Subject: including the call for Rights of Nature

Dear Madame, Dear Sir,

Thank you for being open to receive inputs for the post 2020 framework of the CBD.
We would like to make the following suggestion.

In order to include the call for Rights of Nature, we propose the following wording and placing:

E.2 Text suggestions

1. Effective implementation of the framework requires implementation support mechanisms commensurate with the ambition set out in the goals and targets of the framework and with the transformative changes required to reach them. These include:
 - (j) Action against environmental crime affecting biodiversity; making ecocide an international crime. Including Nature in legal systems of all nations as a rights bearing entity and subject of law with the right to exist and flourish independently of the use to humans. Adopting a Declaration of Rights of Mother Earth by the UN to complement the Human Rights Declaration.

Thank you for including our suggestion,

Sincerely,

Doris Ragetti
