

Better information, better decisions.

Background Checks

Clearbox offers a unique background screening process that verifies identity upfront, allows a rebuttal process, and delivers a background check report via our secure servers.

The individual may share their profile across the entire platform or transmit to a third party, at their discretion.

Zero wait time.

Clearbox provides a comprehensive national criminal background check accessible via our secure server.

- Arrest Records
- Federal District Criminal Search
- National Criminal Search
- National Sex Offender Search
- Terrorist Watch list
- Social Security Trace

LENDERS & AMCs
