

## National Survey Results

- Q1** This is an important survey relating to parenting issues and children's health. Do you have a child who is between 0 and 21 years of age, or not?
- Yes.....100%
- No..... 0%
- Q2** What do you think about the state of America's healthcare system – do you think it is on the right track or the wrong track?
- Right track..... 34%
- Wrong track ..... 57%
- Not sure ..... 9%
- Q3** Thinking of the last few times your child saw a medical doctor, did that doctor talk or ask about your child's teeth or other dental issues, or not?
- Your child's doctor talked or asked about your child's teeth or other dental issues the last time your child saw a medical doctor ..... 35%
- Your child's doctor did not talk or ask about your child's teeth or other dental issues the last time your child saw a medical doctor..... 60%
- Not sure ..... 5%
- Q4** On a typical day, how often do your children brush their teeth with fluoride toothpaste – 0 to 1 times per day, 1 time per day, 2 times per day, or more than 2 times per day?
- 0 to 1 times per day ..... 20%
- 1 time per day ..... 30%
- 2 times per day ..... 43%
- More than 2 times per day ..... 6%
- Not sure ..... 1%
- Q5** Do you have a usual dentist who is your child's regular source of dental care, or not?
- Do have a regular dentist who is your child's regular source of dental care ..... 89%
- Do not have a regular dentist who is your child's regular source of dental care ..... 11%
- Not sure ..... 1%
- Q6** Have your children gone to a dentist or dental clinic within the last 12 months, or not?
- Children have gone to a dentist or dental clinic within the last 12 months ..... 87%
- Children have not gone to a dentist or dental clinic within the last 12 months ..... 11%
- Not sure ..... 1%
- Q7** In the past year, was your child in need of dental care but not able to receive it, or not?
- Child was in need of dental care but not able to receive it ..... 13%
- Child was not in need of dental care but not able to receive it..... 84%
- Not sure ..... 4%
- Q8** Which of the following best describes the reasons your child was not able to receive dental care – cost, difficulty getting to the dentist, lack of insurance coverage, or something else?
- Cost ..... 57%
- Difficulty getting to the dentist..... 8%
- Lack of insurance coverage ..... 21%
- Something else / Not sure..... 14%
- Q9** In the past year, has your child experienced trouble with eating, sleeping, drinking, concentrating, smiling, or speaking due to toothaches or other dental problems, or not?
- Child has experienced trouble with eating, sleeping, concentrating, smiling, or speaking due to toothaches or other dental problems.... 13%
- Child has not experienced trouble with eating, sleeping, concentrating, smiling, or speaking due to toothaches or other dental problems ..... 86%
- Not sure ..... 1%

**Q10** In the past year, has your child gone to the emergency room or urgent care clinic for a dental problem, or not?

- Child has gone to the emergency room or urgent care clinic for a dental problem in the past year*..... 8%
- Child has not gone to the emergency room or urgent care clinic for a dental problem in the past year*..... 92%
- Not sure*..... 1%

**Q11** Does the debate in Washington D.C. over the future of health insurance make you feel more secure about being able to keep or buy your kids' dental insurance, less secure, or does it have no impact on your feelings at all?

- The debate in Washington D.C. over the future of health insurance makes you feel more secure about being able to keep or buy your kids' dental insurance*..... 27%
- The debate in Washington D.C. over the future of health insurance makes you feel less secure about being able to keep or buy your kids' dental insurance*..... 45%
- The debate in Washington D.C. over the future of health insurance has no impact on your feelings about being able to keep or buy your kids' dental insurance*..... 23%
- Not sure*..... 4%

**Q12** If you are a woman, press 1. If a man, press 2.

- Woman*..... 53%
- Man*..... 47%

**Q13** If you are a Democrat, press 1. If a Republican, press 2. If an independent or a member of another party, press 3.

- Democrat*..... 37%
- Republican*..... 37%
- Independent / Other*..... 26%

**Q14** If you are Hispanic, press 1. If white, press 2. If Asian, press 3. If African American, press 4. If other, press 5.

- Hispanic*..... 12%
- White*..... 67%
- Asian*..... 4%
- African-American*..... 13%
- Other*..... 4%

**Q15** If you are 18-29 years old, press 1. If 30-45, press 2. If 46-65, press 3. If older than 65, press 4.

- 18 to 29*..... 11%
- 30 to 45*..... 37%
- 46 to 65*..... 50%
- Older than 65*..... 2%

**Q16** Do you have dental insurance for your children, or not?

- Yes*..... 77%
- No*..... 21%
- Not sure*..... 2%

**Q17** What is your household's annual income: less than \$30,000, \$30,000 to \$50,000, \$50,000 to \$75,000, \$75,000 to \$100,000, or more than \$100,000?

- Less than \$30,000*..... 25%
- \$30,000 to \$50,000*..... 15%
- \$50,000 to \$75,000*..... 15%
- \$75,000 to \$100,000*..... 11%
- More than \$100,000*..... 22%
- Don't care to say*..... 12%
