ABOUT US

1300 Truckhire has operated since 2005, supplying work-ready, fully compliant dry hire vehicles to councils, Aboriginal corporations, and contractors across Far North Queensland.

Based in Cairns, we offer a wide fleet of freight trucks, pantechs, 4WDs, vans, and utes — available for long-term or short-term hire. Vehicles can be custom-fitted with mine-spec, safety gear, or remote setups to meet project needs.

Over the years, we have built strong relationships with repeat clients who value our reliability, fast response, and straightforward service.

Locally owned and operated, we understand the FNQ region, the roads, and the realities of remote work, and we take pride in keeping our clients happy and moving.

VISION AND MISSION

VISION

To be the number one trusted dry hire partner across Northern Queensland, built on exceptional vehicles, service, and safety.

MISSION

To deliver safe, reliable, and fully compliant dry hire vehicle and truck solutions that meet the needs of regional projects across Far North Queensland – with the capability to source and supply any vehicle or truck required for the job.

We are focused on expanding our fleet, deepening our local and industry partnerships, and becoming a long-term supplier of choice for councils, Aboriginal corporations, infrastructure contractors, and businesses throughout Queensland.

Proudly servicing FNQ for over 20 years!

CORE SERVICES

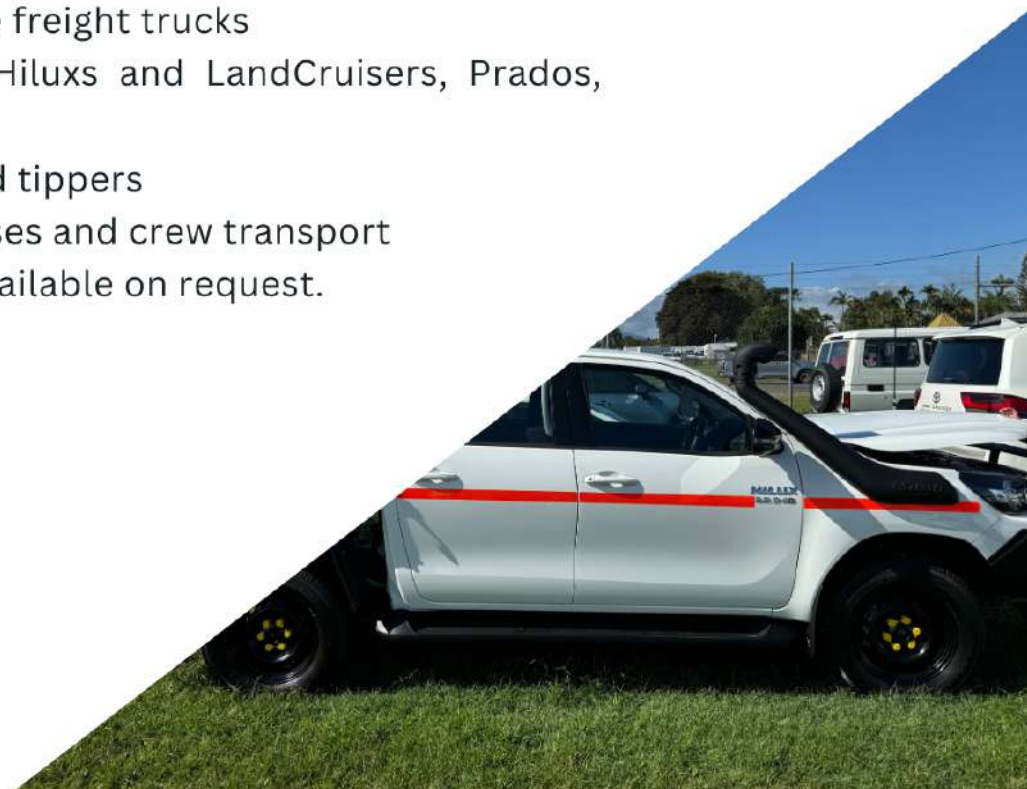

SUPPLYING YOU WITH:

- Long-term and short-term vehicle hire
- Freight trucks (curtainsiders, flatbeds, pantechs with lifters)
- 4WDs and utes, including mine-spec and remote-ready setups
- Vans and utilities for site use and transport
- Custom-fit vehicles with signage, safety gear, and compliance mods

SAMPLE FLEET OVERVIEW

- ✓ 4.5T Pantech trucks with 600kg – 2.2T lifters
- ✓ 6.5M–9.5M curtainside freight trucks
- ✓ Utes (2WD & 4WD), Hiluxs and LandCruisers, Prados, Fortuners & more
- ✓ Flatbeds, tilt trays, and tippers
- ✓ Commercial vans, busses and crew transport
- ✓ Mine-spec vehicles, available on request.

WHS & INSURANCE

We prioritise safety, regulatory compliance, and proper insurance to support risk-free operations while customising our practices to meet each organisation's specific requirements.

WORK HEALTH & SAFETY

- Compliant with the Work Health and Safety Act 2011 (Qld) and WHS Regulation 2011
- Risk assessments & pre-start checklists
- Safe operating procedures
- Toolbox talks & incident reporting
- WHS documentation available on request
- NHVR-compliant vehicles and practices
- Load Restraint Guide 2018 compliance
- Chain of Responsibility (CoR) ready

INSURANCE COVERAGE

- Public Liability: \$20 million – Certificate of Currency available
- Comprehensive Motor Vehicle Insurance: Covers damage, theft, fire, and accident
- WorkCover QLD: Policy WBA110872015 – Valid until 30 June 2024
- CTP Insurance: Statutory coverage for all QLD-registered vehicles

ESG

ENVIRONMENTAL

- Fleet meets Euro 5/V emissions standards (ADR 80/03)
- Waste fluids disposed per EPA QLD standards
- Water filtration system (CLEARMAKE) installed onsite
 - Trade Waste Approval No: #48794870
 - Compliant with Form 19 – Oil Separator, Plumbing & Drainage Regulation 2019

CUSTOMER TESTIMONIALS

Gabrielle Wenitong

8 reviews

1300 Truck Hire have been amazing for my business. I have been using them for 2 years now. Super easy to book, amazing staff, great price, the vehicles are always ready on my arrival and they are always clean and well maintained. I can't fault their service, price points + product. Easy location also.
