The AKC Companion Events department will dedicate the 2021 AKC Obedience Classic in memory of Ronald Roberts.

We are saddened to report former AKC Executive Staff, Obedience Field Representative, Ronald Roberts, passed away in November 2020. Before he joined the staff at AKC, he successfully trained and competed in obedience with several top working German Shepherd Dogs and Golden Retrievers. He became an Obedience Judge in 1970 and began working for AKC as a part-time Field Rep in 1982, where he oversaw obedience events and judges primarily in the Midwest, and South. He retired from AKC in 2005 with more than twenty years of service and immediately returned to the obedience ring training, showing, and judging.

He also joined the Ocala Police Department in 2002 and served with honor and distinction, as a city watch volunteer and served as a volunteer for the Marion County Florida Sheriff’s department at Oak Run Security for more than 13 years.

Ron was well respected by all, always a perfect gentleman, and although perceived as quiet and all businesslike, he had a wickedly charming sense of humor. He was a wonderful mentor to many obedience judges, he will be greatly missed and fondly remembered.

During the time period, all entries will be collected and shall be treated equally without regard to the date/time received or any other criteria.

Once the Random Draw Time Period closes, if the entry limit for a class is exceeded from the entries received during that time period, a random draw will be conducted from those entries received, otherwise the Random Draw is not necessary.

After the Random Draw Time Period, all entries will be accepted on a first-received basis until the event closing date and time is reached.

**Random Draw:** The random draw time period will run from August 31st – September 13th, during this time entries will be collected, sorted by class and numbered. If the entry limit for a class is exceeded during this time period, a Random Draw of all entries received for that class will be conducted using a computerized draw system. If a random draw is required, it will take place on September 15th at 2:00 p.m. ET. Entries exceeding the class limits will be placed on a waitlist in the order they were selected from the random draw. Entries received after the Random Draw Time Period closing date, will be accepted on a first-received basis and will be placed on the waitlist for classes that have exceeded the entry limit.

It is the sole responsibility of the exhibitor to assure their entry is delivered by the closing date and time.

ERRORS ON ENTRY FORMS: Owners are responsible for errors on entry forms and no entry fee will be refunded in the event of such errors or cancellation of entries after the trial has closed.

Illegible entries will not be processed and will be returned to the exhibitor. Returned checks do not constitute a valid entry. A twenty-five ($25.00) dollar collection fee will be added to the amount of each returned check.

Confirmation of Entry: You will receive a confirmation email stating your entry has been received depending on how it was submitted within 24 hours of an online entry, or within four weeks for entries submitted via US Mail. If a class fills prior to the close of entries, a waitlist will be kept for that class. Entries received after the limit has been reached, will be wait-listed in the order received.

Wait-Listed Entries: If an exhibitor cancels an entry, the first entry on the waitlist in that class will be notified they have been moved off the waitlist. If you have an entry on the waitlist and do not want to be automatically entered in the event when there is an opening, you may cancel your entry via email OBClassic@akc.org and a refund of your entry fee will be processed. All remaining wait-listed entries will be notified of the status of their entry by Tuesday, October 5th.
