Dear Exhibitor:

During this time of necessary social distancing, we want to give our beginner Rally exhibitors a reason to continue training their dogs and stay connected to the sport of Rally. This virtual entry concept will provide you an opportunity to stay-at-home and enter an AKC Rally event. Is your dog eligible to enter Rally Novice B? If your dog hasn’t earned a qualifying score in the Rally Advanced class, you both are eligible!

**Select the Rally Course**

1. There are five predesigned Rally courses for you to choose from. The courses are numbered RNV1, RNV2, RNV3, RNV4, RNV5.
2. For each entry you submit for the same dog, you must use a different course, unless you receive a non-qualifying score on the course, then you may reuse that course again.
3. Set up the course with signs. You can use this link to print [signs] or make your own. Only you need to be able to read the signs as you are performing the course.
4. Remember, there is no food allowed on the course!
5. **NOTE the preferred camera location noted on the course.** Please set the camera up in that location and ensure the video includes the whole performance area. REVIEW your videos before you post them to your YouTube channel, we must be able to see and hear the performance. Set the privacy setting on YouTube so anyone with the link may view the videos.

**Follow these instructions to complete the entry form, then pay for the entry using one of the methods below.** Once completed you will click on the submit button at the bottom of the entry form.

1. Remember to put the Rally Course # and the YouTube Video Link on the entry form.

**How to Create a personal YouTube channel?** Google it!

Follow these instructions to create a channel that only you can manage using your Google Account.

1. Sign into YouTube on a computer or using the mobile site.
2. Try any action that requires a channel, such as uploading a video, or posting a comment.
3. If you don’t yet have a channel, you’ll see a prompt to create a channel.

Once we have all your paperwork, we will have one of our official rally judges review and score the video performance. Qualifying scores will be recorded on the dog’s record and applied to the Rally Novice title requirements. You will be notified by email, if one is provided, of your score.
