EXHIBITOR ADDITIONAL INFORMATION
(EXHIBITOR TEE-SHIRT SIZE, ANNOUNCER SPEAKING POINTS, CRATING REQUESTS)

All entrants will receive a free exhibitor’s tee-shirt - unisex adult & children sizes available. One tee-shirt per dog entered. Your tee-shirt size must be submitted online by Wednesday, September 23, 2020.

To assist our announcer at the event, if you and/or your dog’s name is spelled unusually, please spell them out phonetically to assist us with pronunciation using the field provided on the Exhibitor Additional Information web form.

The announcer will first read your dog’s full registered name, then both owner and handler, followed by three speaking points which you may provide on the Exhibitor Additional Information web form. We can not guarantee the announcer will read each dog’s information, but we will attempt to make sure that all are recognized.

Announcer speaking points may be submitted online until Wednesday, December 9, 2020 @ 5:00 p.m. EST.

Exhibitors will also be able to update their own handler changes and announcer speaking points while at the show site using the computer workstations provided.

Exhibitor Additional Information Online Form
Exhibitors are to submit online all Tee-Shirt Sizes, Handler Changes, and Announcer Speaking Points using the web link listed below!
No alternate method of submitting this Exhibitor Additional Information shall be accepted.

http://www.akcccompanionevents.com
Please wait until you receive an entry confirmation email with a PIN # from Steve Herwig before trying to access your dog’s record.
Each 6 foot by 5 foot crating spot will be identified by a unique identification number. Because you have pre-reserved a crating space, you DO NOT have to arrive together.

Each exhibitor will be required to display an emergency contact information card on the outside of each crate; card(s) will be supplied labeling each crating space location. The information card must have your name and emergency contact information (cell phone# or other).

**NO UN-ENTERED DOGS WILL BE ALLOWED IN THE BUILDING.**

No Ex-Pens will be allowed in crating area.

All dogs must be housed in a crate, which must have sides, a top, and a bottom, all parts being interconnected, thus preventing the dog from being able to escape the enclosure even if knocked over. The top and/or bottom of the “crate” may be not be secured only by Velcro or a Velcro-like product. There must be additional fasteners that will prevent both the top and bottom from coming off and will not allow the dog to escape the enclosure.

**IMPORTANT** – All exhibitors will select their dog’s crating space location from an online system mapping which spaces are available between **November 16, 2020 @ 8am Pacific** and **November 30, 2020 @ 5pm Pacific**. Those who wish to have crating spaces next to each other must select one crating group representative who will select all crating spaces within their group at the same time.

Any crating group representative that has 20 or more entered dogs to be housed within their group should contact Steve Herwig at steve.herwig@akc.org prior to **November 1, 2020**

Crating coordinators with 20 or more in their group will be allowed early tiered access into the online system prior to general availability IF notice has been made prior to **November 1, 2020**.

If any exhibitor or group wishes to have their space(s) randomly assigned by AKC, send email to steve.herwig@akc.org. Spaces for a group will be side by side and/or across an isle from each other. No other special requests will be accommodated if AKC manually assigns the space(s).

Any entered dog whose owner has not selected a crating space by **November 30, 2020** will have a crating space assigned randomly from among those available.

A very limited number of additional crating spaces are available on a first come, first served basis for dogs which are entered elsewhere in other events within the Convention Center. Proof of entry will be required prior to adding the additional space request to your dog’s entry.

AKC reserves the right at any time to use an alternative crating space assignment system different than the system mentioned above.

2019 YEAR-END TOP DOGS

Year-End Top MACH & PACH Dogs for 2019 were calculated based on the calendar year January 1, 2019 through December 31, 2019. The dog with the highest score of (2Q’s x 10) + MACH/PACH points earned during this calendar year timeframe has earned the status of 2019 Top Dog for their breed. Year-End Top Dog awards for 2019 will be given out during our agility banquet.

This award is not calculated based on the eligibility period of the Agility Invitational (July 1, 2019 through June 30, 2020), but rather the January-December 2019 calendar year, therefore, these dogs may not be the #1 ranked dogs invited to the 2020 Agility Invitational to compete. You can check to see if your dog was #1 for 2019 by going to http://www.akc.org/events/agility/statistics/

Year-End Top Dog notifications will be emailed to the primary owner on-record after Monday, September 21, 2020.
