OCTOBER 8-12, 2024

WELCOME TO THE 5TH ANNUAL AKC FAST CAT INVITATIONAL

The AKC welcomes you to the 5th Annual Fast CAT Invitational. There are 394 entries this year representing 182 breeds from 43 states and marks the the first year this event is being held in Ohio and during the fall season.

This Invitational invited the top five dogs from each breed where they will run twice in the preliminary. The fastest two dogs per breed will advance to the final and they will have an opportunity to earn the distinction of Best of Breed as determined by the fastest run time. Their final run time will also allow them to compete in two divisions: Pure Speed and Speed of the Breed. The Pure Speed division is based on the fastest time according to miles per hour in three height classes. Speed of the Breed is determined by recognizing dogs with the highest percentage of speed run over the established average speed for their breed. This helps level the playing field for all breeds.

The top 10 dogs in each of the final divisions will be recognized by receiving rosettes with trophies being presented to the final four placements. However, what is most important is that the dogs have fun doing what they love to do, and their owners and fans enjoy the experience.

To learn more about this event including daily results and final Invitational standings, please visit: www.akc.org/akcfastcatinvitational

We hope you enjoy this event; appreciate your accomplishments; and most importantly, celebrate your dog.

FROM PUP TO PUP-STAR!

celebrating

JOKER

MINIATURE SCHNAUZER

What an extraordinary adventure this remarkable boy has led us on!

Here's a special tribute to our family's beloved Joker, honoring his outstanding achievements throughout the years.

No words can capture the immense happiness, joy, and love we have for this incredible dog in our lives!

He continuously astonishes us each year with his unrelenting drive in this sport, giving it his all every time he enters the track.

For five incredible years, he has held the top spot for the fastest in his breed - a truly amazing feat! Will this year bring his sixth consecutive victory?

Regardless of where this journey continues to take us, the sheer excitement in his eyes and his spirited Schnauzer yips when he sees those 'trash bunnies' is a reward in itself.

So here's to you, Joker! Congratulations on all your remarkable achievements! We love you beyond measure!

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
