Enrollment in the Purebred Alternative Listing is not to be construed as an alternative form of registration but rather, as a listing so that dogs who are ineligible for AKC registration may participate in AKC events. AKC's PAL Application

For best results, have someone else position the dog while the photograph is being taken!

Do This!

PAL Applications must be submitted with two photos. One photo should be from the front with the dog in a standing position, the other from the side in a standing position, *as above*. Take the pictures from the dog's eye level for both. Do not aim down.

Photos should be close up

Stand dog on a flat surface, do not pick the dog up

Use a contrasting background

Take clear photographs, close to the dog, against a solid, contrasting background. Allow the committee to fairly evaluate the dog.

No costumes, please!

Not This!
