## About Dr. Dayan

Dr. Dayan is a double-board certified facial plastic surgeon in the famed Water Tower Place. He has performed over 1,500 nasal shaping procedures. His volume of rhinoplasty procedures per year speaks for itself. He is one of the most sought out rhinoplasty physicians in the country. According to the American Society of Aesthetic Plastic Surgeons, the average plastic surgeon does approximately 14 rhinoplastys a year where as Dr. Dayan does approximately 150—over ten times what the average plastic surgeon does! Combining his passion for art with his disciplined skills and devotion to the patient's desires, Dr. Dayan is a uniquely qualified, talented and proven rhinoplasty specialist.
