## *Arbitration Under International Investment Agreements: A Guide to the Key Issues*

Edited by Katia Yannaca-Small

Join us for a discussion based on the recently published *Arbitration Under International Investment Agreements: A Guide to the Key Issues*. The book describes the most important procedural, jurisdictional and substantive aspects of investment arbitration in a practical and accessible manner. Covering all stages of investor-state arbitration from A-Z, the book provides an overview of the key topics.

With contributions from many of the leading experts in the field, private practitioners, academics, government and intergovernmental organization officials, this text addresses all issues in an objective manner. Through pragmatic and reliable analysis, this book provides the reader with an authoritative understanding of all aspects of this constantly evolving topic.
