Dear Patients,

Please allow me to express my sincere appreciations for you choosing our medical staff as your primary provider of obstetrical-gynecologic care. I want every one of you to understand that your medical welfare is the foremost importance to me and my staff.

In keeping up with the most current forms of innovative and cutting-edge medical care, my staff and I are looking forward to introduce a new state-of-the-art medical treatment that will optimize the health of all of our patients.

I personally have used this treatment and it has wholly changed and improved my life. This treatment has already enhanced my life and the lives of all the patients currently receiving this treatment—**bioidentical hormones**. **Bioidentical hormones** is a breakthrough treatment utilizing the patient's specific physiologic makeup to determine the level of treatment, **because each treatment is individualized for each patient**.

Vitamin and hormone deficiency is very prevalent in our society. Here are some of the symptoms that could be indicative of hormone deficiency.

- ✓ **vaginal dryness causing sexual dysfunction**
- ✓ **decreased sexual libido**
- ✓ **memory loss**
- ✓ **decreased mental sharpness or acuity**
- ✓ **hot flashes, night or day sweats**
- ✓ **difficulty sleeping or difficulty getting restful sleep**
- ✓ **chronic fatigue, tiredness, low energy**
- ✓ **mood irritability or depression**
- ✓ **weight gain or inability to lose weight despite trying**
- ✓ **joint aches and pain**
- ✓ **migraine headaches**

If you are suffering with **one or more** of these symptoms, perhaps it is time for you to come in for a full assessment to determine whether there might be hormonal or vitamin deficiencies. Our office will perform a comprehensive assessment of your health profile to determine the right type of treatment you will need.

Remember, the treatment is individualized for each patient to meet your individual needs and customize a plan for you that will make a big difference in your life.

Make an investment in yourself and call for an appointment now **770-638-8446**.
