# Appraisal Management Companies

Today's regulatory landscape is complicated. Compliance is the key to keeping clients confident in your services and attracting new ones.

## Features & Benefits

### Select™

- Search our comprehensive database with Geo Radius
- Daily updates for license validation
- Background checks ordered by appraiser
- Build and manage your fee panel

### Recruit™

- Use our supercharged search feature that reaches over 50,000 appraisers with the click of a mouse

### ClearCheck™

- ClearCheck denotes that the appraiser's profile is complete to include a background check, disciplinary records check, E&O insurance, sample appraisal, fee schedules and competency exam
- It is everything you need to comply with appraiser selection criteria

### X-Files™

- Our unique database of appraiser disciplinary records

### Area56™

- Database of AMC statutes with email discussion group

### Fee Survey™

- Most comprehensive independent private sector fee survey available today
- County by county, product by product
- Real time survey

### AMC Profile

- Create your profile to be seen by appraisers
- Enjoy the benefits of a centralized, standardized profile
