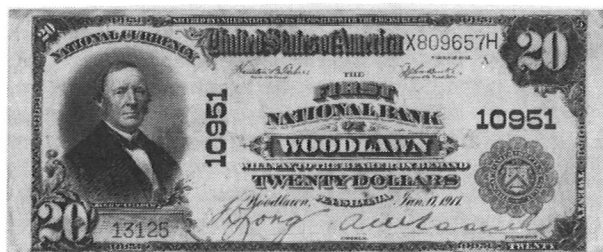

514 \$20.00 1929 The First National Bank of Towanda
Charter 39 # B000696A R 5 F. We know of only five small
size notes with this low charter and this note is the only
twenty of either type. (\$50.00+)

515 \$5.00 1902 The Warren National Bank CU
Charter 4879 Fr 603 # 101156-H R 2. Fortunately about a
dozen and a half of these fives are known, several in a high
grade state of preservation. None could be any nicer than
this choice note you're sure to like. (\$200.00)

516 \$10.00 1902 The Citizens National Bank of Waynesburg
Charter E 4267 Fr 626 # 11921-C R 5 VG. Four notes total
are recorded from this bank and this is the only ten. Well
used but still appealing. (\$100.00+)

517 \$10.00 1902 The Peoples National Bank of West
Alexander Charter E 8954 Fr 626 # 7525-F R 5 VG. Three
notes, all tens, are now known from this small bank in large
size. Evenly circulated, but poorly cut. (\$100.00 +)

518 \$10.00 1902 The West Branch National Bank of
Williamsport Charter E 1505 Fr 624 # 31890-E R 5 VG. Only
five notes are known to us with this great railroad title, and
just two of them are blue seal tens. Well circulated but rare
enough to approach \$100.00.

519 \$20.00 1902 The First National Bank of Woodlawn
Charter 10951 Fr 658 # 13125-A R 6 VG-F. This is only the
second note with this title we've observed. It has vivid purple
signatures of F. D. Long and A. W. Coombs that help off set
the grade. This bank became the Aliquippa National Bank in
1928. Rare enough to attract bids about \$200.00.

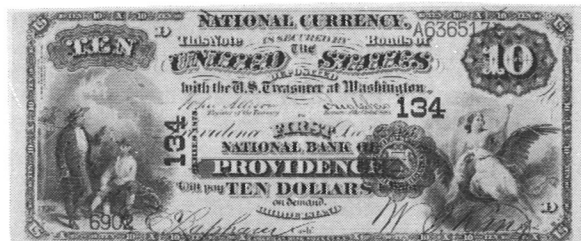

520 \$10.00 1929 The York County National Bank, York XF
Charter 694 # D010416A R 3. We count four of these type
one tens in our census of twelve small size notes. This finest
of the type one tens should realize about \$50.00.

521 \$5.00 1929 type two The York National Bank and Trust
Company Charter 604 # A057912 R 3 VG-F. Just three of the
fifteen recorded small size notes are type two fives. (\$35.00)

RHODE ISLAND

522 \$3.00 Farmers Exchange Bank, Gloucester VG
RI-G10 Dated February 2, 1806. This is a very early Rhode
Island Three dollar note. Catalog value is \$30.00.

523 \$1.00 1875 The Pacific National Bank of North
Providence Charter 1616 Fr 383 # 2234-C R 5 Fair
The history of this bank goes back to 1818 when it was
organized as the New England Pacific Bank in Smithfield. In
1832 it moved to North Providence. When this note was
issued over \$5000.00 in unredeemed state notes were still
carried on their books. In 1889 their title was changed to
Pawtucket. We count four ones and a two in our census,
none better than very good. This well worn note is ratty at the
right end but the signatures of Thos and Chas Moses are
legible. Worthy of a good home. Worth?

524 \$10.00 1875 The First National Bank of Providence
Charter 134 Fr 416 # 6902-D R 3 XF. This lovely ten is the
only first charter note higher than a \$5.00 that we know of
from Rhode Island's first national bank. Bright and vivid, with
choice pen signatures of C. E. Lapham and W. J. King, the
only minor detractor is the close trim at the upper left, a hair
into the design. This note is a very scarce type in this superb
condition for Rhode Island and it should realize well in
excess of \$500.00.

525 \$5.00 1882 Brown Back The Merchants National Bank of
Providence Charter 1131 Fr 467 # 91932-E R 2 VG-F. We
count just two of these in our census of 39 notes with this

SOUTH CAROLINA

531 \$5.00 and \$50.00 State of South Carolina Revenue Bond Scrip Cr SC 5 & 8. March 2, 1872. CU. Regardless of their carpetbagger origin, these are beautifully designed and executed with lovely green and black ink, red serial numbers and outstanding vignettes. The five in particular is attractive with oval portraits of Generals Thomas Sumpter and William Moultrie at right and left, with General Francis Marion's "Sweet Potato Dinner" in the central vignette. Your bid?

533 \$2.00 and \$5.00 The South Carolina Railroad Company S-325 & 328. CU plus \$3.00 Office of the South Carolina Railroad S-359 punch canceled and VG. Your bid?

534 \$5.00 The Farmers & Exchange Bank of Charleston SC-15 G2a. VF. Catalog value \$5.00 plus \$10.00 The Bank of South Carolina SC-30 G46a VF Catalog value \$15.00 plus \$10.00 The State Bank of South Carolina SC-40 G34b AU Catalog value U: \$25.00. About \$45.00 for the three.

535 \$10.00 1902 Peoples-First National Bank of Charleston Charter 1621 Fr 625 # 4269-C R 3 Fine +. This note is exceptionally bright for it's grade and it is the second finest of the eight blue seal tens we know of. There are now fourteen large size notes with this title in our census, most of which are in lower grade than this one. We expect this note to exceed \$100.00.

536 \$10.00 1902 The National Exchange Bank of Chester G-VG Charter S 8471 Fr 626 # 20839-H R 4. Don't look for fives or twenties from this bank. The board decided to issue tens only and we count ten survivors in large size, six of which are plain backs, mostly well circulated. This note is a good example of the well used notes that most often surface from South Carolina. (\$75.00)

537 \$5., \$5., and \$10. The Bank of Hamburg VF, F & VG SC-85 G4a and G8. Catalog value on these is about \$25.00

538 \$10.00 1929 The Edisto National Bank of Orangeburg VG Charter 10650 # A001673A R 4. Two fives, four tens and four twenties are accounted for. The bank's title comes from the Edisto River, the south fork of which flows through Orangeburg on it's way to the Atlantic. (\$50.00+)

539 \$10.00 1902 The First National Bank of Walterboro G-VG Charter S 9849 Fr 627 # 7921-B R 4. Another bank that issued only ten dollar notes. Colleton County had only one national bank and this was it, with no small size notes issued. This well circulated note is one of nine in the census. (\$150.00)

SOUTH DAKOTA

540 \$10.00 1902 The First National Bank of Miller Fine Charter 6789 Fr 624 # 5640-F R 4. This note was part of the William F. Bailey collection already referred to. Large and

vivid purple signatures of A. B. Calahan and F. D.. Greene and no problems. (\$250.00 or more)

TEXAS

541 \$20.00 1929 The First National Bank of Mercedes Charter 11879 # D000156A R 5. VG soiled. From Hidalgo County in south Texas, and from the only national bank in Mercedes. Well circulated but rare with only three notes presently recorded in small size, a five, a ten and this twenty. A note this rare should realize \$150.00+

542 \$10.00 1902 The Groos National Bank of San Antonio Charter 10148 Fr 628 # 25700-A R 4. VG. We have nine large size notes in our census, but five of them are impounded in the former William A. Philpott Jr collection. This private name note has the signatures of Chas Deussen and Franz C. Groos. A few minor discolorations do not keep this very scarce note from being worth a liberal bid of \$100.00 plus

543 \$10.00 1929 type two The Strawn National Bank VG Charter 12775 # A000264 R 6. We handled a very good type one ten in 1975 on the 50th H-O list, and we've not heard of another since. Since you're not likely to get at the other one anytime soon, this note represents a rare opportunity. This popular type and very rare bank should inspire liberal bids likely to exceed \$250.00

VERMONT

544 \$5.00 1929 The National Bank of Bellows Falls F Charter 1653 # A001530A R 5. Two fives and three tens make up the small size census for this bank. (\$50.00+)

545 \$10.00 1929 The First National Bank of North Bennington Charter 194 # F002395A R 3* VG. Two uncut sheets are included among the eighteen small size notes credited to this bank, as well as three single tens. (\$50.00)

546 \$2.00 Script Certificate for Labor, Malted Cereal Co. Burlington VT-100-2.b issued and paid. This is the only piece of depression scrip from the state of Vermont listed in the Standard catalog. AU. Catalog value: VF \$25.00, CU \$30.00.

547 \$5.00 1902 The Howard National Bank of Burlington Charter N 1698 Fr 601 # 55492-D R 3 Fine. We're up to eight of these fives in our census for this bank, and this one is a nice unimpaired copy that should realize \$50.00 or more.

548 \$10.00 1902 The Baxter National Bank of Rutland Charter N 1700 Fr 627 # 13002-B R 4 Fine. Just ten notes in the census to represent this private name bank, and we know of only one other blue seal ten. (\$75.00)

549 \$5.00 1929 The National Bank of Newbury at Wells River Charter 1406 # B015258A R 3 F-VF. A better denomination in better grade. This note is one of eight of this type and denomination of the twenty in the census. (\$50.00 or more)

VIRGINIA

550 \$20.00 1929 The Citizens National Bank of Alexandria Charter 1716 # B000952A R 3 VG. A dozen small size notes, equally divided between tens and twenties are known from this bank. (\$50.00)

551 \$10.00 1902 The Dominion National Bank of Bristol Charter S-4471 Fr 627 # 10578-C R 3 Fine +. A great name from an interesting location where the main street is shared between Virginia and Tennessee. An even dozen notes are in the census with this great title, four of which are blue seal tens. This is a superior note for this bank since there are no high grade specimens in third charter notes recorded. (\$150.00)

552 \$10.00 1929 The Dominion National Bank of Bristol Charter 4477 # D003396A R 3 XF. You're sure to like this lovely note, the nicest of five we know of with eight others in the census. (\$75.00)

553 \$5.00 1902 The American National Bank of Danville Charter S 9343 Fr 600 # 2387-B R 4 VG. Three of the notes we know of are fives, and the finest of the whole bunch of eight is only fine. If you are waiting for a nice one, good luck. Meantime, this well circulated note should be worth a bid of about \$75.00.

554 \$20.00 1929 The First National Bank of Danville VG-F Charter 1985 # D000537A R 5 With just two twenties, a ten and a five in the census, this note should be worth a bid of \$75.00 or more.

555 \$20.00 1902 The National Bank of Harrisonburg VG Charter 11694 Fr 659 # 20968-A R 4. The title of this bank was decided by a street fist fight between the cashier of The First National Bank and the newly proposed National Bank of Harrisonburg. This is the only plain back twenty in the group of six recorded notes. (\$100.00)

556 \$20.00 1902 The Rockingham National Bank of Harrisonburg Charter 5261 Fr 659# 10201-A R 4 VF/F. This attractive note is also the only twenty dollar blue seal in the group of six recorded notes. Another opportunity to acquire a unique denomination. (\$150.00)

A 5% buyers fee will be added to each invoice

557 \$20.00 1929 type two The Lynchburg National Bank and Trust Company Charter 1522 # A000727 R 3 XF. Six of the thirteen notes in the census are type two twenties, mostly in higher grades. This beauty is sure to please. (\$75.00)

558 \$10.00 1902 Dates The Mount Jackson National Bank Charter S 3209 Fr 616 # 853-D R 3. VG. Twelve notes are now in the census, two of them dated back blue seals. This note is from beautiful Shenandoah County in northern Virginia. (\$75.00 +)

559 \$20.00 1902 The Seaboard National Bank of Norfolk Charter 10194 Fr 654 # 121503-C R 3. VG. This note is the only plain back twenty in the group of twelve notes with the original title. Well circulated but whole and unmolested. (\$50.00+)

560 \$10.00 1902 The American National Bank of Richmond Charter 5229 Fr 632 # 57821-B R 1 VG. We have now logged fifty notes from this bank and eight of them are blue seal tens. Bold signatures and no problems make this note worth about \$50.00.

561 \$10.00 1902 St. Paul National Bank Charter S 8547 Fr 626 # 5686-E R 4 Fine but with a two inch wide vertical coffee colored discoloration to the right of the center. Fives and ten only were issued and we've logged six survivors. Plan to look this note over. Worth without the stain a couple of hundred. With?

WASHINGTON

562 \$10.00 1929 The Dexter Horton National Bank of Seattle Charter 11280 # B002247A R 4 VG. This is the scarce second title used for only about four months before it was changed to the very common First Seattle Dexter Horton National Bank on October 31, 1929. Five tens and one twenty are in the census. (\$50.00+)

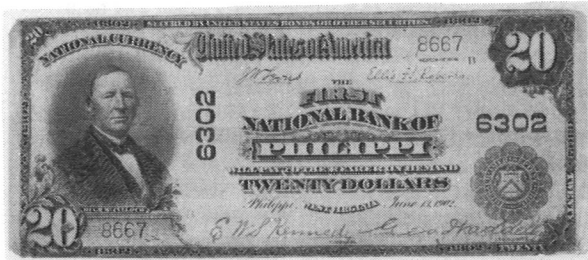

563 \$10.00 1902 The First National Bank of Toppenish Charter 7767 Fr 624 # 1528-E R 6 Poor. This note is missing chunks around the edges and is limp and fragile. It is also the discovery large size note for this bank and community. Treasury records reveal only \$440.00 in large size notes were outstanding in 1935, and we know of only two small size notes. We therefore conclude that in spite of it's wretched condition it will become a valued addition to a fine collection to represent this small community. Worth?

WEST VIRGINIA

564 \$5.00 1902 The Peoples National Bank of Fairmont Charter 9645 Fr 601 # 39641 R 3 G-VG plus \$5.00 1902 The First Huntington National Bank 3106 Fr 598 # 107513 VG-F plus Fr 60 \$2.00 United States Note damaged from a rotten rubber band with paper pull and edge nick, otherwise very fine. Three pieces that should attract bids of \$50.00 plus.

565 \$20.00 1902 The National Bank of Fairmont VG-F Charter S 9462 Fr 652 # 8667-B R 2. We have five blue seal twenties in our census, three with engraved signatures. We are told that there are twenty five notes known on this bank but we can account for only nineteen. This note has much remaining body and good signatures of James H. Thomas and Walton Miller. This was a major West Virginia bank with deposits of four and a half million. It never reopened after the bank holiday of 1933. (\$50.00+)

566 \$20.00 1902 The First National Bank of Philippi VG Charter 6302 Fr 650 # 8667-B R 5. A ten dollar red seal plus a ten and two twenty dollar blue seals for a total of just four large size notes make up the census for this bank. The principal evidence of circulation of this note is the nipped and rounded corners, otherwise it makes a good appearance with penned signatures of E.W.S. Kennedy and Geo Waddell. This note is rare enough to realize \$150.00 or more.

WISCONSIN

567 \$20.00 1929 The American National Bank of Beaver Dam Charter 4602 # A000392A R 3 F-VF. Half of the fourteen notes in the census are type one twenties. (\$50.00)

568 \$20.00 1929 The Old National Bank of Beaver Dam F Charter 7462 # C000351A R 3. Seven of the seventeen small size notes in the census are type one twenties. (\$50.00)

569 \$10.00 1929 type two The F-Fond Du Lac National Bank Charter 555, 5047, 5458, & 2850 plus, \$10.00 The NB of La Crosse, plus \$10.00 Marine N Exchange B of Milwaukee, plus \$5.00 The FNB of Wausau. All VG or so. Four well matched Wisconsin notes that should be worth about \$50.00.

570 \$20.00 1902 The First National Bank of Madison VG Charter 144 Fr 650 # 51144-D R 2. One of a half dozen blue seal twenties, this note is a good candidate for a circulated state capital collection. (\$50.00)

571 \$20.00 1929 The First National Bank of Monroe Fine Charter 230 # E000635A R 2*. We count eight of these twenties in our census, mostly in lower grades. (\$35.00)

572 25 cents Certificate of Indebtedness, Superior, WI493-.25 issued and canceled. VG. Catalog value: VF \$15.00.

573 \$5.00 As Above XF WI-493-5. Catalog value: \$25.00.

574 \$10.00 As Above CU WI-496-10. Catalog value: \$35.00.

WYOMING

575 Wyoming State Seal on Gold Foil and with the autograph of Lester C. Hunt, Secretary of State. Cut from an official document to a 2 1/2 by 3 1/2 inch square. This lovely seal was in our Memphis sale last June and realized the fabulous price of \$305.00. It turned out that the bidder wanted the next lot, a blue seal five on the Stock Growers National Bank of Cheyenne. Even though he was willing to pay for his mistake, we prefer to offer the lot again. As it happens we also have another blue seal five for him to bid on. Bid your pleasure.

Rare = virtually impossible

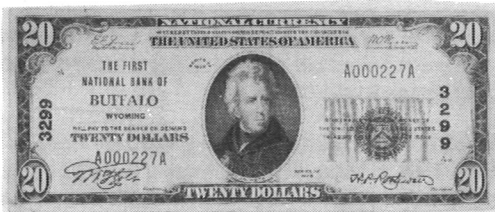

Very Scarce - time, patience, and money required

Scarce - possible with luck and work

Common - readily obtainable by Wyoming standards

Very Common - no trouble at all

This chart was made by Peter Huntoon over fifteen years ago for an article in Paper Money magazine, and we are reprinting it with his permission to prove how few changes in the relationship between rare, scarce and common notes take place even with the surfacing of additional notes. As predicted in his article, Thermopolis moved from very scarce to scarce, the others mostly retained the same relationship even when over twice as many notes are factored.

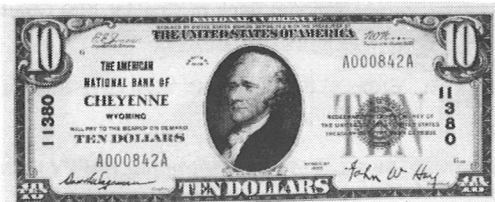

576 \$20.00 1929 The First National Bank of Buffalo VG
Charter 3299 # A000227A R 3. There are sixteen small size notes with this great title accounted for, ten of them type one twenties. This is the most recent of the group to surface *and it's a nice honest unmolested note you're sure to like. (\$250.00 or more)

577 \$10.00 1929 The Casper National Bank F-VF
Charter 6850 # F001274A R 3 Eight of the seventeen small size notes from this bank are tens, and this note is one of the better ones. In 1985 this note was Lot 1371 in the H & O Cherry Hill Auction where it realized \$140.00 on a \$200.00 estimate. We'll stick to that estimate now.

578 \$10.00 1929 The Wyoming National Bank of Casper VG
Charter 10533 # F000218A R 2. This note has the next lowest serial number of the eleven tens in the census. There are seventeen other small size notes with this title for a total of twenty eight. (\$100.00 +)

579 \$5.00 1902 The American National Bank of Cheyenne
Charter W 11380 Fr 606 # 2393-D R 3 VG. This is the tough Wyoming denomination to acquire. Even with eleven of the twenty one large size notes from this bank being blue seal fives, this denomination is seldom available. This is an honest, unmolested note with no impairments and shrewd buyers will realize it's value. We predict a realization of \$250.00 or more.

580 \$10.00 1929 The American National Bank of Cheyenne
Charter 11380 # A000842A R 2 CU. This is the nicest note in this Wyoming group. It's the top note from an uncut sheet that was lot 5838 in the Grinnell sale. In 1985 it realized \$380.00 on a \$500.00 estimate in the H & O Cherry Hill auction. Today it should easily reach or exceed that figure.

581 \$20.00 1929 The First National Bank of Cody AF
Charter 7319 # B000169A R 4 There are ten small size notes in the census, four of which are twenties, all in about the same grade. A faint teller's number 76 is in the area of the bank title. Still worthy of a bid of \$200.00 or more.

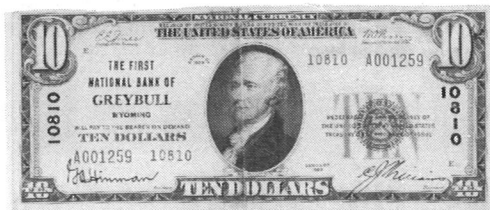

582 \$10.00 1929 The Shoshone National Bank of Cody AVG
Charter 8020 # C000471A R 4. Three type one tens along with seven other notes are in the census. Two great western names make this note worthy of a bid of about \$200.00.

583 \$20.00 1929 The Douglas National Bank VG
Charter 8087 # A000301A R 3 Nine of the fifteen small size notes in the census are type one twenties. This evenly circulated specimen will probably realize about \$150.00.

584 \$10.00 1929 The Evanston National Bank F-VF
Charter 8612 # C000978A R 3 This nice note is tied for next best of the eleven tens we know of with this title. Nine other notes bring the total of small size up to twenty. The pedigree of this note goes back to Tom Mason. It was lot 1377 in the H & O November 1985 sale where it realized \$200.00 on an estimate of \$250.00. Should now exceed that figure.

585 \$20.00 1929 The First National Bank of Evanston VG
Charter 8534 # B000351A R 3. A little scarcer with seven of the seventeen recorded notes being type one twenties. This note has a 1/2 inch tear at the left center and a minor erased area near the portrait. (\$100.00)

586 \$20.00 1929 First National Bank of Green River VG
Charter 10698 # B000269A R 2. Thirty three 1929 series notes are known from Green River's only national bank thanks to a couple of small hoards that surfaced in recent years. This note is one of thirteen type one twenties. (\$150.00)

587 \$10.00 1929 type two The First National Bank of Greybull Charter 10810 # A001259 R 4 F+. This unique and great western title appears only on ten dollar notes and only from this bank. We count ten 1929 survivors, making this a more elusive as well as a more attractive note. It realized \$475.00 in the H & O June 1989 auction and we expect it will now exceed \$500.00.

588 \$20.00 1929 The First National Bank of Kemmerer VF Charter 5480 # C000665A R 2 Nineteen of the thirty six 1929 series notes recorded are type one twenties. Neat signatures of J. W. Biggame and A. J. Paul make this attractive note more appealing. Wide margins and perfect centering on the back, and centered very low on the face. (\$150.00)

589 \$10.00 1929 The First National Bank of Lander Good Charter 4720 # D000664A R 3. This is probably the note with the heaviest circulation among the fifteen known survivors in the census. Five other type one tens are known. (\$50.00+)

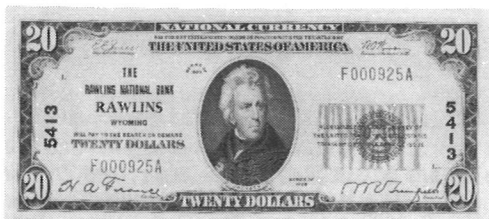

590 \$10.00 1929 The Albany National Bank, Laramie Fine Charter 3615 # A001416A R 1. Thanks to a couple of small hoards, this bank is now the best represented of all the Wyoming banks in small size, and one of two banks in the state rated Rarity one, with the count now up to fifty two. This note was included in the Rock River hoard and will probably realize about \$100.00.

591 \$20.00 1929 The First National Bank of Laramie Fine Charter 4989 # C000705A R 2. Numerous pinholes. A little scarcer with forty six notes accounted for, seventeen of them being type one twenties. This better specimen should realize about \$150.00

592 \$10.00 1929 type two The First National Bank of Lovell Charter 10844 # A000156 R 3* VG. A dozen single notes and an uncut sheet of fives make up the census for this small community where only this operated and no large size notes were ever issued. Only two type two tens are known, and they are both rated very good. This much better Wyoming note will probably realize \$250.00 or more.

593 \$10.00 1929 type two The First National Bank of Powell Charter 10265 # A000872 R 3 Fine. Another better note with a total of thirteen small size notes accounted for, three of which are type two tens. Notes from this bank are seldom available. (\$200.00)

594 \$5.00 1929 type two The First National Bank of Rawlins Charter 4320 # A005070 R2 VG. Out of thirty nine small size notes in the census, only three are type two fives. This denomination has eluded collectors of Wyoming notes for many years, and it's the only five dollar note in this group of twenty two notes from seventeen different communities. It's not likely to realize less than \$150.00.

595 \$20.00 1929 The Rawlins National Bank CU Charter 5413 # F000925A R 2. Forty four notes are in the small size census of which seventeen are twenties and only one of the tens and none of the other twenties is in this

superlative state of preservation. This could very well be the finest surviving note on this bank, and it is certainly no worse than a tie for the finest. A note of exceptional merit like this is worthy of a liberal bid that will surely exceed \$500.00 and may approach \$1000.00.

596 \$10.00 1929 The Rock Springs National Bank XF Charter 4755 # D002295A R 2 Another note in exceptional grade compared to the other sixteen type one tens known from this bank, most of which are less than fine, and only one rated very fine. In fairness, it must be mentioned that several twenties are in uncirculated condition. (\$300.00)

597 \$20.00 1929 The First National Bank of Sheridan AVF Charter 4604 # A000466A R 1. Sixteen of the fifty small size notes from this bank are type one twenties and this note is one of the better ones in spite of a upper left corner cut very slightly into the design. (\$150.00)

598 \$20.00 1929 First National Bank of Thermopolis F-VF Charter 12638 # F000042A R 3. We now have fourteen notes in small size to represent this bank which at one time seemed to be the second rarest of the Wyoming banks from which to obtain a small size note. This was the last bank in the state that issued circulation and it remains unavailable most of the time. This nice note is one of six type one twenties and it will likely realize in the \$500.00 range.

Three hundred and eighteen bidders submitted 3304 bids, with one hundred and eighty-eight bidders winning one or more lots. The most popular lots were 192, 199, 212 and 221 with sixteen bids each. The *primo* Indian Chief, lot #195, was hotly contested and brought a remarkable realization of \$1235. The Wyoming notes were very popular and set record prices. Rare notes from California, Illinois, Massachusetts, Ohio and Pennsylvania attracted very liberal bids. Lot numbers without amounts received no bids. Fortunately, they numbered less than five percent of the total, and were predominantly among the fractional currency listings. Plans for a fall sale are under negotiation and if successfully concluded, the lots will be shown in St. Louis. If you have material that you wish to include in a future auction, please advise us of your interest. We wish to thank our consignors and bidders who contributed to another successful sale. Until next time, we wish you Happy Hunting !
