

Better information, better decisions.

Background Check

Features & Benefits

Our Background Check consists of the following:

- Social Security Trace Report
- National Sex Offender Search
- Arrest Records
- Terrorist Watch List
- National Criminal Searches

Benefits

- Background Check results are instantaneous.
- You may opt to make your Background Check viewable so that it can be shared with anyone, within our network, or a link may be forwarded to prospective clients.
- No need to order multiple background checks.
- Your Clearbox Background Check will remain active for one year from the date it was ordered. You will receive an email reminder to reorder prior to the expiration date.

NOTE: All background check information is provided to Clearbox by a third party vendor. Clearbox is not responsible for any erroneous information that is included in and/or excluded from a background check report.
