

DESERT WIND COMICS IS PROUD TO ANNOUNCE A SIGNING WITH CAPTAIN AMERICA CO-CREATOR JOE SIMON.

Desert Wind Comics is honored and privileged to announce a special signing with **Joe Simon** in New York. You can get your books signed by the legendary comic book writer/artist and graded and authenticated by **Certified Guaranty Company (CGC)** with the prestigious Signature Series label.

Desert Wind Comics has had the privilege of several previous signings with Joe during the year and looks forward to once again offering comic fans another opportunity to get their prized possessions signed by the legend that co-created the American icon Captain America. Joe's career officially started in 1932 working for *Rochester Journal American* before going on to work for both Marvel and DC. Joe teamed up with another legend, Jack Kirby, and the two superstars of comics were soon at the top of the comic industry. Joe has worked on every genre of comics ranging from superheroes, crime, western and horror stories.

Joe, enjoying his retirement from the comic industry, does not travel much, and rarely makes a con appearance. So don't miss this opportunity. We have a limited number of spots open for this exclusive signing, so get your submissions in now! The deadline for submitting the books to our office is **Monday, October 5th**. Complete submission details are listed in our Exclusive Signings section on our website at www.desertwindcomics.com. Submissions will be accepted at the Pittsburgh Comicon, Long Beach Comic-Con and the Baltimore Comic-Con as well.

NOW FOR THE REALLY FUN NEWS. Desert Wind Comics will be celebrating with Joe his 96th birthday. We will be delivering gifts, birthday cards and well wishes from Joe's fans. So we encourage everyone to submit a signed birthday card for us to take to Joe. Everyone who sends a signed birthday card along with their submission of a book(s) will be eligible for the Joe Simon Memorabilia Drawing. Each qualified book submitted is given a special number and each number will go into a barrel. Joe himself will draw the winning ticket during the signing. The winner will receive a one of a kind piece of signed memorabilia from Joe. Complete rules will be posted on our website.
