

FROM MORTGAGE TO MISSION

Primary Financial Goal: To increase our overall giving through one-time gifts and our ongoing tithes and offerings in order to eliminate the mortgage debt of \$355,000 due May 2018.

Secondary Financial Goal: As God provides additional funds over the \$355,000 we will update and repair our infrastructure as needed; including shingles, carpets, and other aging systems. We want to keep our well-used building functioning properly for years to come.

The Result: Our corporate generosity and ongoing stewardship will free up over \$84,000/year putting us in a strong financial position, allowing us to continue to faithfully support our present commitments AND to respond to new opportunities.

Generosity From The Heart (GFTH) is a church-wide effort to eliminate our mortgage and ready our hearts to support NPC's mission of being a transforming power in our culture. We want to be poised and ready for what God will do next in our neighborhood. Eliminating our mortgage increases our capacities to respond effectively and efficiently in gospel-centered mission to the burgeoning Dublin and Columbus communities.

PRACTICAL STEPS FOR PREPARING TO GIVE

Practice Priority Budgeting

Many families will choose to rearrange their priorities and give up something in their current budget in order to give more to a capital campaign.

Redirect Present Expenditures

Often, families have significant short-term expenditures for special needs that can be allocated to the initiative.

Increased Giving With Increased Income

Some people receive periodic increases in salary or bonuses from their employers, even tax refunds.

Donate Assets

Many people own stocks that are worth significantly more than the original purchase price.
