AKC OBEDIENCE CLASSIC
December 17-18, 2022
Orlando, Florida
Qualifying Period – July 1, 2021 through June 30, 2022

The 2022 AKC Obedience Classic will include the following changes:
- Entry limits will be increased by ten for each class level. (Novice – 82, Open – 74, Utility – 66 and Masters – 66.)
- A limit of ten entries will be reserved for Preferred entries in each class level.

For the 2022 AKC Obedience Classic, the following classes will be offered: Novice, Open, Utility, and Masters. These classes will include Regular and Preferred entries competing together as one class, not as separate classes. All dogs meeting the following requirements will be eligible to enter the event, which will be held in conjunction with the 2022 AKC National Championship and the 2022 AKC Agility Invitational.

Owners of dogs that have met the criteria below, during the qualifying period, are eligible to enter. The dog must be entered in the highest-level class they have qualified in and are eligible for, in either regular or preferred, and may only enter one class.

Qualifying scores and/or titles earned in the Optional classes, or a different titling path from the one you are entering, do not affect these Classic eligibility requirements.
