SEALED BID AUCTION

JUNE 23, 1993

HICKMAN AUCTIONS INC. #07 06/23/1993

## Introduction

Welcome to our seventh auction of the 1990s. I am very proud to continue our series of auctions with an outstanding selection of material that we believe is new to the hobby. The art work related to the National Banks that includes the seal logos, renderings of the bank's facade, entrance, interior or the entire building makes not only great display material, but is in many cases suitable for framing and use as decorative art. We are placing what we consider to be very modest estimates on this material, practically all of which is original work and therefore one of a kind. The selling prices will, as always, be determined by you, the bidder. With this auction, we have followed the lead of others in the auction field and have reluctantly increased our buyer's fee to 10 %. Additionally we have lowered our commission rates accordingly. It should be obvious to everyone that better material is in strong hands and is very difficult to obtain and that these adjustments are designed to encourage the flow of material that is beneficial to us all. This sale also includes an assortment of nationals, colonials, fractionals, errors, and other United States currency at mostly modest prices. As in the previous forty four auction catalogs I have been involved in, I hope that you will find material that will enhance your collection, gladden your heart, and leave your purse relatively intact. I wish you all, Happy Hunting!

John Hickman

## TERMS AND CONDITIONS OF SALE

To give all bidders an equal opportunity, bids will not be opened until the closing date of the sale. In other words, we will not know ourselves, and therefore cannot reveal, where the high bid is until the sale is over. To help us segregate bids from our regular mail, we are providing envelopes for use only for the mail bid sale. Please mark any other envelope you may use on the outside so that we can know it is a bid. Skeptics are invited to inspect the unopened bids up to the closing date. To insure that your efforts are not wasted, mail your bids in early. We will be pleased to discuss and further describe any of the lots by phone, but we must insist that telephone bids be confirmed in writing sent before the deadline. Fax and overnight letters are acceptable. All bids will be opened June 23, 1993.

1. Each lot will be sold to the highest bidder unreserved at a slight advance over the next highest bid. In the event of identical bids, the earliest postmark will receive the lot.
2. As in all legitimate auctions, the second highest bidder will set the price. Up to the \$1000.00 level, advances will be ten per cent with a \$50.00 maximum. At \$1000.00 and over, advances will be 5%. This method will permit a bidder to make a liberal bid with the assurance that his bid will be reduced to the indicated amount above the next highest bid. In cases where only one bid is received, the estimate will be used as the underbid. You should consider your bids in this auction to be your limit rather than your bid.
3. All lots are guaranteed genuine and as described. Please be sure you are bidding the correct amount on the proper lot. Only signed written bids are acceptable. These bids are a binding contractual offer on your part.
4. All successful bidders must remit payment immediately upon receipt of invoice and/or lots. The cost of packing, postage and insurance will be added to the invoices. Lots delivered in Iowa are subject to state sales tax of 5 % unless a resale number is given.
5. All photographs are of the actual lots being sold.
6. Prices or estimates given reflect the opinion of the cataloger as to what the lots should or probably will bring. Higher rather than lower valuations are expected to prevail. We reserve the right to reject bids of less than 60 % of the estimates.
7. Alternate and limited bids are acceptable. These can be handled much more efficiently in a sealed bid auction. No buy or unlimited bids are acceptable. Bids of uneven dollar amounts will be lowered to even dollar amounts.
8. GRADING is intended to follow normal standards with a conservative approach. However grading cannot be considered a precise science, and opinions may differ from individual to individual. We guarantee our professional best efforts to properly grade and describe all the lots in this auction. We place our reputation and twenty five years experience on the line with every lot.
9. All invoices are scheduled to be mailed to the bidders within 72 hours of the close of the auction, and payment must be made within five (5) days of receipt of the invoice. It is the responsibility of the bidder to assure such payment or provide alternative arrangements in the event of circumstances which could cause a delay. Bidders will have five (5) after receipt of the material to return any lots misgraded or misdescribed. Lots must be returned intact in the original holder unmolested. No lots may be returned for any reason after thirty days from the sale date.
10. We intend treating our clients as we ourselves would be treated. Any dispute that may arise can be resolved by reasonable negotiation. We WANT to be fair.
11. A 10% buyers fee will be added to the total invoiced amount.

## RARITY

The rarity ratings are based on the known notes in either large or small size series notes. This project began over twenty five years ago and has been contributed to by over 350 individuals and institutions. Approximately 140,000 notes have been recorded. The rarities are constantly changing as new notes are added to the census. This is an ongoing project and we appreciate the help we continue to receive. We all benefit from accuracy. The rarity scale is as follows:

- R6 None, one or two notes known to us
- R5 three, four or five notes known to us
- R4 six to eleven notes known to us
- R3 twelve to twenty four notes known to us
- R2 twenty five to fifty notes known to us
- R1 Over fifty notes known to us.

An asterisk (4\*) indicates that one or more uncut sheets are counted in the rarity for that bank.

#### FLORIDA

239 \$10.00 1902 The American NB of Pensacola Charter 5603 # 25893-E Fr 633 R 2 VG-F. There are thirteen of these blue seal tens in the census as well as twenty five additional large size notes. This is the most available bank in Florida for small size notes with more than a hundred notes in the census. This note has engraved bank signature s with the same E. R. Malone signature that is found on the small size notes. This is an honest unmolested example worth a bid of \$100.00 or more.

There are nine small size notes accounted for, five 5s and four 10s. This is the finest of the group even with the margin split. (\$100.00)

#### ILLINOIS

242 \$20.00 1929 The American NB of Aurora Charter 4469 # D000059D R 5 VG. Three of the five notes in the census are twenties. This bank was consolidated with Charter 38 at the end of 1929 after issuing small size notes for less than six months for a total of 2898 pieces. We think this note is rare enough to realize \$100.00 plus.

243 \$3.00 The Bank of Aurora, West Aurora Haxby IL-865 G6. VG. All notes from this bank are apparently quite rare as the prices quoted in Haxby range from \$175.00 to \$300.00 with most of the notes unconfirmed. This one is listed @ \$225.00.

249 \$5.00 Original The Traders NB of Chicago

Charter (966) # 948-A R 6 F-VF. We have seen numerous counterfeits on this bank, all but this one in wretched condition. Not only is this note an exceptionally good counterfeit, it is in remarkable condition. The usual method in passing "queer" was to make it appear that it had passed through many hands, presumably this gave the note credibility. Look this one over and you'll understand how so many were taken in. (\$75.00)

250 \$10.00 1929 F Galesburg NB and Trust Company

Charter 4759 # 7139-B Fr 628 R 5 Dirty VG. We only know of three large size notes with this private name title, one better and one worse. Not enough to go around from a one bank Illinois community. Worthy of a liberal bid.

254 \$10.00 1929 The Dulaney NB of Marshall

Charter 4759 # B000318A R 4 VG. Not as rare with ten notes accounted for. Still worth \$50.00 or more.

finest of the five dated back tens in our census. There are an  
additional eleven other notes accounted for from this small  
bank that failed in 1926. A fine twenty realized \$135.00 in our  
Bloomington auction in October, 1990. This much better  
specimen should exceed \$150.00

267 \$10.00 1902 The Spirit Lake National Bank  
Charter M 8032 # 4611-F Fr 625 R 3 VF-XF. A beauty in spite  
of two pinholes and a handsome companion to the last, both  
notes being from the fabulous Fred Clayton estate. Half of  
the sixteen known survivors from this bank are plain back  
tens, and this is one of the better ones. As desirable as the

416 The First National Bank of Morris Art Charter 4870. This color rendering of the bank's building was done by the Warnker Studio in Oneonta. Its a two level stone structure with FIRST NATIONAL BANK lettered above the entrance. Three pedestrians are in the foreground. Mounted on chip board 10 x 13 1/2 inches. (\$50.00)

417 The Huguenot National Bank of New Paltz Art Charter 1186. This is a lovely and somewhat different bank building, far ahead of it's time for a bank building. Lightly tinted. Mounted on 10 x 12 inch card. A premium item. (\$50.00+)

418 \$1.00 1875 The Continental NB of New York  
Charter 1389 # 27279-C Fr 384 R 2 VG. Vanity signatures of

(\$100.00)

419 \$10.00 1902 The Fifth NB of the City of New York  
Charter E 341 # 54567-O Fr 624 R 3 VG. This is a scarcer  
bank title and a better type and denomination for this bank.  
We know of just two others. (\$50.00)

420 \$10.00 1902 The FNB of the City of New York  
Charter 29 # A46399-Q Fr 624 R 1 VG, plus \$5.00 1902 The  
Public NB of New York charter 11034 # 368508-S Fr 606 G.  
The pair: (\$25.00)

421 \$5.00 1929 type two Grace NB of New York  
Charter 12553 # A127514 R 2 Fine. We count just two of  
these type two fives among the twenty five small size notes  
in the census. (\$35.00)

422 \$5.00 1902 Irving NB of New York  
Charter E345 # 340744-L Fr 602 R 3 AF. With the third title  
used by this bank, the first of the national banks that was  
chartered with other than a numerical title. This note was lot  
212 in the H & O April, 1980 auction where it realized \$35.00.  
Now Worth?

423 \$1.00 Original The Leather Manufacturers NB of N Y  
Charter 1196 # 21839-B Fr 380 R 3 VG. Variety with the  
charter number. Brown pen signatures of D. L. Holden and B.  
F. Palmer. From the June 1989 H & O Memphis auction  
where it realized \$100.00.

424 \$5.00 1882 Dates The Lincoln NB of the City of N Y  
Charter 2608 # 75387-J Fr 537 R 2 Fine. Only one of the five  
in our census is high grade. This note is another from the H  
& O 1985 Memphis auction where it realized \$85.00.

425 \$1.00 1875 The Mechanics NB of the City of New York  
Charter 1250 # 2072-B Fr 382 R 2 F/VG. Paper pulls on the  
back lowers the grade on this well centered note with  
exceptional borders for it's type. Should still be worth close  
to \$100.00.

426 \$10.00 1902 Red Seal The N Park B of New York  
Charter E 891 # 28420-A R 1 AVF. This bright and beautiful  
note is well qualified to fit into a better circulated type set of  
notes. A neat title and choice legible signatures with wide  
margins on three sides.(\$150.00)

427 \$5.00 1902 The Seward NB of New York  
Charter 13045 # 18766-C Fr 609 R 5 VG. This bank issued  
only notes in the five dollar denomination and we know of  
only three specimens with the first title. This interesting bank  
was named for Lincoln's Secretary of State who engineered  
the purchase of Alaska in 1867. It was located at # 2 Park  
Avenue and it operated for a little over four years. Most of the  
notes encountered ar with the second title. Rare enough to  
realize \$100.00 or more.

428 \$5.00 1882 Brown Back The Southern NB of New York  
Charter 3359 # 20826-B Fr 472 R 6 VG. This is a very rare  
and very interesting note. The title was changed from The  
Commercial NB after less than five years in 1890 and it  
bowed out in 1896 and was merged with the Market and  
Fulton NB. During it's brief existence with this unusual title for  
a NY bank brown back fives, fifties and hundreds were  
issued. In 1972 Aubrey Beebe advertised a five in XF-AU. We  
know of no others. The vanity signatures are of J. D.  
Abrahams and Isaac Rosenwald, also quite unusual. Rare  
and desirable and worth several hundred.

429 \$20.00 1929 Staten Island NB & Trust Company of N Y  
Charter 6198 # D000078A R 4 VG. We count eight notes with  
the second title used by this bank. This note has the lowest  
serial number of the three type one twenties. (\$100.00)

430 The Wilber National Bank of Oneonta Art  
Charter 2151. Art Deco line drawing of the bank's facade with  
four pedestrians and a vehicle in the foreground. FOUNDED  
1874 and WILBUR NATIONAL BANK above the dramatic  
entrance. Mounted on card 9 1/2 x 10 3/4 inches. (\$35.00)

431 \$10.00 1929 type two The FNB of Red Hook  
Charter 752 # A000463 R 4 F-VF. We can only account for six  
small size notes with this interesting title, just two of which  
are type twos. Five pinholes are mentioned for the sake of  
accuracy. (\$100.00+)

432 The First National Bank of St. Johnsville Art  
Charter 375. This is an exceptionally lovely rendering of the  
banks building. Two massive greek columns with a double  
ornate door between and SAFETY DEPOSIT VAULTS lettered  
above; with THE FIRST NATIONAL BANK across the top. In  
color, mounted horizontally on a chip board 10 x 15 inches.  
You'll love this one. (\$50.00+)

433 \$10.00 1882 Dates The FNB of Salamanca  
Charter 2472 # 2175-E Fr 545 R 3 G-VG Dark. This scarce  
note surfaced in South Carolina in 1977 and has been in a  
New York collection for well over ten years. There may be  
one other survivor of this type and denomination in the same  
grade, but we can't be sure, since we don't have the serial  
number. Salamanca is in Cattaraugus county in SW New  
York. (\$100.00)

434 The First National Bank of Saugerties Art  
Charter 1040. Color rendering of the banks facade, with  
FIRST NATIONAL BANK across the top and FIRST NATIONAL  
BANK AND TRUST CO. lettered on the glass door. A female  
customer is coming out and a male customer is going in.  
Mounted on 10 x 14 inch chip board. Another premium item.  
(\$50.00+)

435 \$20.00 1929 The Suffern NB and Trust Company  
Charter 5846 # D000982D R 3 VF. This note is one of seven  
twenties among the fifteen small notes in the census.

436 \$10.00 1929 type two Lincoln NB and Trust Company of Syracuse Charter 13393 # A006947 R 2\* Fine. Two uncut sheets and twenty five single notes keep this nice note from being rare and expensive. There are only three type two tens in the group so if you favor this attractive type, bid on this pleasing note. (\$50.00)

437 \$20.00 1882 Brown Back The Third NB of Syracuse Charter 159 # 22562-B Fr 493 R 3 VG. This note was lot 1741 in the NASCA Stanley Gibbons sale in September 1981 and in the H & O Memphis 1989 sale where it realized \$110.00. We know of a ten but no other brown backs. Your bid ?

438 \$5.00 1929 The N City B of Troy Charter 7612 # B016156A R 3 VG. Twelve notes are in the census but this is the only type one five. (\$50.00+)

439 \$5.00 1882 Brown Back The FNB of Utica Charter E 1395 # 69941-C Fr 469 R 2 VG. Repaired with "invisible" tape at bottom of the face and the top of the back. The Treasury signatures are vertical and the main title is ornate. A later brown back issue has the signatures horizontal and the main title simplified. (\$100.00)

440 \$5.00 The Oneida County Bank, Utica Haxby NY-2801 S-5 SENC Good. This is a spurious note with the design of the spurious \$5.00 (NY-2090-S10) on the Oneida Valley Bank, Oneida. Unpriced in Haxby with the notation, Surviving example not confirmed. Probably worth about \$20.00.

441 \$1.00 Original The Oneida NB of Utica Charter (1392) # 5518-A Fr 380 R 2 G-VG. From the Stanley Gibbons sale September, 1981 and the H & O 1989 Memphis sale where it realized \$100.00. This is the only \$1.00 note known to us among the 37 notes recorded with this title. Now worth?

442 \$10.00 1929 type two The West Winfield NB Charter 7483 # A000548 R 5 Fine. This is one of just four small size notes and the only type two known to us with this title. Rare enough for a liberal bid. (\$250.00)

443 The First National Bank of Woodridge Art Charter 11059. This is a very modern bank building. The rendering is in color, and the building is set back from the sidewalk with grass and shrubs. THE FIRST NATIONAL BANK OF WOODRIDGE is at the center of the top in two lines. Mounted on 8 x 10 inch chip board. (\$50.00)

445 \$4.00 The Bank of Cape Fear, Wilmington Haxby NC-90 Design S4A Good. This is a spurious note payable to the bearer at Washington and dated May 1st. 1847. A Four dollar note is always a novelty and this one is rare besides. Your bid?

446 \$10.00 The Bank of Cape Fear, Wilmington Haxby NC-90 Design 10C VG. This is a signed and dated counterfeit payable at Salisbury. Worth?

#### OHIO

447 \$20.00 1882 Dates The Citizens NB of Cincinnati Charter M 2495 # 106649-C Fr 555 R 1 F/VG. There are six or seven of these among the numerous surviving notes from this important bank. Catalog value is about \$150.00.

448 \$10.00 1929 The Kent NB Charter 652 # F001453A R 4 CU. Three of the seven 1929 notes in the census are type one tens, and Kent had no other bank. This kind of quality and desirability equals a bid of \$75.00 or more.

449 The First National Bank & Trust Co. Springfield, Ohio Charter 238 CU. Sample size of new U. S. Paper Currency with a list of the various portraits found on the different denominations. Printed by the Walker Litho. Co. Dayton @ 1928. Orange and Green. Your bid?

450 \$10.00 1929 The Peoples NB of Steubenville Charter 7688 # B002300A R 3 VG. Fourteen small size notes, four of them type one tens, make up the census for this small bank. Worth about \$30.00.

#### OKLAHOMA

451 \$10.00 1929 The Farmers and Merchants NB of Hennessey Charter 10209 # E000033A R 2\* VG-F with the lower left corner missing. Still worth \$25.00 or more.

#### OREGON

452 \$5.00 1929 The FNB of Portland Charter 1553 # A032264A R 1 Fine. A pleasing unmolested note worth \$25.00 or more.

453 \$10.00 1902 The United States NB of Portland Charter P 4514 # 47347-F Fr 627 R 1 Fine. This is an exceptionally vivid example for the grade to represent this "Forbidden" title. (\$75.00)

454 \$5.00 1929 The United States NB of Portland Charter 4514 # E070905A R 1 VG. A decent small size example worth about \$25.00.

#### PENNSYLVANIA

455 \$20.00 1902 The FNB of Bridgeville Charter 6636 # 9781-B Fr 650 R 6 XF. This is the only large size Bridgeville note we've ever seen or heard of, and it's a peach. Aside from being cut close at the bottom, you couldn't ask for more in a note this rare. We predict that bids for this outstanding note will exceed \$300.00.

456 \$5.00 1929 The Delaware County NB of Chester Charter 355 # C018988A R 2 VF. This is the finest of the seven small size fives we know of among the forty notes in the census. Should be worth about \$50.00.

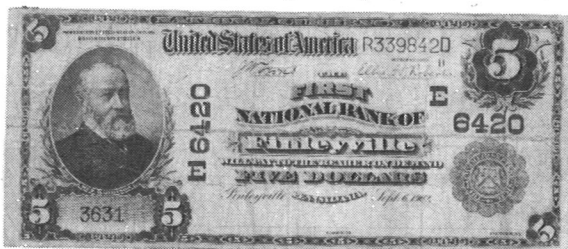

457 \$20.00 1902 Dates The Farmers NB of Claysville  
Charter E 9307 # 3497-A Fr 644 R 5 Fine. This rare note, the fourth large size we've heard of, is toned to a uniform dark tea color, probably from exposure to heat or light or both. There are a couple of pinholes and it's trimmed at the right end. Still a desirable note worthy of a bid of at least \$50.00.

458 \$10.00 1882 Brown Back The FNB of Claysville  
Charter 4273 # 966-C Fr 484 R 6 VG. This note is just plain rare and very likely to remain so. The bank was closed in 1904 and records indicate \$1030.00 remained outstanding in 1916. We know of no others and this bank is listed as unknown in the Standard Catalog of National Bank Notes. It was probably discovered with the note from the other Claysville bank since it is partially discolored in the same dark tea shade. We think this note is rare enough to realize \$250.00 or more even in it's less than perfect condition.

459 \$20.00 1929 The Du Bois NB  
Charter 7453 # D000990A R 3 VG. Fifteen small size notes are accounted for, six of them twenties. (\$30.00)

460 \$10.00 1929 The FNB of Ebensburg  
Charter 5084 # A002984A R 4 AVG. Soil reduces the grade on this scarce note, one of three tens among the eight notes of this series in the census. (\$35.00)

461 \$20.00 1902 Peoples NB of Edwardsville  
Charter 9862 # 23633-A Fr 653 R 5 VG. We know of another twenty and a ten for a total of three large size notes having survived from this bank. Edwardsville gets it's mail through the Wilkes-Barre post office. (\$250.00)

462 \$5.00 1902 The FNB of Finleyville  
Charter E 6420 # 3631-B Fr 598 R 6 VG. This is a very rare note, the only one we've seen or heard of from this small community of about 600 in Washington County. You can wait around and hope, or you can bid on this honest and unmolested specimen; but be liberal, this kind of rarity seldom comes cheap.

463 \$20.00 1929 The FNB of Hughesville  
Charter 3902 # B000108A R 5 VG-F. This is the fourth small size note we can account for from this Lycoming County bank. Two tens and two twenties hardly seem enough to go around. (\$100.00)

464 \$20.00 1929 type two FNB in Indiana  
Charter 14098 # A000168 R 3 XF. We know of four of these twenties with this popular 14000 charter number. The last one in the H & O auctions was in November, 1986 where a VG specimen realized \$75.00. This one is surely worth twice that or more.

465 \$5.00 1902 The Russell NB of Lewistown  
Charter E 10506 # 13137-D Fr 606 R6 VG. From a very rare private name bank. We know of only one other large size note, another five. The S. B. Russell and David Thomas signatures are in bold black ink. (\$100.00 or more)

466 \$20.00 1902 The Manheim NB  
Charter E 912 # 14504-B Fr 650 R 4 Dirty VG. From popular Lancaster County. We count just seven large size notes and this note is the only twenty among three blue seals. Should realize \$50.00 or more.

467 The FNB of Milford  
Charter 5496 # 262-A Fr 477 R 3 VF. This beautiful brown back is one of a eight such we've recorded among the thirteen total large size notes in the census. Premium brown pen signatures of Robert W. Reid and William Mitchell, great color and good centering all help to make this note a winner. (\$250.00)

468 \$5.00 1929 The F and Farmers NB and Tr Company of Montrose  
Charter 2223 # C001123A R 4 VG-F. We count nine small size notes with this title, four of which are fives, this note bearing the lowest serial number. (\$50.00)

469 \$20.00 1929 The FNB and Trust Company of Mount Joy  
Charter 667 # D000406A R 4 VF. Just six small size notes accounted for with this title. (\$75.00)

470 \$2.00 Original The FNB of Mount Pleasant  
Charter (386) # 6-A Fr 387 R 4 VF/F. This is a very attractive note with much better borders than are usually found on Lazy Twos, with a nice low serial number to boot. The large size census is now up to eight notes, with an original one and two fives. A brown back ten, two tens and a twenty dollar blue seal and this note. Anything less than \$500.00 for this beautiful note would be an outstanding bargain.

471 \$5.00 1929 The FNB of Philadelphia  
Charter 1 # D012954A R 1\* VG. Notes from our number one charter are always popular. (\$50.00)

472 \$10.00 1929 The FNB of Philadelphia  
Charter 1 # D006348A R 1\* VG. Take your choice of denominations. (\$50.00)

473 \$10.00 1902 The Farmers Deposit NB of Pittsburgh  
Charter E 685 # 156709-D Fr 624 R 3 VG. This was one of Pittsburgh's major financial institutions for many years. (\$25.00)

474 \$5.00 1929 type two FNB at Pittsburgh  
Charter 252 # A443990 VG plus \$10.00 1929 The Union NB  
of Pittsburgh Charter 705 # D006125A VG . Your bid?

475 \$20.00 1902 Red Seal The Industrial NB of Pittsburg  
Charter E 6906 # 1596-A Fr 639 R 6 Fine. No "G" in the  
town's name on this unique note, listed as unknown in the  
Standard Catalog of National Bank notes, This short lived  
bank bowed out in 1906 after less than three years  
operations and a total issue of \$19,660.00. This is an  
exceptionally bright note for it's grade and it will in all  
probability remain forever rare. (\$500.00)

476 \$50.00 1902 Red Seal The Washington NB of Pittsburgh  
Charter E 6725 # 2578-A Fr 664 R 5 VG. We have lowered  
the grade on this rare note because there are numerous rust  
spots and several small holes that are mostly in the central  
portion and along the bottom border. This note is an old  
friend from 1973 when we discovered it in Illinois. In the  
years since then we can account for a total of four notes; this  
note, and three fives, two Red Seals and a dated back. A rare  
type on a rare bank adds up to a liberal bid of several  
hundred dollars. There will never be enough of this rare type  
to go around. Get yours while it's available.

477 \$5.00 1929 The Rices Landing NB  
Charter 7090 # A000607A R 4 VG. A dandy title on a note  
with only seven known survivors should be worth about  
\$75.00 even with a half inch tear in the top margin.

478 \$20.00 1929 The Ridgway NB  
Charter 5945 # A000341A R 3 Fine. Two of the thirteen small  
size notes we've recorded are twenties. We'll estimate this  
one @ \$50.00 plus.

479 \$5.00 1929 The Saint Mary's NB  
Charter 6589 # E004328A R 4 VG soiled. Four of the ten 1929  
series notes in the census are fives, and none in high grade.  
(\$35.00)

480 \$20.00 1929 The McDowell NB of Sharon  
Charter 8764 # F001713A R 4 Fine. We know of nine small  
size notes on this private named bank, and four of them are  
type one twenties.(\$50.00)

481 \$10.00 1929 The Tamaqua NB  
Charter 7286 # D003848A R 4 VG. In this instance six of the  
eleven notes recorded are tens. Included with this note is a  
post card of the bank in color; a three story corner building  
of substantial construction.(\$50.00)

482 \$5.00 1902 The Citizens NB of Waynesboro  
Charter 5832 # 56422-D Fr 607 R Fine. An even dozen notes  
are in our census all but two of which are blue seal fives.  
(\$50.00)

483 \$20.00 1902 The FNB of Wilksburg  
Charter 4728 # 16232-A Fr 654 R 5 Dirty VG. Two tens and  
two twenties are all we can account for from this bank in  
large size notes. If notes like this sold for their adjusted  
purchasing power only, few could afford them. Rare notes  
can still be picked up at very modest prices. (\$75.00 +)

484 \$20.00 1929 FNB of Wilmerding  
Charter 5000 # E001513A R 2\* VG. Dandy charter number.  
(\$35.00)

#### RHODE ISLAND

485 Rhode Island Hospital National Bank of Providence Seal  
Logo Charter 13901. This interesting logo features the dome  
of the state capital and an outline of Rhode Island in a  
vertical oval with RHODE ISLAND HOSPITAL NATIONAL  
BANK below on a card 8 x 9 3/4 inches. The popularity of  
this bank's notes would indicate that this will be a popular  
lot. (\$25.00+)

#### SOUTH CAROLINA

486 \$5.00 The Commercial Bank of Columbia  
Haxby SC-70 G2 Good. Catalog value in VG is \$8.00.

currency. (\$20.00)

488 \$10.00 1902 The Central NB of Spartanburg  
Charter 4996 # 4537-B Fr 631 R 3 VF/F. Five of these blue  
seal tens are accounted for, along with seventeen other large  
size notes with this title. This is a neat problem free note with  
bold black signatures and very fine centering. (\$100.00+)

489 \$5.00 1929 type two The Commercial NB of  
Spartanburg Charter 14211 # A004085 R 1 Fine. Signature of  
J. L. England 7/4/59 on left border of the back. This is one  
note that we can safely say is far rarer in well circulated  
condition than it is in crisp uncirculated. (\$50.00+)

Charter 4308 # 66080-B Fr 653 R 3 VG-F. Three of the  
eighteen notes we've recorded from this state capital bank  
are blue seal twenties. This one should realize close to  
\$100.00.

492 \$10.00 1902 The FNB of El Paso

dozen notes confirmed, but quite attractive with good  
signatures and no problems. (\$100.00)

Lot 24, the Fr 321 1891 \$20.00 silver certificate with serial number \*5265B turned out to be one of the most hotly contested notes we've ever handled. This one slipped by me until after the catalog was printed. So many of the early types have an asterisk that is only a printer's symbol and not an indication of being a replacement note that I didn't realize that this was only the fourth star note of this series to be reported. It received numerous liberal bids including a significant increase over an already very high bid and was finally hammered down at \$2830.00. This proves that a good note will find a home at a significant price level even without the promotion and ballyhoo that is so common with notes with claims to rarity. The counterfeit \$5.00 FCP on the Traders National Bank of Chicago, Lot 249 and the Mount Pleasant, Pennsylvania Lazy Two, Lot 470 both received a great deal of attention and realized important prices. Over 150 bidders were successful in acquiring one or more lots. If the lots with \$ only, which received no acceptable bids of 50 to 60% of the estimates are deducted along with the lots that were mis-described and withdrawn, the distribution of the remaining lots is very well dispersed. The art work did very well for the first time out, with the bidding concentrated on the more attractive and popular pieces. Our future auctions will offer more of this type of material.

We are presently negotiating to conduct a Saturday afternoon floor auction at the February Long Beach show and if we are successful we hope to bring another exciting paper money auction to the West coast. We don't expect to reach the level of participation of our Krakover auction in 1990, but with a little luck and cooperation we will make it a memorable event. We invite your participation and we particularly want to include as much material from West of the Mississippi river as possible. We wish to thank all who contributed to the success of this sale and until next time, we wish you all Happy Hunting.
