

## 2021 American Kennel Club Pointing Breed National Gundog Championship

Camp Robinson near Conway, Arkansas

February 25th 2021

Tom Maneely

The 2021 American Kennel Club Pointing Breed National Gun Dog Championship began on February 25<sup>th</sup>, 2021. 82 dogs were drawn to compete in the Nation's premier all breed National Championship. This year's event is contested over the beautiful grounds of Camp Robinson near Conway, AR. Camp Robinson is one of the best facilities in the country to run bird dogs and we are blessed to have the privilege to use the area for this year's running.

Sitting in the judge's saddle for this renewal are Mr Alan Davidson and Mr Bruce Bryant. Both these gentlemen are dog men. They train, hunt, and compete with their own dogs and both have achieved a very high level of success in this sport. Honest of opinion and observant, they are the kind of judges competitors like to run dogs under. We are very fortunate to have Mr Davidson and Mr Bryant judging this prestigious event.

As in previous years we are fortunate to have several key event sponsors. Purina, SportDog, and Dogs Unlimited go out of their way to provide for the extras that help to make this event a truly class event. Without their support, this and countless other events around the country would not be possible. Each of these companies represents the best in our sport, offering the highest quality products and world class customer service. They support our sport so the next time you need to buy food or products for your good dog.

The following synopsis of the running will reflect the actual running order of the dogs.
