Testing and Reporting Guidelines
Approved by the United States Neapolitan Mastiff Club Board of Directors

The US Neapolitan Mastiff Club Board recommends that all Neapolitan Mastiff breeders perform the following health tests. The use and interpretation of tests should be in consultation with your veterinarian.

- **Hip Dysplasia** (One of the following)
  - OFA Evaluation
  - PennHIP Evaluation
- **Elbow Dysplasia**
  - OFA evaluation
- **Cardiac Evaluation** (One of the following)
  - Congenital Cardiac Exam by board certified cardiologist, the exam must include an echo
  - Advanced Cardiac Exam, the exam must include an ECHO
- **Eye Examination by a boarded ACVO Ophthalmologist**
  - Results registered with OFA
