NGC ADD-ON SERVICES	FEE (per coin)	REQUIREMENTS
Early Releases® / First Releases®	Tier price + \$12	Use this service to receive either the EARLY RELEASES or FIRST RELEASES designation for qualifying coins. Select only one. Visit <a href="https://www.ngccoin.com/cutoffdates">NGCcoin.com/cutoffdates</a> for a list of eligible coins and submission cutoff dates.
Special Label	Tier price + \$5	Use this service to request a special NGC label. For a list of special NGC labels, visit <a href="https://www.ngccoin.com/labels">NGCcoin.com/labels</a> . <b>Note:</b> If you would like to have different special labels for the coins listed on the form, write "MIXED" on the Special Label line in Section 7 and list the desired Special Label Name and # on each line next to the coin in Section 11.
VarietyPlus®	Tier price + \$15	Upon request, NGC examines coins for recognized varieties and assigns an appropriate attribution. Also choose a grading tier according to coin value and desired turnaround. If you would like a coin already graded by NGC to be reviewed for a variety, do not select a grading tier. See <a href="https://www.ngccoin.com/varietyplus">NGCcoin.com/varietyplus</a> for a complete list of varieties we recognize. The VarietyPlus fee applies when requested regardless of whether NGC determines the coin to be a recognized variety.
Mint Error	Tier price + \$15	NGC examines mint errors and assigns an appropriate description. Also choose a grading tier according to coin value and desired turnaround. The Mint Error fee applies when requested regardless of whether NGC determines the coin to be a recognized mint error.
NGC Oversize Holder®	Tier + \$20	Coins over 45 mm in diameter or 9 mm in thickness are placed in an NGC Oversize Holder. Must be submitted on a separate submission form. There are two NGC Oversize Holder sizes available: medium (MSCH) and large (OSCH). By default, NGC will choose the NGC Oversize Holder size that it determines to be best for your coin or medal. See <a href="https://www.ngccoin.com/submit/services-fees/ngc">NGCcoin.com/submit/services-fees/ngc</a> for details.
Extra Thick Holder	Tier + \$5	High relief coins that do not fit in NGC's standard holder will be placed in an Extra Thick Holder. There are two Extra Thick Holder sizes: one for coins up to 7 mm in thickness and one for coins up to 9 mm in thickness. The default is the 7 mm holder.
NGC Mega Holder®	Tier + \$200	Coins as large as 180 mm in diameter and 28 mm in thickness are encapsulated in the NGC Mega Holder. Contact Customer Service to confirm eligibility. Must be submitted on a separate submission form.
Pedigree	Tier price	For public collections, submit copies of auction lots and plates, sales invoices or other backup of pedigree. To add a pedigree to coins already encapsulated by NGC, also select an applicable NGC ReHolder service.
ReGrade	Tier price	See requirements on the submission form or <a href="https://www.ngccoin.com/services">NGCcoin.com/services</a>
CrossOver	Tier price	See requirements on the submission form or <a href="https://www.ngccoin.com/services">NGCcoin.com/services</a>
Tokens & Medals	Tier price	All US or world tokens and medals struck 1990 to present, both private and official, can be submitted under the Modern tier or higher. US or world tokens struck before 1990, both private and official, must go under the Economy tier or higher. Esoteric pieces, particularly those submitted without documentation, may not be encapsulated and instead returned as Ineligible Type. See <a href="https://www.ngccoin.com/news/article/2550">NGCcoin.com/news/article/2550</a> for complete list of accepted US and world types. A \$5 fee per collectible will apply if a complete description (including the appropriate catalog number for most tokens and medals) is not provided.
GSA	Tier price	Select this service for coins in General Services Administration (GSA) hard and soft plastic holders.
NGC REHOLDERS	FEE (per coin)	REQUIREMENTS
